4. Levy rice to conform to specifications.

- The rice required to be sold to the State Government under Clause 3 shall conform to the specifications of rice of fair average quality notified by the State Government for that respective variety of rice and shall not contain refractions beyond rejection limit shown in the Government notification and in case any stock of rice offered for sale does not conform to such specifications, it shall be reconditioned or rectified or otherwise brought in conformity with specifications by the licensed miller or the dealer as the case may be before being so offered.

5. Restriction on disposal of paddy and rice without selling the prescribed percentage to Government.

(1) No licensed miller or licensed dealer shall sell or otherwise dispose of or remove to any place other than his usual place of business or storage in a particular locality his stocks of rice or paddy except in accordance with a release certificate issued by the Centre Incharge/Senior Marketing Inspector/Marketing Inspector as a token of having sold the prescribed percentage of paddy/rice in levy under Clause 3 to the State Government. (2) Save as otherwise provided in sub-clause (1) no licensed miller or licensed dealer shall transport rice for sale from the premises of the rice mill or the godown declared in the licence except in accordance with the release certificate referred to in sub-clause (1): Provided that if part of any lot of rice in respect of which release certificate as aforesaid has been obtained is moved by road, the driver or person incharge of the vehicle carrying such rice shall carry a certificate from the Senior Marketing Inspector/Marketing Inspector having jurisdiction at the place of despatch indicating that rice moved is a part of released stock. The certificate shall also indicate the name, the licence number and address of the dealer/miller in whose favour the particular lot of rice was released and also the date and number of release certificate as well as grades and total quantity of rice released under that release certificate. Explanation. - No licensed miller who is exempt from levy under second proviso to Clause 3 (1) (c) shall transport from his premises of the rice mill or the godown declared in the licence rice/paddy for sale except in accordance with a transport certificate issued by the Controller or his nominee in the form set out in Schedule III.

6. Purchase or acceptance of rice by the Controller or his nominee.

- The Controller or his nominee-(a) shall purchase rice from any person including a licensed miller having a rice mill of huller type with not more than one huller operating in area other than urban area also at the notified price if it conforms to the specifications notified; (b) may in accordance with the directions of the State Government accept for rice due to be sold to the State Government under Clause 3: (i) parboiled rice of same variety in lieu of raw rice or vice versa; (ii) rice even in excess of levy due if voluntarily offered. (c) The Controller or his nominee shall, subject to such general or special instructions as may be issued from time to time by the State Government for taking delivery of the quantity of rice sold under clause 3 on behalf of the licensed miller or the licensed dealer shall

give a receipt to him specifying the quantity and variety of rice delivered by him and the date of taking delivery thereof.

7. Any person not to recover excess price for rice sold in levy.

- Any person on whose behalf the licensed dealer holds any stock of rice/paddy the whole or part of which such dealer is required to sell to the State Government shall, notwithstanding any contract or instrument of the contrary, not be entitled to recover from the dealer on account of the value of the stock as sold, anything more than the price received by the licensed dealer under the said sub-clause.

8. Mode and manner of delivery of rice.

- Every person from whom levy is due under this order shall deliver to the Controller or his nominee the stocks of rice-paddy required to be sold in such lots and in such manner, at such place and at such times as the Controller or his nominee may direct.

9. Recovery of rice from paddy.

- The percentage of rice recovered from corresponding variety of paddy shall be deemed to be as follows, unless proved to the contrary and the levy due under clause 3 shall be calculated accordingly:

Common variety 68
Fine and super fine variety 66.5
Scented variety 66

Provided that the State Government may, in public interest, reduce the percentage of recovery in respect of any area or in relation to any variety or grade of paddy: Provided further that if the actual recovery in a mill is higher than the deemed recovery percentage levy shall be taken on the basis of deemed recovery percentage and not on the actual recovery: Provide.d also that the Controller on being satisfied that the percentage of recovery in any case is less than that specified in this clause may accept such reduced percentage of levy as he, for reasons to be recorded in writing, thinks fit.
