(ii) Amount not exceeding Rs. 75/- per month towards the cost of special diet, if any, prescribed by the Medical Officer of the Sanatorium under the conditions laid down in sub-clause (v) of clause (2) above for such employees. (iii) Charges for non-reimbursable medicines not exceeding Rs. 50/- per month shall also be paid on the conditions as laid down in clause (2) above for such charges. (iv) Travelling Allowance as provided in sub-clause (iv) of clause (2) of this rule. (b) During institutional treatment in a private Sanatorium ordinary medicines reimbursable under the Rules shall also be reimbursable on certification by Medical Officer incharge of the private Sanatorium. (5) Subject to the provisions contained in rule 5, the concessions laid down in this rule shall also be admissible to the members of family of the Government servants on the conditions on which they are admissible to Government servants themselves provided the treatment is taken as indoor patient and not otherwise.

11.

(1) A Government servant who is retired from service on pension or with Contributory Provident Fund benefits shall be entitled to the following concessions:-(a) Free medical attendance and treatment in a Government Hospital/Clinic as an indoor and outdoor patient except (i) reimbursement of cost of medicines, vaccines, sera or other therapeutic substances purchased from the market on the advice of Authorised Medical Attendant (ii) consultation fee charged by the Authorised Medical Attendant for attendance at his residence (iii) fee charged by Compounder, Nurse for administering injection at his residence. (b) Free accommodation in the Government Hospital of the category to which he was entitled immediately before retirement subject to availability under rule 4 (1) (a) of these rules. Order:- According to Rule 11 (1) (b) of the Rajasthan Civil Services (Medical Attendance) Rules, 1970, a retired Government servant is entitled to free accommodation in the Government Hospital of the category to which he was entitled immediately before retirement. As the accommodation in the Hospital is to be provided according to their status based on pay which they were drawing at the time of retirement, difficulty is faced by the Hospital authorities in the verification of the status of the retired Government servant and the pensioners are asked to produce certificate of last pay drawn. The matter has been examined and the Governor has been pleased to order that in the case of Government servants (non-gazetted and gazetted) retiring on or after the date of issue of these orders an extra copy of Last Pay Certificate be given invariably

to the pensioner at the time of retirement by the Head of Office or Treasury Officer as the case may be. On the basis of such Last Pay Certificate received by the pensioner it would be possible to verify his status by the Hospital authorities. In respect of those retired before the issue of these orders a certificate of last pay drawn may be given by the Head of Office /Head of Department. (2) In case of a Government servant who dies while in service after retirement, the concession provided in sub-rule (1) shall be admissible to the person who is in receipt of family pension. The procedure prescribed in sub-rule (4) shall mutatis mutandis also apply in their case. (3) The wife of a retired Government servant wholly dependent upon him shall also be entitled to concessions provided in sub-rule (1). (4) (i) Every retired Government servant who avails himself of these concessions under this rule shall be required to sign a declaration on each occasion before the Medical Officer in charge of Hospital/Dispensary in the following form :- "I hereby declare that-(i) I am not employed in any Government department, autonomous bodies like Municipalities, Universities etc., grant-in-aid institutions, public sector or private sector undertakings, statutory or non-statutory corporation, companies and commercial or industrial firms etc., and that I am not carrying on any business or trade to earn my livelihood. (ii) That my wife is wholly dependent upon me. Signature Designation of the post held at the time of retirement P.O./C.P.F. A/c No. (Strike out which is not applicable) (ii) Every retired Government servant who avails himself of the concession indicated in sub-rule (1) of this rule shall be required to produce his pension payment order or a certificate from the Head of office or Department to the effect that he retired from Government service with Contributory Provident Fund Benefits, as the case may be, before Medical Officer Incharge of Hospital/Dispensary for the purpose of identification.

11A. [Added new rule 11-A vide F.D. Notification No. F. 12 (2) F.D. (Gr. 2)/78 dated 8-1-1981.]

A retired judge of the Rajasthan High Court, who can not avail himself of the medical facilities available under Central Government Health Scheme on account of non existence of such a Scheme at the place where he resides in the State, shall be entitled to the Medical facilities and concessions to the extent indicated in Rule 11 of these Rules.] [Inserted by Notification F. 12(12) FD (Gr.2)/82, dated 13.6.1994, Published in Rajasthan Rajpatra, part 4 (ga)(i) Extraordinary, dated 5.8.1994, page 75 (1).]

12. Savings.

- Nothing in these rules shall be deemed to-(1) entitle a Government servant to reimbursement of any cost incurred in respect of medical services obtained by him or to travelling for any journey performed by him otherwise than as expressly provided in these rules; or (2) prevent the Government from granting to a Government servant any concession relating to medical treatment or attendance or travelling allowance for any journey performed by him which is not authorised by these rules.

13.

Important Orders(I)Subject: Scrutiny of Claims for Medical Reimbursement.Cases of suspicious claims made by some Government servants, on account of medical reimbursement, have been brought to the notice of the Government from time to time. The Government have considered the matter and have decided that in order to minimize the chances of doubtful or false claims and also to keep a close watch over the medical reimbursement claims, the following instructions are laid down :-(1)Register of Medical reimbursement claim bills, as per the. proforma, appended herewith shall be opened with effect from 1st April, 1970 wherein the bills be entered immediately, the moment they are presented. The entries will be signed by the Upper Division Clerk/Accounts Clerk/Accountant maintaining the Register and the authority competent to countersigned such claims under Rajasthan Civil Services (Medical Attendance) Rules, 1970. The register shall be open to inspection by inspecting authorities and also, by the Accountant General or his representative. In case of Government Secretariat, every Secretary of the Administrative Department shall nominate one of the Deputy Secretaries who shall exercise control over the medical reimbursement claims presented by all the Gazetted as well as non-Gazetted Government servants posted in his administrative Department and shall also sign the entries in the Register before passing on claims to the Accounts Officer of the Secretariat for arranging payment.(2)If the medical reimbursement claims of a Government servant drawing pay of less than Rs. 500/-, amounts to Rs. 1,000/- or more in a year, the countersigning authority shall scrutinise them fully to find out the genuineness of such claims. In the case of other Government servants, the countersigning authority should scrutinise the cases of such of them Rs. 1,000/- or their one month's pay whichever is higher. In such cases, the countersigning authority, in his discretion, may refer for special medical check up by an authority higher than the Authorised Medical Attendant who is treating the patient. The term 'pay' used in this para means pay as defined in rule 7 (24) of Rajasthan Service Rules excluding special pay and dearness pay.(3)(i)Where the countersigning authority, after careful scrutiny as indicated above

finds the medical reimbursement claim prima-facie false, wholly or partially, he will send a comprehensive report, supported by the documentary evidence collected during the scrutiny of the claim, to the Appointing Authority or Government as the case may be, who may after further verification, if necessary, and after satisfying about the correctness of the report so received and after arriving at a decision that the action under criminal law is desirable will refer the matter to the Anti Corruption Department for the registration of the case and investigation in terms of the instructions as laid down in Government Circular No. F. 6 (10) Appts. (A-IIU/67, dated 12-4-1967, a copy of which is enclosed for ready reference, When the countersigning Authority is himself the Appointing Authority, he may report the matter to the Anti Corruption Department.(ii)Where a prima-facie case of forgery or cheating is made out, the Countersigning authority shall straight-away hand over the case to the police by lodging F.I.R.(F.D. Order No. F. 1 (4) F.D. (Rules)/70. dated 1-6-1970).Register of Medical Reimbursement Claim Bills

Copy of Government Circular No. F. 6(10) Appts. (A-III) /67, dated 12-4-67. Reference is invited to the Circulars No. F. 23 (36) Appts. (A)/57, dated 22-8-1957 and 25-4-60, issued by this Department in which it was laid down that all complaints (including anonymous or pseudonymous complaints) of corruption, bribery, criminal misconduct, misappropriation of Government funds, embezzlement etc. should be transferred to the Special Inspector General of Police, Anti-Corruption Department in respect of all Government servants, whether Gazetted or Non-gazetted. It was further desired that in such cases as are found fit for prosecution in a Court of Law by the Anti-Corruption Officer no departmental enquiry should be conducted prior to issue of sanction' for prosecution or even when

prosecution had advanced, except with the specific consent of the Anti-Corruption Officer. In cases of embezzlement, however, an exception was made that departmental enquiry could be instituted simultaneously alongwith police investigation. As a result of the review of the working of the above arrangements the Government are of the view that the responsibility for preliminary enquiry into complaints of corruption against Non-gazetted officers should primarily rest with the Departments concerned; except when specifically provided otherwise. The Government have, therefore, decided that in partial modification of the Circular referred to above the following procedure shall hence forth be followed :- (1) All complaints of corruption etc. against Gazetted Government servants shall continue to be referred to the Anti-Corruption Officer as before. (2) All complaints of corruption etc. against Non-gazetted Government servants of the Police Department shall also be referred to the Anti-Corruption Department as before. (3) All complaints of corruption etc. against Non-gazetted public servants (other than those of the Police Department), received from whatever source shall not normally be sent to the Anti-Corruption Officer, but shall first be dealt with by the Head of the Department concerned by initiating proper preliminary enquiry. Only those cases in which preliminary enquiry has disclosed facts which warrant criminal action need be sent to the Anti-Corruption Officer for registration of a regular investigation. The Head of the Department may in his discretion refer a case to Anti-Corruption Department even after final Departmental enquiry has been held if the circumstances so warrant. The Head of the Department shall be assisted in this work by the Vigilance Officer appointed for his Department by the Vigilance Commissioner. (4) The complaints against Non-gazetted public servants (other than those of the Police Department) received direct by the Government, the Vigilance Commission or the Anti-Corruption Department shall, when it is not proposed to initiate police investigation straight away, be forwarded to the Head of the Department concerned for departmental action. (5) The Deputy Inspector General of Police, Anti-Corruption Department may of his own motion or on advice from the Vigilance Commissioner start action on any complaint of corruption etc. against a non-gazetted public servant in any particular case and inform the concerned Head of the Department. In such case the Head of the Department shall not initiate departmental action except with the consultation of the Anti-Corruption Department. (6) All Heads of the Department shall send a quarterly return in the enclosed proforma to the Deputy Inspector General of Police, Anti-Corruption Department in respect of the Departmental Enquiries on charges of corruption dealt with during the quarter so as to reach him by seventh of the month following. (a) From the public direct by the Department or its subordinate offices. (b) From the A.C.D. (c) From the Vigilance Commission. (d) From the Government. Total (II) Sub: Scrutiny of claims for Medical Reimbursement. In this Department Order of even number dated 1-6-70 on the subject noted above, paragraph 2 required that medical reimbursement claims of a Government servant drawing pay less than Rs. 500/- p.m. should be subject to close scrutiny by the Countersigning Authority so as to ascertain genuineness of claims if the total amount involved in medical claims presented by an employee in any financial year comes to Rs. 1,000/- or more.

2. In some quarters, a wrong impression seems to have been created that medical claims aggregating to less than Rs. 1,000/- in a financial year do not require scrutiny by the countersigning authority and such claims may be passed as a matter of course.

3. It is hereby clarified that every claim for medical reimbursement irrespective of the amount involved is required to be scrutinised by the countersigning authority thoroughly and in case of any doubt regarding genuineness of the claim the countersigning authority may, if the circumstances of the case warrant, proceed to take action in the matter laid down in para 2 and 3 of the aforesaid order. In all cases where the total amount drawn by a Government servant on account of medical reimbursement in any financial year comes to Rs. 1,000/- or more, the countersigning authority shall invariably conduct carefully a special scrutiny of all past claims also in addition to the normal checks which he is required to exercise in his capacity as sanctioning authority before countersigning any medical claim.

4. If any countersigning authority has passed medical claim without normal scrutiny, under a wrong impression as stated at paragraph 2 above, he should carry out a fresh scrutiny of all such claims.

5. In the Register for Medical Reimbursement Claim Bills, the existing columns No. 11. 12 and 13 may be renumbered as 12, 13 and 14 respectively and a new column 11 for 'Progressive Total' may be inserted therein.

[F.D. memo No. F. 1 (4) FD (Rules)/70, dated 15-1-1972](III)Sub: - Rajasthan Civil Services (Medical Attendance) Rules, 1970. According to existing provisions under the Rajasthan Civil Services (Medical Attendance) Rules, 1970, reimbursement of expenditure on treatment at private consulting room or clinic of the Authorised Medical Attendant is not allowed. A question has been raised as to whether a Government servant as out-door patient can have treatment on the prescription of the Authorised Medical Attendant and whether such a prescription is essential to be got entered in the out door Patient Register of the Hospital/Dispensary. The matter has been examined in consulting with Director of Medical and Health Services, Rajasthan, Jaipur, it has been decided that in case of a Government servant taking treatment as out-door patient it is not necessary to get the prescription of Authorised Medical Attendant entered into out-door patient register of the Hospital/Dispensary but in such a case Essentiality Certificate should be entered in Medical Reimbursement Register, maintained the Hospital/Dispensary of the Authorised Medical Attendant concerned. [F.D. Memo No. F. 1 (30) F.D. (Gr. II)/73, dated 13-6-1973]. (IV)Sub: - Scrutiny of claims for medical reimbursement. A case has come to the notice of the Finance Department in which the countersigning authority in the course of scrutiny of medical reimbursement claims of the Government servant directed him for the medical check-up by an authority higher than the Authorised Medical Attendant. The countersigning authority also sent relevant papers relating to Medical claims i.e. vouchers/cash memos etc. to the medical authority. Subsequently these vouchers/cash memos relating to medical claim of the Government servant were lost either in the hospital or in transit and Finance Department was moved to accept the claims of the official concerned without production of vouchers etc. This situation could have been avoided if original vouchers/cash memos were not sent or only their copies sent, if it was necessary. It is, therefore, enjoined on all authorities that in future while making scrutiny of claims for medical reimbursement the original vouchers etc. relating to medical claims of the Government servant should not be sent to any other quarter. If it is, however, considered necessary, only copies of the same should be sent for needful. [F.D. Circular No. F. 1 (4) F.D. (Rules)/70, dated 12-7-1974]. (V)Sub: - Rajasthan Civil Services (Medical Attendance) Rules, 1970. According to Rule 3 (2) (ii) (d) of Rajasthan Civil Services (Medical Attendance) Rules, 1970, charges paid by a Government servant for 'blood transfusion' are re-imbursable. A question has been raised as to whether the term 'Blood Transfusion Charges' referred to in the aforesaid rules includes the cost of blood purchased. The matter has been examined and it is clarified that the term 'Blood Transfusion Charges' includes the cost of blood purchased by the Government servant locally and as such is reimbursable provided blood transfusion is at the hospital. Reimbursement of charges for blood transfusion at the residence of a Government servant will, however, not be ordinarily admissible and such cases of reimbursement for blood transfusion charges at the residence will be allowed only by Government

on merit of the case.[F.D. Memo No. F. 1 (4) F.D. In accordance with these rules, if treatment not available in any Government hospital within the State the Director Medical & Health Services or the Principal of a Medical College can refer the ailing Government servant or a member of his family to any one of the recognized hospital outside the State where facility of the required treatment is available. Similar facility of free medical attendance and treatment is available to a Judge of the High Court, Members of the Legislative Assembly officers of the Legislative Assembly and Ministers. The aforesaid rules do not provide for reimbursement of medical expenses incurred on treatment received abroad.

2. During the last few years some cases, mostly of by pass surgery, seeking permission for specialised treatment, outside India were received in the Finance Department. As the treatment for such ailments was not wide available in the country reimbursement of part of the expenses limited to actual hospital expenses only was agreed to in relaxation of the rules. In the cases of Judges of the High Court and public representative referred to in above para reimbursement of air fare, expenses on the medical attendant allowed to accompany and post operative expenses was also agreed in relaxation of the rules.

3. The hospitals and clinics indicated in paragraph 6 below have developed facilities for specialised treatment for which requests are generally received for treatment abroad. Quite a few Government servants have received specialised treatment in these hospitals and clinics. The matter has therefore, been reconsidered and it has been decided that the following guidelines should be adopted in dealing with the cases relating to requests or medical treatment abroad and matters relating thereto :-

(i)As a rule, reimbursement of cost of medical treatment incurred abroad should not be allowed in any case.(ii)The Director, Medical & Health Services and the Principals of the Medical Colleges have power under the relevant Medical Attendance Rules to refer the ailing Government servant or others entitled to free medical attendance to anyone of the recognised hospitals outside the State but within India, if the treatment is not available in any of the Government hospitals within the State. These rules do not provide that the Director/Principal may recommend for according permission to receive treatment abroad. Therefore, in case treatment is not available in any of the Government hospitals in the State, they may refer the Government servant to any of the recognised hospital outside the State but should not make recommendation for according permission for receiving treatment outside India.(iii)Where the Government servants or others entitled to free medical attendance are referred to a recognised hospital outside the State for treatment in accordance with the provisions contained in the relevant rules and the recognised hospital advises specialised treatment in the same hospital but the concerned persons entitled to free medical attendance choose to go on their own for treatment abroad and request for reimbursement of cost of medical treatment incurred abroad, the Administrative department after obtaining concurrence of the Finance department may permit reimbursement which will be limited to the expenditure that would have been incurred had such treatment been received in the recognised hospital in India to which he had been referred for treatment, in relaxation of the rules.

4. The following ailments have been identified by the Central Government vide their Office Memorandum No. S 14025/99/81 MS dated 6th December, 1982 as being such for which facilities for treatment in India are not yet widely established: and these have been accepted by the State Government also for adoption :-

(i)Cadaver kidney transplant;(ii)Old operated bypass surgery cases (in which the initial operation was done abroad) needing revascularization;(iii)Bone marrow transplant;(iv)Operative correction for high myopia case;(v)Complex cyanotic Heart Lesion and newly born infants suffering from heart diseases.

5. Reimbursement of actual hospital expenses only in connection with treatment received abroad of the ailments mentioned in para 4 may be permitted by the Administrative Department of the Government after

obtaining prior concurrence of the Finance Department in relaxation of the rules provided the recognised referral hospital to which the ailing person was referred in accordance with the provisions contained in the relevant Medical Attendance Rules certifies that the treatment is not available in India and the certificate is endorsed by the Director, Medical & Health Services or the Principal of a Medical College. The question of reimbursement of travelling cost in such cases would not arise and all other expenses incidental to the treatment would also be borne by the Government servant himself.

6. The following Institutions are among the Institutions identified by the Central Government as having facilities for specialised treatment. The State Government also recognises them as referral hospitals outside the State :

(a) Bypass coronary surgery : (i) Christian Medical College & Hospital, Vallore. (ii) K.E.M. Hospital, Bombay. (iii) Jaslok Hospital, Bombay. (iv) Bombay Hospital, Bombay. (v) Appolo Hospital, Madras. (b) Kidney Transplant: (i) Christian Medical College & Hospital, Vallore. (ii) All India Institute of Medical Sciences, New Delhi. (iii) Post Graduate Institute, Chandigarh. (iv) Jaslok Hospital, Bombay. (c) Blood Cancer: (i) Tata Memorial Hospital, Bombay. (ii) Cancer Institute Adayar, Madras. (d) Complicated heart surgery cases: (i) Christian Medical College & Hospital, Vallore. (ii) K.E.M. Hospital, Bombay. (iii) All India Institute of Medical Sciences, New Delhi. (iv) Bombay Hospital, Bombay. (v) G.B. Pant Hospital Delhi. (vi) Post Graduate Institute, Chandigarh. (vii) N.M. Wadia Institute of Cardiology, Pune. (viii) Appolo Hospital, Madras. [F.D. Office Memorandum No. F. 12(1) FD (Gr. 2)/89 dated 21-2-1989.] (IX) Sub: Reimbursement of medical expenses incurred on Medical treatment received abroad. The State Government has recognised the "Escorts Heart Institute, New Delhi" as referral hospital for treatment of heart ailments of the Government servants outside the State and the name of this Institute is added below entry at S. No. (viii) under heading (d) Complicated heart surgery cases, at the last para of this department Office Memorandum No. F. 12(1) FD (Gr. 2)/89 dated 21-2-89. [F.D. Office Memorandum No. 12 (12) FD (Gr. 2)/82 dated 25-8-89.] (X) Sub: Rajasthan Civil Services (Medical Attendance) Rules, 1970. Government servants were allowed facility of reimbursement in regard to Homeopathic treatment vide Finance Department Notification No. F. 12 (1) FD (Gr. 2)/85 dated 20-5-1985 and the same were extended upto 19-5-1990 vide this department order of even number dated 25-6-1987. The matter has again been considered by the Government and the Governor is pleased to order to extend the above facility upto 30-6-1993. [F.D. Order No. F. 12 (1) FD (Gr. 2)/85 dated 3-7-1990.]
