Rule

THE-ORISSA-STANDARD-OF-WEIGHTS-AND-MEASURES-ENFORCEMENT of 1993

- Published on 5 November 1992
- Commenced on 5 November 1992
- [This is the version of this document from 5 November 1992.]
- [Note: The original publication document is not available and this content could not be verified.]

The Orissa Standard of Weights and Measures (Enforcement) Rules, 1993Published vide Notification Orissa Gazette Extraordinary No. 882/6.7.1993, Notification SRO No. 542/93/6.7.1993S.R.O. No. 542/93. - Whereas the draft of the Orissa Standards of Weights and Measures (Enforcement) Rules, 1992 after consultation with the Central Government, was published as required under Sub-section (4) of Section. 72 of the Standards of Weights and Measures (Enforcement) Act, 1985 (54 of 1985) in the extraordinary issue of the Orissa Gazette No. 1489, dated the 5th November, 1992 under the notification of the Government of Orissa in the Food & Civil Supplies Department No. 21817-PL-IC-1/92, dated the 29th June, 1992 inviting objection or suggestion from all persons likely to be affected thereby before the expiry of the period of thirty days from the date of publication of the said notification in the Orissa Gazette;And whereas no objection or suggestion has been received by the State Government from any person in respect of the said draft rules within the period so specified;Now, therefore, in exercise of the powers conferred by Sub-section (1) of Section 72 of the Standards of Weights and Measures (Enforcement) Act, 1985, the State Government do hereby make the following rules, namely

1. Short title and commencement.

(1)These rules may be called the Orissa Standard of Weights and Measures (Enforcement) Rules, 1993.(2)They shall come into force on the date of publication in the Official Gazette.

2. Definitions.

- In these rules, unless the context otherwise required: (a) "Act" means the Standards of Weights and Measures (Enforcement) Act, 1985; (b) "Reference Standard Laboratory" means a Laboratory set up by the Central Government under the Standards Act where reference standards and secondary standards are maintained; (c) "Scheduled" means a Schedule appended to these rules; (d) "Standards Act" means the Standards of Weights and Measures Act, 1976; (e) "State Government" means the Government of Orissa; (f) Words and expressions used in these rules but not defined unless the context otherwise requires, shall have the same meaning as respectively assigned to them in the Act and the Standards Act.

3. Reference Standards.

- The reference standards shall be kept at such place in such manner and in such custody as may be prescribed under the Standards Act;

4. Secondary Standards.

(1) Every secondary standard shall be verified at any of the Reference Standards Laboratories in such manner and at such periodical intervals as may be prescribed under the Standards Act and shall if found on such verification to conform to the Standards established by or under that Act, be stamped by the Laboratory-in-charge of the Reference Standard Laboratory. (2) The verified secondary standards shall be kept at such place, and in such custody as the Controller may direct.

5. Working Standards.

(1) Every working standard shall be "verified either at any of the Reference Standards Laboratories or at any of the places where secondary standards are maintained by the State Government, in such manner and at such periodical intervals as may be prescribed under the Standards Act and shall, if found on such verification to conform to the standards established by or under that Act, be stamped, as the case may be, by the Laboratory-in-charge of the Reference Standards Laboratory or by the Controller or such other officer as may be authorised by the Controller or in this behalf. (2) The verified working standards shall be kept in the custody of inspectors or such other officer as the Controller may direct.

6. Secondary Standard Balances.

(1) A set of secondary standard balances shall be maintained at every place where the secondary standard weights are kept. (2) The number types and specifications of such balances shall be such as may be prescribed under the Standards Act. (3) Every secondary standard balance shall be verified at least once a year and shall be adjusted, if necessary, to make it correct within the limits of Sensitivity and other metrological qualities prescribed under the Standards Act, by the Laboratory-in-charge of the Reference Standard Laboratory or by the Controller or such other officer as may be authorised

by the Controller in this behalf.

7. Working Standard Balances.

(1)A set of working standard balances shall be maintained at every place where working standard weights are kept.(2)The number types and specifications of such balances shall be such as may be prescribed under the Standards Act.(3)Every working standard balance shall be verified at least once a year and shall be adjusted if necessary, to make it correct within the limits of sensitivity and other metrological qualities prescribed under the Standards Act, by the Laboratory-in-charge of the Reference Standard Laboratory or by the Controller or such other officer as may be authorised by the Controller in this behalf.

8. Physical Characteristics, Configuration, Constructional Details of Weights and Measures.

- Every weight and measure used or intended to be used in any transaction or for industrial production or for protection shall conform as regards physical characteristics, configuration, constructional details, materials performance, tolerances and such other details, to the specifications prescribed under the Standards Act.

10. Registration of Users of Weights and Measures.

(1)Every person (other than an itinerant vendor) who intends to commence, or carry on, the use of any weight or measure in any transaction or for industrial production or for protection, shall make an application in Form A-1 of Schedule I, accompanied by a fee of rupees five, to the Controller or such other Officer as the Controller may, by general or special order in writing authorise in this behalf, for the registration of the name, and every such application shall be made.....(i)in the case of an applicant using any weight or measure at the commencement of these rules, within ninety days from such commencements; or(ii)in the case of an applicant who commences use of any weight or measure after the commencement of these rules, within ninety days from the date on which he commences such use.(2)The Controller or the officer authorised by him shall include the name of the applicant in a register to be known as Register of Users and issue to him a certificate in Form A-3 of Schedule II.(3)The Register of Users referred to in Sub-rule (2) shall be maintained in the form set out in Schedule III.(4)The certificate referred to in Sub-rule (2) shall be valid for five years and may be renewed on payment or a fee of rupees five.(5)An application for renewal shall be made

in Form A-2 of Schedule I, thirty days before the expiry of validity of the certificate of registration.(6)Where a certificate of registration is lost or destroyed, the holder of the certificate shall forthwith apply to the authority who had issued the certificate, for the issue of a duplicate certificate of registration. Every such application for the issue of a duplicate certificate shall be accompanied by a fee of rupees two.(7)If a person who intends to discontinue the use of weight or measure for which he has been registered, desires to get his name deleted from the Register of users, he shall surrender the certificate of registration to the Controller or such other officer as may be authorised by him in this behalf.(8)If a user intends to sell any weight or measure specified in Schedule I I-A he shall obtain a written permission of the Controller or such other officer as may be authorised by him in this behalf.

11. Use of Weights only or measures only or Number only in Certain cases.

- Except in the cases of commodities specified in Schedule IV the declaration of quantity in every transaction, dealing or contract, or for industrial production or for protection shall be in terms of the unit of:(a)weight, if the commodity is solid, semi-solid viscous or a mixture of solid and liquid;(b)length, if the commodity is sold by linear measure;(c)area, if the commodity is sold by area measure;(d)volume, if the commodity is liquid or is sold by cubic measure; or(e)number, if the commodity is sold by number;

12. Licensing of Manufacturers Repairers and dealers of Weights and measures.

(1)Every manufacturer or repairer of, or dealer in weight or measure shall make an application for the issue of a licence to the Controller or such other officer as may be authorised by him in this behalf, in the appropriate forms set out in Schedule V.(2)Every manufacture or repairer of, or dealer in weight or measure shall make an application for the renewal of a licence 45 days before the expiry of validity of the licence the Controller in the appropriate form set out in Schedule V-A.(3)Every licence issued to a manufacturer, repairer or dealer shall be appropriate form set out in Schedule VI.(4)Every licence issued to a manufacturer, repairer or dealer shall be valid for a period of the calendar year, and may be renewed from year to year by the Controller or such other officer as may be authorised by him in this behalf.(5)The fees payable for the licence referred to in Sub-rules (1) and (2) and for its renewal shall be specified in Schedule VII :Provided that an additional fee at half the rates specified in Schedule VII shall be payable by the applicant if he is permitted by the Controller to make the application for the renewal of a licence within a period of one month from the date of expiry of the period of validity of the licence.(6)The fee payable for the alteration of a licence or for the issue of a duplicate licence shall be as specified in Schedule XIV.(7)The Controller or such other officer as may be authorised by him in this behalf shall maintain a register of licensed manufacturers, dealers and repairers in the form set out in Schedule VIII.(8)Every repairer licensed under the Act and these rules shall -(a)be required to maintain such equipment and tools as the Controller may direct; and(b)furnish the State Government a security deposit for each licence a sum of Rs. 200/- (Rupees Two hundred) only.(9)The weights or measures seized by the Controller or any other officer authorised by him in written in this behalf under Sub-section (5) of Section 20 of the Act, shall be sold and proceeds thereof credited to the Government;

13. Records to be maintained by Manufacturers, etc.

(1) Every manufacturer or repairer of, or dealer in weight or measure licensed under the act and these rule shall maintain a register in the appropriate form set out in Schedule IX, X and X-A, respectively. (2) Every person using any weight or measure in any transaction or for industrial production or for protection shall maintain in such records and registers as the Controller may by order direct.

14. Periodical interval for the verification of Weights or Measures.

(1) Every weight or measure used or intended to be used in any transaction or for industrial production or for protection shall be verified or reverified once in 12 months : Provided that storage tanks including vats shall be re-verified or re-calibrated and stamped at least once in a period of five years. (2) Notwithstanding anything contained in Sub-rule (1) every weight or measure which has been verified and stamped in situ shall, if it is dismantled and re-installed before the date on which the verification falls due be duly re-verified and stamped on payment of the prescribed fee, before being put into use. (3) Notwithstanding anything contained in Sub-rule (1) every weight or measure which has been verified and stamped shall, if it is repaired before the date on which the verification falls due be duly re-verified and stamped on payment of the prescribed fee, before being put into use. (4) Notwithstanding anything contained in Sub-rule (1) in computing time when the re-verification of a weight or measure shall become due and period during which such weight or measure remain unsold or undistributed shall be excluded.

15. Verification and Inspection of Weights or Measures.

(1) Every person using any weight or measure in any transaction or for industrial production or for protection shall present such weight or measure for verification or re-verification at the office of the Inspector or at such other place as the Controller may specify in this behalf on or before the date on which the verification falls due : Provided that where any weight or measure is such that it cannot or should not be moved from its location the person using such weight or measure shall report to the Inspector at least thirty days in advance the date on which the verification falls due. (2) Where any weight or measure is such that it cannot, or should not, be moved from its location the Inspector shall take necessary steps for the verification of such weight or measure at the place of its location. (3) For the verification of weight or measure referred to in Sub-rule (2) the user shall provide such facilities as may be required by the Inspector. (4) Every weight or measure presented for verification shall be complete in itself and shall not bear a manufacturer's mark which might be mistaken for the Inspectors stamp. (5) Every weight or measure shall be verified in a clean condition, and if necessary, the Inspector shall require the owner or user to make necessary arrangement for the purpose. (6) Where a weight or measure is brought to the Inspector for verification or reverification, he may verify the same after realisation of the prescribed fee. (7) An Inspector shall visit as frequently as possible during the period specified in Sub-rule (1) of Rule 14, every premises within the Local Limits of his jurisdiction to inspect and test any weight or measure which is being or is intended or likely to be used in any transaction or for industrial production for protection.

16. Stamping of Weights or Measure.

(1)The Inspector shall stamp every weight or measures, if after verification he is satisfied that such weight or measure conforms to the standards established by or under the Standards Act and complies with the requirement of the Act and these rules, with a stamp of uniform design issue by the Controller :Provided that if by reason of the size or nature of any weight or measure it is not desirable or practicable to put stamp thereon, the Inspector shall take such action as may be directed by the Controller by a general or special order in writing.(2)The Inspector shall also mark the year and its quarter of stamping on every verified weight or measure except when the size or nature of such weight or measure makes it impracticable.Explanation - A year shall be deemed to consist of four quarters of which first quarter shall be of the months of January, February and March, second quarter shall be of the months of April, May and June third quarter shall be of the months of July, August and September and fourth quarter shall be for the months of October, November and the December. Such quarters shall be indicated by letters A,B,C and D, respectively.(3)On completion of verification and stamping the Inspector shall issue a certificate of verification in the form set out in Schedule XI.(4)Where a certificate of verification is lost or destroyed, the holder of the certificate of verification shall forthwith apply to the Inspector who had issued the certificate, for the issue of a duplicate certificate of verification. Every such application for the issue of a duplicate certificate shall be accompanied by a fee of rupees five.(5)On receipt of an application under Sub-rule (4) the Inspector shall issue to the applicant a duplicate copy of the certificate of verification marked "DUPLICATE".

17. Fee for Verification and Stamping.

(1)Fees payable for verification and stamping of weight or measure at the office or camp office of the Inspector shall be as specified in Schedule XII.(2)If, at the request of the user of weight or measure, verification done at any premises other than the office or camp office of the Inspector, an additional fee shall be charged at half the rates specified in Schedule XII and the user of the weight or measure shall also pay the expenses incurred by the Inspector for visiting the premises including the cost of transporting and handling the working standard and other equipment subject to a minimum of rupees ten :Provided that no additional fee shall be charged for verification and stamping in suit of -
(a)Vehicle tanks, dispensing pump, weight-bridges, dremant, platform machine; and such other weight or measure which cannot, and should not be moved from its location;
(b)Weights and Measures in the premises of a manufacturer of such weights and measures;(3)If a weight or measure is presented to the Inspector for reverification after expiry of the validity of the stamp, an additional fee at half the rates specified in Schedule XII shall be payable for every quarter of the year or part thereof :Provided that an additional fee shall be charged for a part of the quarter in which the validity of the stamp is due to expire.(4)In computing the time when the reverification of any weight or measures sold by manufacturer or dealer shall become due, the period during which such weight or measures remains unsold shall be excluded.(5)A weight or measure which on verification is found to be improper shall be returned to the person concerned for adjustment informing him in a proforma specified by the Controller of the defects found in the weight or measure and calling upon him to remove the defects within a period not exceeding seven days. When the necessary adjustment has been carried out, such weight or measure shall be verified on payment of fifty per cent of the fees

specified in Schedule XII and if found correct shall be stamped.

18. Collection of fees and deposit into the Treasury.

(1) Before commencing the work of verification or re-verification the Inspector shall inform the person, concerned of the fees payable by him under these rules and shall receive the amount and issue a receipt in the form approved by the Controller, one copy of such receipt being kept on record : Provided that fees payable by a Department of the Central or State Government under these rules may be realised in such manner as may be directed by the Controller. (2) The Inspector shall maintain a register, in the form approved by the Controller, which shall be written up from day to day and shall show the amount of fees and other charges collected during the day. (3) All payments received by the Inspector during the week shall be paid into the Government Treasury under the appropriate-Head of Account" on such dates or days as may be specified by the Controller from time to time and a receipt thereof be obtained and an intimation to that effect be sent to the Controller or other officer authorised by him in this behalf.

19. Disposal of seized weights, measures etc.

(1) Any weight or measure or document of thing seized and detained by an Inspector which is not to be the subject of proceedings in a Court, shall, after the expiry of sixty days of its seizure, be so dealt with as the Controller may by general or special order direct : Provided that the Controller may direct that unverified weight or measure shall be returned to the person from whom weight or measure was seized if that person gets the same-verified and stamped, within ten days of the return, on payment of the prescribed fee including the additional fee payable for undertaking re-verification after the expiry of the validity of the stamp. (2) Any weight or measure or document or thing seized and detained by an Inspector which is to be the subject of proceedings in a Court, shall be dealt with in accordance with the orders of the Court : Provided that in the absence of the orders of the Court, weight or measure or document or thing shall be dealt with as the Controller may by general or special order direct. (3) If any goods, seized under Sections 30 or 31 of the Act, are subject to speedy or natural decay, the Inspector shall have the goods weighed or measured on a verified weighing or measuring instrument available with him or near the place of offence and enter the actual weight or measure of the goods in a form specified by the Controller for this purpose, and shall obtain the signature of the trader or his agent or such other person who has committed the offence. The goods in question shall be returned to the trader or the purchaser as the case may be : Provided that if the trader or his agent or the other person (who has committed the offence) refuses to sign the form, the Inspector shall obtain the signature of not less than two persons present at the time of such refusal by the trader or his agent or other person. (4) Where the goods seized under Sub-section (1) of Section 29 of the Standards Act are contained in a package and the package is false or does not conform to the provisions of the Act or any rule made thereunder and the goods on such package are subject to speedy or natural decay, the Inspector so far as may be, may dispose of the goods in such package in accordance with the provision of Sub-rule (3). (5) Where the goods seized under Sub-section (1) are not subject to speedy or natural decay, the Inspector may retain the package for the purpose of prosecution under this Act after giving the trader or his agent or the other person (who has committed the offence) a notice of such seizure.

20. Qualification of Inspectors.

(1) No person shall be appointed as Inspector unless he -(a) has secured fifty per cent marks in honours or in the over all aggregate in the Degree Examination with subject of Physics/ Electronics, Mechanical Engineering; and (b) is able to speak, read and write in Oriya; (2) Nothing in Sub-rule (1) shall apply to persons who have been working as Inspectors or are eligible for promotion as Inspectors before the commencement of these rules. (3) The person appointed to the post of Inspector shall have to successfully complete the basic training course at the Indian Institute of Legal Metrology, established by the Central Government under Section 76 of the Standards Act before he is considered for confirmation to the Post.

21. Provision of Working Standards, Equipment, etc. to the Inspector.

(1) Every Inspector shall be provided with working standards, standard balances, and such other equipment including weighing and measuring devices as may be approved by the Controller from time to time. (2) Every Inspector shall be provided with such dies, punches and such other equipment as may be necessary for affixing the verification stamp, the design and number of which are to be approved by the Controller. (3) Every Inspector shall be provided with punches of suitable sizes of eight-pointed star as shown below for obliterating stamps.

22. Provisions Relating to use of Weights, Measures etc.

(1) Every person using a beam scale in any transactions in his premises shall suspend the same to a stand or to a chain by a hook : Provided that this Sub-rule shall not apply to itinerant vendors. (2) Every weight or measure shall be used in a clean condition and in proper lighting arrangement. (3) Any weight or measure which has been verified and stamped in situ shall be dismantled and removed from his original site without prior intimation to the Controller or other person authorised by him in this behalf. (4) The user of a weighing instrument of the capacity of five hundred kilograms or above, shall provide such number of duly verified and stamped weights not exceeding one-fourth of the capacity of the instrument as may be required by the Inspector for the purpose of its verification, re-verification or inspection. (5) To ensure a proper check of the accuracy of a weighing instrument the user shall keep at the site of each weighing instrument duly verified and stamped weights equal to one-tenth of the capacity of the instrument or one tonne whichever is less: Provided that the Controller may specify the total number of verified and stamped weights to be maintained in trade premises where the number of weighing instruments is more than one.

23. Certificate of verification to be exhibited.

- The person to whom a certificate of verification is issued shall exhibit the same in a conspicuous place in the premises where the weights, measures or weighing or measuring instruments to which the certificate relates are used : Provided that in the case of itinerant vendor, the certificate shall be kept on his person : Provided further in the case of vehicle tank, the certificate of verification shall be kept with the vehicle.

24. Fee for grant of copies of any document.

- Fee payable for the grant of certified copies of any document not being a document of confidential nature, shall be one rupee for every 100 words or less.

25. Penalty for contravention of rules.

- Whoever contravenes any provision of these rules, for the contravention for which no punishment has been separately provided in the Act, shall be punishable with fine which may extend to one thousand rupees.

26. Form of Appeal.

(1) Every appeal under the Act and these Rules shall be preferred in the form set out in Schedule XIII and shall be accompanied by a copy of the order appealed against. (2) A Court-fee of rupees two shall be affixed on the appeal petition. (3) The appeal petition shall be accompanied by fee of rupees twenty-five.

27. Repeal and Savings.

(1) On the commencement of these Rules the Orissa Weights and Measures (Enforcement) Rules, 1960 shall stand repealed. (2) Notwithstanding such repeal any appointment notification, order, registration, licence, certificate notice, decision, approval, authorisation or consent made issued or given under the said rules, shall at the commencement of these rules continue to be in force and have effect as if it were made issued or given under the corresponding provisions of these rules. (3) On such repeal the provisions of Section 5 of the Orissa General Clauses Act, 1937 shall apply as if the provisions so repealed were the (sic).
