If he fails to apply for such a lease within a period of ninety days of the discovery of the mineral, the Competent Authority may sanction lease of such mineral, to any other person, who applied for it.(3)The lessee shall not pay wages, less than the minimum wages prescribed by the State or the Central Government under the Minimum Wages Act, 1948 (No. 11 of 1948), from time to time.(4)The lessee shall take all measures for planting not less than twice the number of trees destroyed by reasons of mining operation in addition to restoring and leveling the land in mined out area or any other area selected by the Collector.(5)The lessee shall commence mining operation within one year from the date of execution of the lease deed and shall thereafter conduct such

operations in a proper, skillful and workman-like manner.(6)Subject to the provision under these rules, where mining operations have not commenced within a period of one year from the date of execution of the lease deed or discontinued for a cumulative period of six months during any calendar year after commencement of such operation, the Sanctioning Authority may, by an order, declare the Quarry Lease as lapsed and communicate the declaration to the lessee.(7)Where the lessee is unable to commence mining operation for a period exceeding one year or unable to continue mining after commencement for a cumulative period of six months during any calendar year, for reasons beyond his control, he may submit an application to Sanctioning Authority explaining the reasons at least ninety days before the expiry of such period.(8)There shall be paid, in respect of every application under sub-rule (7), a non-refundable fee of rupees five hundred, deposited in the Government treasury under the receipt head prescribed in sub-rule (3) of Rule 31.(9)The Sanctioning Authority of the lease shall, on receipt of an application made under sub-rule (7) and on being satisfied about the adequacy and genuineness of the reason for the non-commencement of mining operations or discontinuance thereof, pass an order before the date on which the lease would have otherwise lapsed, extended or refusing to extend the period of the lease :Provided that where the Sanctioning Authority on receipt of application under sub-rule (7), does not pass any order before the expiry of the date on which the lease would have otherwise lapsed, the lease shall be deemed to have been extended until the order is passed by the concerned authority or for a period of one year, whichever is earlier.(10)Where non-commencement of the mining operation is on account of delay in,-(i)acquisition of surface rights, or(ii)getting the possession of the leased area, or(iii)supply or installation of machinery, or(iv)getting Financial Assistance from banks or any financial institution,and the lessee is able to furnish documentary evidence supported by a duly sworn-in affidavit stating sufficient reasons for non-commencement of mining operations, the sanctioning authority may revoke the declaration/order through which the lease has lapsed.(11)The lessee shall, at his own expense, erect, maintain and keep in good repairs boundary marks and boundary pillars necessary to indicate the demarcation shown in the plan, at all times.(12)The lessee shall not carry on or allowed to be carried on, any mining operations in an area (areas) restricted as per sub-rule (2) of rule 5.(13)The lessee shall keep correct accounts showing the quantity and other particulars of all minerals obtained from the mine, date wise and quantities of dispatches/consumptions from the lease hold, the price obtained for such minerals, the name of the purchaser, the receipts for money received, the number or persons employed therein and shall allow all officers of the Directorate of Geology and Mining and any officer authorised by the Zila Panchayat/Janpad Panchayat/Gram Panchayat, in this behalf, to examine at any time any accounts and record maintained by him and shall furnish to the Collector and respective Zila Panchayat/Janpad Panchayat/Gram Panchayat such information and returns as may be required.(14)The lessee shall issue a transit pass, in Form-1 of the Chhattisgarh Minerals (Mining, Transportation and Storage) Rules, 2009, to accompany every carrier for every trip carrying mineral or product or products from leased area. The transit pass shall be prepared in duplicate in a book form. Duplicate copy shall be given to the driver of the carrier, after making the necessary entries. The Mining Officer shall issue the transit pass book, duly stamped and signed by him, on an application made by the lessee in Form-XIV. The lessee shall surrender all previous duplicate copies of used transit pass books together with unused transit pass books issued to him before the royalty is paid by him under clause (b) of sub-rule (1) and fresh transit passes are issued. The Mining Officer shall keep proper accounts of issued and used duplicate transit passes. The Mining Officer will keep

proper accounts of issued and used duplicate transit pass books and unused transit pass books deposited back by the lessee.(15)Whosoever transports minerals or their products like bricks, tiles lime, dressed stone, blocks, slabs, tiles, chips stone dust and ballast etc. without a valid pass under Form-1 of the Chhattisgarh Minerals (Mining, Transportation and Storage) Rules, 2009, or where the transit pass is found to be incomplete, distorted or tampered with, the Collector, Additional Collector, Chief Executive Officer of the Zila Panchayat/Janpad Panchayat and Gram Panchayat, Deputy Director, Mining Officer, Assistant Mining Officer or Mining Inspector may seize the mineral or its products together with all tools and equipment and the vehicle used for transport:Provided that the provisions of this sub-rule shall not apply for the purposes of clause (i) of rule 3.(16)The Collector, Additional Collector, Chief Executive Officer of Zila/Janpad Panchayat and Gram Panchayat, Joint Director, Deputy Director or Mining Officer, by an order in writing, may impose a penalty up to a maximum of rupees ten thousand but not less than rupees five thousand.(17)The seized mineral, its products, tools, equipment and vehicle may be released when the penalty so imposed is deposited.(18)If the penalty so imposed is not paid within 15 days from the date of the order of imposing the penalty, all the minerals, its product, tools, equipment and vehicles, etc. so seized shall stand forfeited and shall become the property of the State Government.(19)The lessee shall submit the records, books and accounts, for the purpose of assessment of royalty, to the concerned Assessing Authority, within thirty days from 30th June/31st December or whenever demanded by the Assessing Authority through a notice in writing. On failure, a penalty of one thousand rupees may be imposed for every month till the production of the said record.(20)The lessee shall,-(a)submit by the 10th day of every month, to the Collector and Gram Panchayat, a return in Form XV giving the total quantity of mineral/minerals raised, removed/consumed in previous month;(b)submit on or before 15th day of July and January, to the Collector, half yearly returns upto June and December in Form-XVI;(c)submit by the 31st January of every year, to the Collector a statement giving information under Form-XVII regarding quantity and value of mineral/minerals raised/removed/consumed during last calendar year, average number of labourers employed (men and women separately) and the number of days worked;(d)in case the lessee fails to submit the information in period/date as prescribed in clause (a), (b) and (c), a penalty of five hundred rupees per month or part thereof, shall be imposed till the said information in prescribed form is produced.(21)The lessee shall strengthen and support to the satisfaction of Railway Administration or the sanctioning authority, as the case may be, any part of mine which in its opinion requires such strengthening or support for the safety of any railway, bridge, national highway, reservoir, tank, canal, or any other public works or buildings.(22)If the lessee or his transferee or assignee does not allow entry or inspection under sub-rule (23), the sanctioning authority shall cancel the lease and forfeit, in whole or in part, the security deposit paid by the lessee under rule 46.(23)(i)The lessee shall allow officers authorised by the State or the Central Government and any officer authorised by the Zila Panchayat/Janpad Panchayat/Gram Panchayat to enter upon any building, excavation or land comprised in the lease for the purpose of inspecting the same.(ii)Every owner, agent or manager of a mine shall provide all necessary facilities to the persons deputed by the State Government for the purpose of undertaking research or training in matters relating to mining operations.(24)The lessee shall immediately provide to the Director General, Mines Safety of Government of India at Dhanbad, the Controller General of Indian Bureau of Mines of Government of India at Nagpur and the District Magistrate of the district in which the mine is situated, a notice under Form-XVIII appended to these rules, and shall comply with

provisions mentioned in Mines Act, 1952 and rules and regulations made thereunder at the time when, - (a) the working in the mine extends below superjacent ground; or (b) the depth of any open cast excavation measured from its highest to the lowest point exceeds 6 meters; or (c) the number of persons employed on any day exceed 50; or (d) any explosive are used. (25) The State Government shall, at all times, have the right of pre-emption of the minerals won from the land, in respect of which the lease has been granted : Provided that a fair market price prevailing at the time of pre-emption shall be paid to the lessee, for all such minerals. (26) In case of breach by the lessee or his transferee or assignee, of any of the conditions specified in sub-rule (1), (3), (4), (11), (12), or (13) of this rule, the Collector/Additional Collector shall give notice in writing to the lessee or his transferee or his assignee to show cause as to why such breach should not be penalized and directing him to remedy the breach within a period of thirty days from the date of the notice. On failure to show proper cause or if the breach is not remedied within such period, the sanctioning authority, without prejudice to any other action, shall determine the lease and forfeit, in the whole or in part, the security deposit or may alternatively receive from the lessee such penalty for the breach not exceeding four times the amount of the yearly Dead Rent as mentioned in column 5 of Schedule-IV but in any case shall not be less than rupees ten thousand, as the lessor may fix. (27) In case of breach of any conditions of the lease, by the lessee or his transferee or assignee, the sanctioning authority shall require the lessee to pay a penalty not exceeding an amount equivalent to twice the amount of annual Dead Rent as mentioned in column 5 of Schedule-IV but in any case shall not be less than rupees five thousand. (28) A Quarry Lease may contain such other conditions as the sanctioning authority may deem necessary in regard to the following, namely, - (a) the lime limit, mode and place of payment of rents and royalties; (b) the compensation for damage to the land covered by lease; (c) the felling of trees; (d) the restriction of surface operation in any area prohibited by any authority; (e) the notice by lessee for surface occupation; (f) the facilities to be given by the lessee for working other minerals in the leased area or adjacent areas; (g) the entering and working in an reserved or protected forest; (h) the security of pits and shafts; (i) the reporting of accidents; (j) the indemnity to State Government against claims of third parties; (k) the maintenance of sanitary conditions in the mining area; (l) the delivery of possession over lands and mines on the surrender, expiration or determination of the lease; (m) the forfeiture of property left after determination of the lessee; (n) the power to take possession of plant, machinery, premises, and mines in the event of war or emergency; (o) the manner in which rights of third parties may be protected (whether by way of payment of compensation or otherwise) in cases where any such party is prejudicially affected by reason of any mining operation; (p) the manner in which rehabilitation of flora and other vegetation such as trees, shrubs etc., destroyed by reason of any Mining Operation, shall be made in the same area or in any other areas selected by the State Government, by way of reimbursement of the cost of rehabilitation or otherwise, by the person holding the Quarry Lease; (q) the construction, maintenance and use of roads, power transmission lines, tramways, railways, aerial rope ways, pipelines and making of passage for water for mining purposes on any land comprised in a mine or other mineral concessions.

52. Special conditions.

- A Quarry Lease may contain any other special conditions as may be specified by the State Government.

53. Establishment of cutting and polishing units.

(1) Notwithstanding anything contained in sub-rule (5) of rule 51, in respect of Quarry Leases of minerals specified in Schedule-I, granted for the establishment of a cutting and polishing unit, if the unit is not established within a period of one year, from the date of execution of lease/leases in the State, the said lease/leases shall be deemed to be terminated. (2) Where the lessee is unable to establish cutting and polishing unit within one year from the date of execution of lease/leases, he may submit an application to the Director explaining the reason for the same before the expiry of the said period. (3) Every application under sub-rule (2) shall be accompanied by non-refundable fee of five thousand rupees. (4) The Director may, on receipt of an application made under sub-rule (2) on being satisfied on the adequacy and genuineness for the non-establishment of cutting and polishing unit, pass an order for extension of the period up to one year to establish cutting and polishing unit. (5) The lessee can transport inter-state or export the set quantity of rough blocks within the first year of the Quarry Lease or the period extended under sub-rule (4), as may be permitted by the State Government.

54. Rights of lessee.

- Subject to the conditions specified in rule 51, the lessee, for the purposes of mining operations with respect to the land leased to him, shall have the right (i) to work the mines; (ii) to sink pits and construct building and roads; (iii) to erect plant and machinery; (iv) to mine and obtain building and road materials and make bricks, but not for the purposes of sale; (v) to use water; (vi) to use land for stacking purpose; and (vii) to do any other thing specified in the lease.

55. Right to determine lease.

- The lessee may determine the lease at any time by giving not less than six months notice in writing to the sanctioning authority after paying all outstanding dues to the Government and complying conditions of reclamation of quarry closure plan if applicable.

56. Transfer of Quarry Lease.

(1) No lessee shall transfer or sub-let his lease to any other person, nor make any arrangement with anybody, thereby creating any right, direct or indirect, over the area leased; Provided that the permission for transfer may be granted to the lessee by the sanctioning authority on payment of twenty five thousand rupees per hectare or part thereof, deposited in the same manner as prescribed in sub-rule (3) of rule 31: Provided further that in case of transfer of quarry lease, granted in government land, such transfer fee will be rupees fifty thousand per hectare or part thereof. (2) The sanctioning authority, may by an order in writing, determine the lease at any time if in the opinion of the sanctioning authority the lessee has committed a breach of sub-rule (1). (3) On receiving an application Lease under sub-rule (1), for transfer of Quarry Lease, the sanctioning authority has given consent for transfer of such lease, a transfer lease deed under Form-XIX shall be executed within three months from the date of permission or within such further period as the sanctioning

authority may allow in this behalf.

57. Amalgamation of leases.

(1)The Director may, in the interest of mineral conservation and development, record in writing and permit amalgamation of two or more adjoining leases held by a lessee/lessees,(2)Lessee/lessees shall submit an application for amalgamation alongwith a common Quarry Plan for leases proposed for amalgamation.(3)There shall be paid, in respect of every application for amalgamation of leases, a non-refundable application fee of rupees ten thousand.(4)Period of amalgamated leases shall be co-terminus with the lease whose period expires first.(5)The leases situated within the distance of 50 meters, from each other in all directions, may be treated as adjoining leases :Provided that amalgamation of leases shall not be allowed where any all-weather road or nala or river or canal or high-tension power line or railway line or any other restricted structure is falling within the above mentioned area of 50 meters.(6)The area between the lease as mentioned in sub-rule (5) shall be the part of the amalgamated lease.

Chapter VII

Grant of Quarry Permit in respect of minerals specified in Part-C of Schedule-I and Part-A of Schedule-II

58. Procedure for grant of Quarry Permit.

(1)(i)The Collector shall grant Quarry Permit for extraction, removal and transportation of any Minor Mineral specified in Part-C of Schedule-I and Part-A of Schedule-II from any specified land which may be required for the works of any department or undertaking of the Central Government or State Government.(ii)Such permission shall only be granted to either the concerned departmental authority or its authorised contractor on furnishing proof of award of contract.(iii)An application for Quarry Permits shall be made to the Collector of the concerned district in Form-XX along with an application fee of rupees one hundred. Every such application shall be acknowledge in Form III on the date of its receipt.(iv)A register of applications of Quarry Permit shall be maintained in Form-XXI.(v)The Collector shall grant such Quarry Permit in Form-XXII after satisfaction of the need and availability of mineral, on such conditions as he deems fit.(2)Area of Quarry Permit shall not exceed the one hectare and duration of one year and the quantity of mineral shall not exceed the quantity required for carrying out the particular work/works for which the permit has been granted.(3)The transit pass for transportation of mineral in Form-1 of the Chhattisgarh Minerals (Mining, Transportation and Storage) Rules, 2009 shall be issued on payment of advance royalty only.(4)The Quarry permit shall be governed by the following conditions, namely:-(a)The holder of Quarry permit shall maintain complete and correct account of the mineral removed and transported from the area;(b)The holder of Quarry permit shall allow Deputy Director/Mining Officer/Assistant Mining Officer/Mining Inspector or any officer authorised by the Collector or Zila Panchayat/Janpad Panchayat/ Gram Panchayat to inspect quarrying operations and verify the accounts;(c)No sooner the permitted quantity is transported within the time period of 30 days or

earlier, original of all transit pass, such unused transit passes together with a complete statement of the quantities duly certified by the Officer of the concerned department shall be furnished to the Sanctioning Authority;(d)The holder of Quarry permit shall obtain all permissions/consents from the competent authority under any Act and Rules applicable for excavation or removal of the minerals from the area;(e)The holder of Quarry permit shall submit by the 10th of every month, to the Collector and Gram Panchayat, a return in Form-XV;(f)Any other condition, the sanctioning authority may deem fit.

59. Permission for disposal of minor minerals obtained during excavation work.

(1)The Collector shall grant permission for removal and use of any such Minor Minerals obtained during deepening or widening Panchayat ponds/ tanks, well, water reservoir or any other digging work.(2)The said permission shall be granted on payment of an amount equivalent to royalty of such mineral in advance, for the specified quantity and period.

60. Permission for disposal of Minor Minerals obtained during excavation work within Mining Lease area granted under the Mines and Mineral (Development and Regulation) Act, 1957.

- The Collector shall grant permission for transportation or use of any Minor Minerals obtained during mining operations within the mining lease area for the purpose of construction activities of the Government including local government bodies:Provided that in case of use of Minor Mineral, collected within the Mining Lease area, by other than works department of the State Government, Collector shall sell it through auction. Royalty shall be paid in advance for the said sold Minor Mineral at prescribed rates.

Chapter VIII

Quarrying Operations

61. Opencast working.

(1)In opencast working, the benches formed shall be so arranged that the benches in mineral and overburden are separated so as to avoid mixing or wastage of mineral.(2)(i)In alluvial soil, murrum, gravel, clay or other similar ground, the sides shall be slopped at an angle of safety, not exceeding 45 degrees from horizontal or such other angle as the Competent Authority may permit by an order in writing;(ii)the sides shall be kept benched, and the height of any bench shall not exceed 1.5 meter and the breadth there of shall not be less than the height;(iii)the benches in overburden shall be kept sufficiently in advance so that their working does not interfere with the working of mineral;(iv)the overburden and waste material obtained during quarrying operations shall not be allowed to be mixed with non-saleable or sub-grade minerals. They shall be dumped and stacked separately;(v)the quarrying operations shall be carried out in workmen-like-manner and in

accordance with the provisions of the State and Central Acts and rules and regulations made thereunder, wherever applicable;(vi)if in the opinion of the Collector of the concerned district or any officer authorised by the State Government, the compliance with the provisions thereof is not reasonably practicable, he may, by an order in writing and subject to such conditions as he may specify therein, exempt from the operation of these rules for any workings in those cases in which special difficulties exist.

62. Exemptions.

- Subject to the exemptions granted under the Mines Act, 1952 (No. 35 of 1952) and rules made thereunder, the lessees shall comply with all provisions of the said Act and rules.

Chapter IX

Protection of Environment

63. Protection of environment.

(1)Every holder of Quarry Lease shall take all possible precautions for the protection of environment and control of pollution while conducting quarrying operation in the following manner, namely--(a)Wherever top soil exists and is to be excavated for quarrying operation, it shall be removed separately;(b)The top soil so removed shall be stored for future use;(c)The dumps shall be properly secured to prevent escape of material therefrom and cause land degradation or damage to agricultural fields, pollution of surface water bodies or cause floods;(d)The site of dumps shall be selected, as far as possible, on impervious and barren ground within the leased area; and(e)The top soil dumps shall be suitably terraced and established through vegetation or otherwise.(2)The top soil so removed shall be utilised for restoration or rehabilitation of the land which is no longer required for quarrying operations.(3)Removal, storage and utilisation of overburden etc.--(a)Every holder of an Quarry Lease/Quarry Permit shall take steps so that the over burden, waste rock, rejects and fines generated during quarrying or during sizing shall be stored in separate dumps;(b)The dumps shall be properly secured and shall be suitably terraced and stabilised through vegetation or otherwise;(c)Wherever possible, the waste rock, over burden etc. shall be back-filled into the mined out area excavations with a view to restoring the land to its original use as far as possible.

64. Reclamation and rehabilitation of lands.

- Every holder of Quarry Lease shall,--(i)Undertake the phased restoration, reclamation and rehabilitation of lands affected by quarrying operations and shall complete this work before the conclusion of such operations and the abandonment of quarry;(ii)Carry out quarrying operations in such a manner so as to cause least damage to the flora of the area held under Quarry Lease and the nearby area;(iii)Every holder of a Quarry Lease/Quarry Permit shall,--(a)take immediate measures for planting in the same area or any other area selected by the Collector not less than twice the number of trees destroyed by reason of any quarrying operations;(b)look after them during the

subsistence of the lease after which the trees shall be handed over to the Gram Panchayat of the area in which the quarries situated; and(c)restore to the extent possible other flora destroyed by quarrying operations.(iv)Upon failure to observe these rules by the holder of a Quarry Lease/Quarry Permit, the Sanctioning Authority shall recover the cost of rehabilitation and reclamation from financial assurance deposited by the holder of lease/permit under Rule 29.

65. Precautions against damage to public places, etc.

- Every holder of a Quarry Lease or institution responsible for removal of Minor Minerals, ordinary sand and bajri, specified in Part-B of Schedule-II, shall take adequate precautions against damage to public buildings, monuments, roads, religious places either within the lease/specified area or in proximity to the lease/permit/specified area.

66. Measures against air, water and environment pollution, etc.

- Every holder of a Quarry Lease or institution responsible for removal of Minor Minerals ordinary sand and bajri, specified in Part-B of Schedule-II, shall take all necessary measures for avoiding air and water pollution and protection of Environment, and shall obtain necessary consent, if applicable, from competent authority, required under the Water (Prevention and Control of Pollution) Act, 1974 (No. 6 of 1974), the Air (Prevention and Control of Pollution) Act, 1981 (No. 14 of 1981) and the Environmental (Protection) Act, 1986 (No. 29 of 1986) and rules made thereunder and shall take all necessary steps/actions as mentioned in the consent during the course of quarrying/removal operation, as the case may be.

67. Provisions for cluster mining.

(1)"Cluster" shall mean the geographical boundary declared by the State Government, comprising of Quarry Lease/ Quarry Permits for Minor Minerals which already exists or will be granted in future. The area of a cluster, as far as possible, shall not exceed 500 hectares and mineral concessions area, at the time of formation of cluster, shall not be less than 50 hectares. For cluster having area less than 500 hectares, the minimum area under concession should be proportionate.(2)No Quarry Lease/Quarry Permits shall be granted without a proper Quarry Plan including the Regional Environment Management Plan (EMP) in a cluster. For clusters of leases/permit, a Regional Environment Management Plan shall be prepared by association of lessees/permit holders of the cluster through qualified person/agency and submitted to the Competent Authority under the Environment (Protection) Act, 1986 for Environment Clearance/Consent.(3)Small leases/permit holders falling in a cluster shall form an association for the implementation of Regional Environment Management Plan approved by the Competent Authority. Any lessee/permit holder within the boundary of cluster shall be deemed to be a member of the association. Such associations shall be registered under the provisions of the relevant laws.(4)The objectives of Regional Environment Management Plan shall be to manage the Regional Environment risk and the Regional Environment Management Plan shall primarily comprise of the following issues, namely :- (i)removal and utilisation of top soil;(ii)storage of overburden waste rock, etc.:(iii)reclamation and rehabilitation of lands;(iv)precaution against air pollution;(v)discharge of effluents;(vi)precaution

against noise;(vii)restoration of flora and fauna;(viii)water management;(ix)risk management; and(x)integrated environmental management.

68. Quarry lease or permit undertaken before the commencement of these rules.

- Where quarrying operation, under any Quarry Lease or Permit, have been undertaken before the commencement of these rules, without an approved Environment Management Plan/Scheme, as the case may be. from the Competent Authority, the holder of all such Quarry Leases/Permits shall submit approved Environment Management Plan/scheme, at the time of renewal or within six months from the commencement of these rules, whichever is earlier of such quarry.

69. Penalty.

- Contravention of any of the provisions of Rule 63 to 65 shall be punishable with imprisonment for a term which may extend up to three months or with fine which may extend to five thousand rupees or with both. In case of continuing contravention, an additional fine of twenty five hundred rupees for every day during which such contravention continue after conviction for the first such contravention, shall be imposed.

Chapter X

Assessment of Royalty

70. Assessment and determination of royalty.

(1)Assessment and determination of royalty due from an assessee during an assessment year or as required, shall be made by the Assessing Authority after the returns in respect of that year have been filed by the assessee as required under the terms and conditions of the lease deed or the statement of production, dispatches or consumption has been submitted by the lease/permit holder :Provided that the Assessing Authority may make a provisional assessment for a particular period during the assessment year after the receipt of returns in respect of that period.(2)For the purpose of assessment of royalty as mentioned in sub-rule (1), the assessee shall submit monthly returns under Form-XV by the 10th of the following month and annual return under Form-XVII within one month from the expiry of the assessment year.(3)If the assessee fails to submit returns as required under sub-rule (2) or the returns filed appear to be incorrect, the Assessing Authority may hold such inquiry as it may deem fit and assess royalty of the assessment year :Provided that the Assessing Authority shall give reasonable opportunity of being heard to an assessee before taking any action under this sub-rule.(4)For the purpose of sub-rule (3), the Assessing Authority shall serve a 15 days notice upon the assessee requiring him to be present on such date and place specified in the notice, to produce any evidence on which the assessee relies upon in support of the correctness of the returns, statement and records furnished by him and to produce or cause to be produced such accounts pertaining to the assessment year as the Assessing Authority may require.(5)On the day

specified in the notice, given in sub-rule (4), or on any other day thereafter which the Assessing Authority may fix, the Assessing Authority after hearing and considering the evidence as may be produced by the assessee in this behalf, shall make an order in writing or assessment of royalty payable by the assessee.(6)Notwithstanding anything contained in these rules or in the agreement of Quarry Lease, if the assessee contravenes any of the provisions of sub-rule (2), (4) and (5) or has not adopted any method of regular accounting on the basis of which assessment can be made properly, then the Assessing Authority shall assess the royalty to the best of its judgment and may impose for each of the contravention, a penalty of 50% of annual Dead Rent as mentioned in column (5) of Schedule IV.(7)If an assessee fails to submit monthly returns, under Form-XIV under sub-rule (2), for any month within the prescribed time limit and if the Assessing Authority has reasons to believe that the assessee has evaded or avoided payment of royalty, the Assessing Authority shall, after giving to assessee a reasonable opportunity of being heard and after making such inquiry as it may consider necessary, assess the royalty for the period to the best of its judgment which shall be payable forthwith by the assessee.

Chapter XI

Penalty for Unauthorised Extraction and Transportation

71. Penalty for unauthorized extraction and transportation.

(1)Whenever any person is found extracting or transporting minerals or on whose behalf such extraction or transportation is being made, otherwise than in accordance with these rules, shall be presumed to be a party to the illegal extraction of minerals and every such person shall be punishable with simple imprisonment for a term which may extend to one year or with fine which may extend to twenty five thousand rupees or with both.(2)Whenever any person is found extracting or transporting mineral in contravention of the provisions of these rules, the Collector/Joint Director/ Deputy Director/Mining Officer/Assistant Mining Officer/Mining Inspector or any Officer authorised by him or Zila Panchayat/Janpad Panchayat/Gram Panchayat, may seize the minerals and its products together with all tools, equipments and vehicles used in committing such offence.(3)The officer seizing such illegally extracted or transported mineral or its product, tools, equipments and vehicles shall give a receipt of the same to the person from whose possession such things were so seized and shall make report to the Magistrate having jurisdiction to try such offence.(4)The property so seized under sub-rule (2) shall be released by the officer who seized such property on execution of a bond to the satisfaction of the officer by the persons from whose possession such property was seized. It shall be produced at such time and place when production is asked for by such officer :Provided that where a report has been made to a Magistrate under sub-rule (3) then the seized property shall be released only under the orders of such Magistrate.(5)The Collector/Joint Director/Deputy Director/Mining Officer or any officer authorised by Zila Panchayat/Janpad Panchayat/Gram Panchayats may, either before or after the institution of the prosecution, compound the offence so committed under sub-rule (1) on payment of market value of mineral so extracted or transported and such fine which may extend to double the market value of mineral so extracted or transported, but in no case it shall be less than five thousand rupees or ten times of royalty of minerals so extracted whichever is higher ;Provided that in case of

continuing contravention, the Collector/Deputy Director/Mining Officer may, in addition to the fine imposed also recover an amount of one thousand rupees for each day till such contravention continues.(6)Where an offence is compounded under sub-rule (5), no proceeding or further proceeding, as the case may be, shall be taken against the offender in respect of the offence so compounded, and the offender, if in custody, shall be released forthwith.(7)Any person who trespasses on any land in contravention of these rules shall be served with an order of eviction by the Collector.(8)All property seized under sub-rule (2) shall be liable to be confiscated, by an order of the Magistrate trying the offence, if the amount of the fine and other sums imposed are not paid within a period of one month from the date of the order :Provided that on payment of such sum within one month of the order all property so seized shall be released except that the mineral or its products, so seized mineral or its products under sub-rule (2) shall be confiscated and shall be the property of the State Government.(9)The Authorities empowered to take action under this rule, if deem necessary, request to the Police Authority in writing for the help of Police and the Police Authorities shall render such assistance as may be necessary to enable the officer to exercise the powers conferred on them by this rule to stop illegal extraction and transportation of minerals.(10)(i)Subject to such conditions as may be specified, the Collector may authorise, either generally or in respect of particular case or class of cases, any officer not below the rank of assistant mining officer to investigate all or any offence punishable under this rule;(ii)Every officer so authorised to conduct such investigation, shall exercise the powers conferred upon the officer-in-charge of a police station by the Code of Criminal Procedure, 1973 (No. 2 of 1974) for the investigation of a cognizable offence;(iii)The investigation officer for the purposes of this rule shall exercise the powers of the Code of Civil Procedure, 1908 (No. 5 of 1908) in respect of the following matters, namely-(a)Enforcing the attendance of any person and examining him on oath or affirmation;(b)Completing production of documents.

Report of accident:-(9)The Licensee/Licensees shall within twenty-four hours send to the Director, Geology and Mining, Collector of concerned district a report of any accident causing death or serious bodily injury to property or seriously affecting or endangering life or property which may occur in the course of the prospecting operation under this licence.

(10)The Licensee, in case of prospecting of granite and marble, shall abide all the provisions of the Granite Conservation and Development Rules, 1999 and the Marble Development and Conservation Rules, 2002 and the rules as amended from time to time, as the case may be, and shall not carry on estimation or other operations under the said Licence in any way other than as prescribed under these rules.

Plugging of bore holes, fencing etc., and restoring the surface land after determination or abandonment:-(11)Save in the case of land over which the Licensee/Licensees shall have been granted, a Quarry Lease, on or before the expiration or sooner determination of the licence, he shall within three months next after the expiration or sooner, determination of the licence or date of abandonment of the undertaking, whichever shall first occur, securely plug any bore or hole and fill up or fence any holes or excavations that may have been made in the lands to such an extent, as may be required by the Collector concerned and shall to a like extent restore the surface of the land and all buildings there on which may have been damaged or destroyed in the course of prospecting. Provided that Licensee/Licensees shall not be required to restore the surface of the land, or any building in respect of which full and proper compensation has already been paid.

Removal of machinery etc., after expiration, determination or abandonment :-(12)Upon expiration or sooner determination of this licence, the Licensee/Licensees shall remove expeditiously not later than thirty days at his/ their own cost all buildings, structure, plant, engines, machinery implements, utensils and other property and effects therefore erected or brought by the Licensee/Licensees and then standing or being upon the said lands by the Licensee/ Licensees under the authority of these presents and then being upon the said lands :Provided that this covenant shall not apply to any part of the said lands which may be comprised in any Quarry Lease granted to the Licensee/Licensees. If the machinery etc. is not removed within-specified period then it shall be deemed to have become Government property.

Report of work done before the refund of security deposit:-(13)At any time before the said security deposit as refunded to him/them or transferred to any other account or within one month after the expiration or sooner determination of the license or abandonment of the operations, whichever is earlier, the Licensee/Licensees shall submit to the Director and concerned Collector a full report of the work done by him/them and disclose all information acquired by him/them in the course of the operations carried on under this licence regarding the geology and mineral resources of the area covered by the licence.

Report of information obtained by Licensee :-(14)The Licensee shall submit to the State Government within ninety days of the expiry of the licence, or abandonment of operations or termination of the licence, whichever is earlier, a final report of the work done by him and all information relevant to mineral resources acquired by him in the course of prospecting operations in the area covered by the licence. Final report shall indicate the quality and quantity of proved and probable reserves of mineral.

Part-III Powers of the GovernmentIt is hereby agreed as follows :-(1)In the case of any breach of any condition of the licence by the Licensee/Licensees or his assignees, the competent authority shall give a reasonable opportunity to the Licensee/Licensees of stating him/their case and

where it is satisfied that the breach is such as cannot be remedied, on giving thirty days notice to the Licensee/Licensees or his assignees, determine the license and/or forfeit the whole or any part of the said security deposit of rupees.....deposited under the covenant in that behalf as the Competent Authority may deem fit. In case the Competent Authority considers the breach to be of a remediable nature, it shall give notice to the Licensee /Licensees or his assignees, as the case may be, requiring him/them to remedy the breach within fifteen days from the date of receipt of the notice informing him of the penalty proposed to be inflicted if such remedy is not made within such period. If the breach is not remedied within prescribed period the licence shall be cancelled with forfeiture of the security deposit.

Part-IV Right of Licensee/LicenseesIt is hereby further agreed as follows :-**Preferential right of the Licensee/Licensees for obtaining Quarry Lease** :-(1)Where a Prospecting Licence has been granted in respect of any land, the Licensee shall have a preferential right for obtaining a Quarry Lease in respect of that land over any other persons, provided that the sanctioning authority is satisfied that the licensee/licensees, has/have undertaken prospecting operations to establish reserves in such land; has not committed any breach of the terms and conditions of the prospecting licence; and is otherwise a fit person for being granted the Quarry Lease.

Refund of deposit:- (2)Security deposit made under rule 13, if not forfeited under these rules, shall be refunded to the applicant as soon as the report referred under rule 16(8) (a) is submitted.

Part-V General ProvisionsIt is lastly agreed as follows :-**Delay in fulfilment of the terms of licence due to force majeure** :-**Discovery of new mineral**:- (1)The Licensee shall report to the Collector and Director or any officer authorized by him, the discovery of any mineral not specified in the licence within a period of thirty days from the date of such discovery and shall not undertake any prospecting operations in respect of such mineral unless such mineral is included in the licence. Provided that in case of discovery of any mineral not specified as minor mineral, the Licensee shall have no right for including that mineral in the licence under these rules.

Service of notices :- (2)Every notice required to be given to the Licensee/Licensees shall be given in writing to such person as the Licensee/ Licensees may appoint for the purpose of receiving such notices or if no such appointment is made then the notice shall be sent to the Licensee/Licensees by registered post addressed to him/them at the address shown in his/their application for the licence or at such other address in India as he/they designate from time to time and every such service shall be deemed to be proper and valid service upon the Licensee/Licensees and shall not be questioned or challenged by him.

Immunity of Competent Authority from liability to pay compensation :- (3)If in any event the orders of the Competent Authority are revised or cancelled by the Director and State Government in pursuance of proceedings under Chapter XIV of the Chhattisgarh Minor Mineral Rules, 2015, the Licensee/Licensees shall not be entitled to compensation for any loss sustained by the Licensee/Licensees in exercise of the powers and privileges conferred upon him/them by these presents. In witness whereof these presents have been executed in the manner hereunder appearing the day and year first above written.
