The Evacuee Interest (Separation) (Punjab Amendment) Act, 1960 Act 15 of 1960 Statement of Objects and Reasons. - In 1952 the Government of India had, in consultation with the Government of Punjab, decided that cases of co- sharer in joint khata and occupancy tenures in agricultural lands where the land had been allotted to displaced persons should not be referred to the competent officers by the Custodian under the Evacuee Interest (Separation) Act, 1951, and that the remedy of partition in such land should be sought under the ordinary law. In order to enable the Central Government to acquire and sell the evacuee property in such lands Government of India has suggested that the Act be amended so as to regularise the decision taken in 1952. The Bill seeks to achieve that object. Published vide Punjab Government Gazette Extraordinary, dated the 4th July, 1960. Received the assent of the President of India on the 24th March, 1960, and was first published in the Punjab Government Gazette Extraordinary, dated the 31st March, 1960.
