The U.P. Homoeopathic Medicine (Amendment) Act, 1975(U.P. Act No. 25 of 1975)Statement of Objects and Reasons.-(1) The U. P. Homoeopathic Medicine (Amendment) Act, 1974 was passed to provide for the constitution of a Faculty of Homoeopathic System of Medicine and for the reconstitution of the Board of Homoeopathic Medicine. Due to certain litigation, the constitution of the Faculty and the reconstitution of the Board could not be possible. It Is therefore, considered necessary to amend the U. P. Homoeopathic Medicine Act, 1951 so as to provide that during the interim period, the State Government could nominate the members of the Boards so that the Board may start functioning at an early date.(2) It was also brought to the notice of the State Government that the Faculty could not effectively discharge its duties for want of adequate funds, it is, therefore, being provided that adequate funds shall be placed at the disposal of the Faculty by the Board each year.(3) Opportunity has also been availed to remove certain other minor lacunae in the Act.(4) This Bill is being introduced to give effect to the above proposals.[Dated 13th August, 1975]Received the assent of the Governor on August 13, 1975, published in U. P. Gazette (Extraordinary), dated 18th August, 1975.(As passed by the Uttar Pradesh Legislature)An Act further to amend the Uttar Pradesh Homoeopathic Medicine Act, 1951It is hereby enacted in the Twenty-sixth Year of the Republic of India as follows :-
