The Industrial Development Bank Of India Act, 1964(18 OF 1964)

13.

/615Statement of Objects and Reasons.-The existing arrangements for the provision of credit for the expansion or development of industry are not adequate in relation to the needs of the various enterprises or projects. It is proposed, therefore, to establish a new institution, to be known as the Industrial Development Bank of India. It will be wholly-owned subsidiary of the Reserve Bank of India and will be managed by a Board of Directors consisting of persons who are for the time being the members of the Central Board of the Reserve Bank.2. The Industrial Development Bank of India will be able to co-ordinate the activities of all the institutions which are or may be concerned with the provision of finance for industrial development. It will be in a position to provide refinance to these institutions or to grant direct loans to industrial concerns or to promote and develop key industries, as circumstances may require.3. The provisions of the Bill are explained in detail in the notes on clauses.-S.O.R. Gazette of India, 27-2-1964, Pt, II, section 2, extra. Page 60.Amending Act No. 75 of 1972 - Statement of Objects and Reasons - It has been found from experience gained by the Industrial Development Bank of India in its working, since its establishment in 1964, that it is necessary to amend the Act in certain respects.2. The definition of 'industrial concern under section 2(c) of the Act is proposed to be enlarged to include establishments engaged in maintenance and repairs of vehicles as well as concerns engaged in fishing or in the maintenance of shore facilities for fishing, so as to enable the Industrial Development Bank of India to play its role effectively in all fields as an apex institution for financing and refinancing other institutions.3. Section 9 of the Act dealing with the scope of the business of the Development Bank is proposed to be enlarged in several respects. The Development Bank, at present, refinances loans and advances granted by the Industrial Finance Corporation of India, State Financial Corporations, Scheduled Banks and State Co-operative Banks to industrial concerns. Since some of these institutions give loans and advances for the establishment of industrial estates also but are unable to do so adequately from within their own limited resources, it is proposed to authorize the Development Bank to refinance these

institutions in relation to such activities.4. At present the Development Bank is empowered to refinance loans given by the State Financial Corporations, the Industrial Finance Corporation of India, the commercial banks and the co-operative banks for the export of machinery and merchandise. It is now proposed to extend these facilities of refinance to the institutions financing the agencies exporting manufactured capital goods and to the concerns or persons in India executing turn-key jobs in foreign countries. The refinancing facilities extended by the Development Bank are now restricted to the cases where the primary lending institution advances loans repayable within a period of ten years in all cases. It is now proposed to liberalise this provision to cases where the primary lending institutions grant loans to persons in India repayable within a period of 15 years and to persons outside India repayable within a period of 12 years.5. The Development Bank can now accept, discount or rediscount bills of exchange and promissory notes of industrial concerns only. It is proposed to extend this facility to stockiest or agents who sell plant and machinery of manufacturing concerns. The Act enables the Development Bank to subscribe, to shares and debentures of the Industrial Finance Corporation of India, the State Financial Corporations and any other financial institutions notified by the Central Government in this behalf. It is now proposed to enlarge the power so as to enable the Development Bank to participate in the share capital of notified financial institutions promoted outside India as well.6. In the field of exports, it is now proposed to enable the Development Bank to grant loans and advances to any persons exporting products of industrial concerns or to any person outside India in connection with the export of capital goods from India, or for the execution of turn-key projects, outside India by any industrial concern or by any person in India. Financial assistance will therefore be available to parties outside India for importing capital goods from India and also for any activity in connection with it. The Development Bank is also being authorized to perform certain agency functions.7. By a new section 9A, it is proposed to prohibit, subject to certain exceptions, the Development Bank from granting assistance to industrial concerns in which any director of the Development Bank may be having a beneficial interest. The Development Bank is the only institution capable of financing very large projects in the core and heavy investment sectors. It is, therefore, provided that the prohibition may be relaxed in cases where the Development Bank is satisfied that it is necessary in the public interest to finance such an industrial concern if the assistance is given subject to such conditions and limitations as may be prescribed by the Development Bank with the prior approval of the Reserve Bank of India.8. It is considered necessary to effect certain liberalisation in regard to the liability arising out of fluctuations in the rate of exchange during the period of repayment of the foreign currency loans borrowed by the Development Bank from foreign lending agencies. At present the liability arising out of fluctuations in foreign exchange is completely borne by the borrowing industrial concerns. It is now proposed that it need be borne by the borrowers only so long as they have not discharged their liability completely to the Development Bank. After that period the Development Bank will bear the losses arising out of the normal market fluctuations in foreign exchange and the Central Government will bear the losses in respect of fluctuations, such as devaluation of Indian currency or revaluation of foreign currency as may be adverse to Indian currency. Any profit arising from fluctuations in favour of Indian currency is also proposed to be similarly dealt with.9. The Development Bank normally reserves the power to nominate one or more directors on the Boards of assisted concerns. The new section 30A is intended to enable the Development Bank to exercise the power effectively.10. The Bill seeks to achieve these main objects. Opportunity has also been taken to incorporate some other amendments which are found necessary

for the smooth working of the Development Bank and are of a consequential or procedural nature. The notes on clauses appended to the Bill explain the position thereof.-Gazette. of India., 8-12-72, Pt. II, section 2, Ext., p. 1544.-Amending Act No. 52 of 1975 - Statement of Objects and Reasons - It is proposed to restructure the Industrial Development Bank of India in certain respects, so as to enlarge its role as the principal financial institution financing industry and for coordinating the working of other financial institutions engaged in the financing or promotion or development of industry. The financial institutions, in this context, include the Industrial Finance Corporation of India, the Life Insurance Corporation of India, the Unit Trust of India, the Industrial Reconstruction Corporation of India Limited, the State Financial Corporations, all in the public sector, the Industrial Credit and Investment Corporation of India Limited, in the private sector and such other institutions as may be notified by the Central Government in this behalf. Besides these, the State Bank of India, its seven subsidiary banks, the fourteen nationalised banks, scheduled banks and the State Co-operative Banks are also proposed to be brought within the purview of co ordination by the Development Bank as these institutions participate with the Development Bank and other term lending institutions in financing industry.² The Development Bank is at present a wholly owned subsidiary of the Reserve Bank of India; the Directors on the Central Board of the Reserve Bank constitute the Board of Directors of the Development Bank. It is now proposed to transfer the entire capital of the Development Bank held by the Reserve bank to the Central Government. There will also be a separate Board of Directors for the Development Bank on which the financial institutions and the public sector banks will be represented.

3. In view of the enlarged role envisaged for the Development Bank, it is proposed that it should take over the capital held by the Reserve Bank in the different State Financial Corporations and in the Unit Trust of India. Since the Life Insurance Corporation is already wholly owned by the Central Government, no restructuring of its capital is envisaged. 50 per cent of the share capital of the Industrial Reconstruction Corporation of India Limited and the Industrial Finance Corporation of India are already held by the Development Bank. The Development Bank does not propose to hold any share capital in the Industrial Credit and Investment Corporation of India Limited as it is an institution in the private sector. The corporation is, however, being represented on the Board of Directors of Development Bank along with the other institutions and public sector banks so as to facilitate co-ordinate functioning.

4. With the Development Bank assuming the role of the principal financial institution, it is proposed to have representatives of the Development Bank on the Boards of other institutions, wherever considered necessary or feasible.⁵To give effect to the above, amendments are proposed to the Industrial Development Bank of India Act, 1964, Reserve Bank of India Act, 1934, Industrial Finance Corporation Act, 1948, State Finance Corporations Act, 1951, Life Insurance Corporation Act, 1956 and Unit Trust of India Act, 1963.⁶ Opportunity has also been taken to streamline other provisions of the different statutes and to propose certain amendments of a clarificatory nature.⁷

The notes on clauses explain in detail the various provisions contained in the Bill. See Gazette of India, 22-12-1973, Point II, Section 2, Ext., p. 1183. Amendment Act 73 of 1976 - Statement of Objects and Reasons - It is proposed to bring about a measure of uniformity in the procedure for appointment, fixation of the terms and conditions of service including removal from, or termination of, service of the chairman, vice-chairman, and managing directors of the State Bank of India, chairmen of the Regional Rural Banks, chairman of the Industrial Finance Corporation of India and chairman and managing director of the Industrial Development Bank of India in the relevant enactments regulating the said institutions. These Executives will also have the option to relinquish office by giving the Central Government notice of three months. It is proposed to make the amendments applicable to the existing incumbents of these offices also. :2. Opportunity has also been taken to streamline some other provisions of these Statutes. SOR- See Gazette of India .24-5-76, Point II, section 2, Ext., page 939. Amendment Act 35 of 1986.- Statement of Objects and Reasons - The Industrial Development Bank of India (the Development Bank) established under the industrial Development Bank of India Act, 1964 is the principal financial institution for providing credit and other facilities for the development of industry, for coordinating the working of institutions engaged in financing, promoting or developing industries and for assisting the development of such institutions. The Development Bank has been providing direct financial assistance to large and medium large industrial concerns and also providing help to small and medium industrial concerns through banks and state-level financial institution. In the light of experience gained over the years, it is felt necessary to make some new activities also eligible for financial assistance and to enlarge the scope of business of the Development Bank to cover certain activities which the Development Bank could not take up in the absence of enabling provisions. It is also felt necessary to enlarge the capital base so as to enable the Development Bank to cater to the growing volume of business. It is also proposed to provide more operational flexibility to the Development Bank to enable it to discharge more effectively its functions as the principal financial institution for the development of industries. 2. The main proposals are as follows: (a) The present definition of "industrial concern" as contained in the Act does not include many important activities. It is, therefore, proposed to widen the definition of "industrial concern" so as to enable the Development Bank to provide financial assistance of mines, medical, health or allied services, leasing and sub-leasing activities, information technology, telecommunications and electronics. It is also proposed to empower the Central Government to bring within the purview of the definition "industrial concern" engaged in activities which may be found to be support worthy. (b) In view of the expanding volume of its business and the expected growth if in the Development Bank's activities, it is proposed to raise the authorised capital of the Bank from Rs. 500 to Rs. 1,000 crores which limit may be increased by the Central Government up to Rs. 2,000 crores by notification in the official Gazette. (c) It is proposed to enlarge the scope of business which the Development Bank can undertake by empowering it to grant lives of credit or loans and advances, otherwise than by way of subscription to shares/debentures to Industrial Finance Corporation of India, State Financial Corporations or any other financial institutions notified by the Central Government, to grant loans and advances to any person for purpose of investment in any industrial project to open and advise letters of credit and to negotiate or collect, bills and other documents drawn there under, to provide consultancy and merchant banking services in or outside India, to act as trustee for the holders of debentures and other securities and to provide for acquisition of business and undertaking of any other financial institution. In view of these amendments, the Development Bank will be able to

undertake these activities and discharge its role as the principal financial institution. (d) It is proposed to amend the Act to enable the Development Bank to open offices even at the place where it has its head office. (e) A new provision is sought to be inserted to enable the Development Bank to purchase the participation certificates under the participation certificate scheme operated by IDBI, IFIC and ICICI providing for a single window clearance of the proposals for setting up an industrial unit, and speedy availability of funds for the project. (f) Presently, the directors nominated by the Central Government from amongst the employees of the Development Bank and financial institutions and persons having special skills and experience, hold office during the pleasure of the Central Government. It is proposed to provide that such members shall hold office for such term not exceeding three years as the Central Government may specify, (g) The accounting year of the Development Bank at present is from 1st July to 30th June. It is proposed to amend the Act to provide flexibility to the Development Bank to change the accounting year, if need be.³ It is also proposed to make certain other minor and consequential amendments in the Act.⁴ The Bill seeks to achieve the above objects. -Gazette of India , 20-12-85, Point II, section 2, Ext., page 5 (.No. 73).[16th May, 1964]An Act to establish the Industrial Development Bank of India [as the principal financial institution for co-ordinating, in conformity with national priorities, the working of institutions engaged in financing, promoting or developing industry, for assisting the development of such institutions] [Inserted by Act 52 of 1975, Section 2 (w.e.f. 16.2.1976).] for providing credit and other facilities for the development of industry and for matters connected therewith and further to amend certain enactments.Be it enacted by Parliament in the Fifteenth Year of the Republic of India as follows:-
