The Rajasthan Agricultural Produce Markets Act, 1961 Act No. 38 of 1961 Statement of Objects and Reasons (Act No. 10 of 2015). - Government of India has been insisting that the market fees payable on perishable horticulture commodities (fruits and vegetables) under the provisions of the Agricultural Produce Market Committees Acts and Rules should be abolished with a view to attracting private sector investments for developing agriculture market infrastructure. At the same time, Government of India has suggested that reasonable user charges can be levied on these commodities for use of the market facilities and infrastructure in respect of the perishable horticulture commodities. Government of India has also decided that the assistance for creation of market infrastructure under National Horticulture Mission for projects promoted by the State Government agencies including Agricultural Produce Market Committees will be released only to those States which have abolished market fees on fruits and vegetables. Section 17 of the Rajasthan Agricultural Produce Markets Act, 1961 confers powers to the market committees to collect market fees. Market fee is payable not only in respect of the produce which is bought and sold within the premises of the market yards/sub-yards but also in respect of any sale/purchase outside the premises of the market yard/sub-yard but within the territorial jurisdiction of the concerned market committee. In Rajasthan the market fee leviable on fruits and vegetables was fixed at 1.60% vide notification dated 27/07/1991. However, in August, 2013 the Mandi Fees on fruits and vegetables was reduced to a nominal rate of 0.01%. This reduction of Mandi Fees to a nominal rate of 0.01% has adversely affected the revenues of the various market committees in the State, especially the seven Market Committees exclusively for fruits and vegetables. With a view to complying with the views of Government of India for exempting the sale of fruits and vegetables from the levy of market fees but at the same time ensuring that the market committees are able to charge a certain "User Charge" in respect of the sale of fruits and vegetables within the premises of the market yards or sub-yards it is proposed to make amendments in Secs. 17 and 37 of the Rajasthan Agricultural Produce Markets Act, 1961 to enable the market committees to collect user charges in respect of these articles, for the services provided by the market committees, from the buyer of the produce at such rates as may be specified in the bye-laws. After the proposed amendments in the Rajasthan

Agricultural Produce Markets Act, 1961 no market fees shall be chargeable on the sale of fruits and vegetables. However, the market committees will be able to collect reasonable user charges in respect of the fruits and vegetables which are bought and sold in the market yards or sub-yards. This Bill seeks to achieve the aforesaid objects. Hence the Bill.] Statement of Objects and Reasons Act No. 16 of 2014. - To facilities investment in the State and to encourage establishment of Agro-processing and Agri-Business enterprises it becomes desirable to extend some concessions, exemptions or relaxations to licensee or class of licensees in the public interest. There is no explicit provision for the power of exemption from payment of market fee in the Rajasthan Agricultural Produce Markets Act, 1961. Therefore, it has been proposed to insert a new section 40-A in the Rajasthan Agricultural Produce Markets Act, 1961 with a view to explicitly empower the State Government to grant exemption from payment of market fee payable on any agricultural produce bought or sold in the market area. The Bill seeks to achieve the aforesaid objective. Hence the Bill. Statement of Objects and Reasons Act No. 15 of 2009. - The proposed amendment seeks to increase the representation of women in Krishi Upaj Mandi Samities from 33% to 50% in order to increase their participation in the decision making activities of the Mandi Samities. This is expected to enhance the capacity of women farmers and women workes and would contribute towards the general upliftment and empowerment of women in our society. The Bill seeks to achieve the aforesaid objectives.] Statement of Objects and Reasons (Act No. 15 of 2008). - With a view to ensure better prices of produce to the farmers, it is essential to promote agricultural processing and value addition activities. The agricultural-processing units generally require agricultural produce in large quantities which may not be available in the market where the processing unit is located. Keeping this in view, it is the need of the hour that the big processors be provided the facility of purchasing agricultural produce (inputs) in more than one market on a single licence. This will enable large scale marketing players viz. processors, exporters, traders and bulk purchasers to make purchases from various markets. In order to ensure continuous supply of agriculture produce to the processors and exporters it is necessary to grant single licence to operate in the entire State. It will overcome problem of such operators. In order to achieve the aforementioned objectives two new Sections 14-A and 14-B are proposed to be inserted in the Rajasthan Agricultural Produce Markets Act, 1961. The Bill seeks to achieve the aforesaid objectives. This Act may be read alongwith "Rajasthan Agricultural Produce Markets (Validating Provisions) Act, 1966", which has been added as an Appendix 'A' at the end of this Act. [Received the assent of the President on the 3rd day of November, 1961] [Published in Rajasthan Gazette, Part IV-A, Extraordinary, dated 24.11.1961] An Act to provide for the better regulation of buying and selling of agricultural produce and the establishment of markets for agricultural produce in the State of Rajasthan. Be it enacted by the Rajasthan State Legislature in the Twelfth Year of the Republic of India, as follows: -
