Meghalaya Forest (Removal of Timber) (Regulation) Rules, 1982Published vide Notification No. for 50/80/237, dated 10-8-1982Last Updated 19th February, 2020

Chapter I Preliminary

1. Short title, extent and commencement.

(1)These rules may be called the Meghalaya Forest (Removal of Timber) (Regulation) Rules, 1982.(2)They shall extend to the whole of the State of Meghalaya.(3)They shall come into force at once.

2. Definitions.

- In these rules unless the context otherwise requires-(a)'Act' means the Meghalaya Forests (Removal of Timber (Regulation) Act, 1981.(b)['Competent authority' means that Competent Authority appointed by the Government under Section 2 (a) of the Act] [The Divisional Forest Officers-in-charge of territorial Divisions have been appointed competent authorities. Vide Government Notification No. For 167/82/2, dated 25th August, 1982] ;(c)'Form' means a form appended to these Rules.(d)All other terms and expression used in these rules but not defined shall have the same meaning respectively assigned to them in the Act.

3. Application for licences.

(1) Application for removal of timbers outside the State shall be submitted in Form No. I to the competent authority under whose territorial jurisdiction the forests from where the timbers are proposed to be removed are situated. (2) Application for establishment of a "Trading Depot" shall be submitted in Form No. II in the same manner as provided under sub-rule (1). (3) Applications under sub-rules (1) and (2) shall be submitted through the District Council of the concerned Autonomous District wherever so required under the Act. (4) All applications under this rule shall be made in duplicate and the original copy of which shall bear a Court Fee Stamp of Rupees three and thirty paise only.

4. Disposal of applications and grant of licences.

(1) The competent authority on receipt of the application under Rule 3, shall immediately acknowledge receipt of the same and subject to the provisions of the Act, cause an enquiry to be made in a manner he deems proper. (2) If the competent authority is satisfied that a licence may be granted shall- (a) for removal of timber outside the State for trade or otherwise, issue a licence in Form No. III and the species, sizes, total quantity of the logs or timbers, the area from where the timbers are to be removed and the route by which the same are to pass in the State shall be stated in the licence. The licence granted under this clause shall be valid for a period not exceeding one year and may for a like period be renewed; (b) for establishment of depot issue a licence in Form No. IV which shall be valid up to the 31st of March next following and may for a like period be renewed. (3) Where grant of licence under these Rules is refused the competent authority shall record the reasons therefor. (4) If no final order is passed on an application by the competent authority within six months from that date of its receipt it shall be deemed that licence has been granted. (5) Application for renewal of the licence shall be made in Form No. V and submitted at least thirty days before expiry of the licence.

5. Licences not to be granted.

- Notwithstanding anything contained in these Rules the competent authority shall not grant any licence for removal outside the State in respect of limbers of the following sizes, namely: (i) all timbers in round form which are less than 30 cm. in diameter, (ii) all rough square timbers which are less than 20x20 sq. cm. in cross sectional area: Provided that in case of *Carpinus vaminea* no licence shall be granted where timbers in the round form are less than 20 cm. in diameter and where in sawn form or less than 15x15 square cm. in the base area.

6. Appeal against orders of competent authority.

(1) Any applicant being aggrieved by the orders of the competent authority may prefer an appeal to the Chief Conservator of Forests in the first instance. On application by the aggrieved party orders of the Chief Conservator of Forests will be reviewed by the Government. (2) The appeal shall be preferred within sixty days and review application within thirty days from the date of

communication of the order appealed against. The appeal petition shall bear a Court Fee Stamp of Rupees ten only and shall accompany a Bank deposit at call receipt of Rupees fifty only as the appeal fees without which no appeal petition shall be heard.(3)The appeal fees referred to above shall be forfeited to the Government in the event of the appeal being rejected and shall be credited to Government as Miscellaneous revenue of the Forest Department. In the event of the appeal being granted the fees shall be adjusted towards licence fees payable by the applicant.

7. Licence fees.

(1)For issue of licences under these Rules fees at the following rates and Court Fee Stamps shall be paid :

Category of licence	Amount
(i) For a licence in Form No. III (Removal of timbers)	Rupees five hundred per 100 cubic meter or part thereofsubject to a maximum of Rupees one thousand.
(ii) For a licence in Form No. IV (setting up of a trading depot)	Rupees five hundred per 100 square meters of the area coveredby the depot or any part thereof subject to a maximum of Rupeesone thousand.
(iii) For renewal of licence referred in item (i)	Rupees three hundred.
(iv) For renewal of licence referred in item (ii)	Rupees two hundred.

(2)Members belonging to Scheduled Tribes recognised as such in the State of Meghalaya shall pay half of the amount specified column two of sub-rule (i); provided, however, that the maximum of Rupees one thousand shall also apply in their case.

8. Records to be maintained and furnished by the licence holder.

- Every licensee shall maintain the registers as in Form No. VI and No. VII for export of timber and maintaining trading depots respectively and abstract from the registers showing monthly transaction of timber shall be submitted within the 7th days of month following to the competent authority.The format to be used for the submission of the monthly terms shall be as per Form No. VI-A and No. VII-A.

9. Property hammer.

- The licensee shall have a separate property hammer registered with the competent authority for use on timbers dealt by him for the trade depot. The facsimile of the hammer shall be approved by the competent authority and shall contain the Licence No. of the licence holder. Usual fees as prescribed under the relevant Forest Acts and Rules shall be leviable for registration of the hammer referred to under this Rule.

10. Verification by the competent authority.

- The competent authority or an officer not below the rank of a Forester and authorised by him shall have the right to check and verify the registers and the stock of timber at any reasonable time during the working hours and the licences shall be bound to produce such documents, registers, and render all assistance to the officer in checking and verification of the timbers.

11. Stocking of any other timber.

- Any timber or forest produce found in the depot or within 100 meters from the boundaries thereof or in possession of the licences and not covered by Transit Pass, Permit or Challan or any other valid document shall be liable to be confiscated to the Government besides making the licensee liable to any action under the law.

12. Export Transit Pass.

- Every consignment of timbers meant for export outside the State shall be checked by a forest officer not below the rank of Forester Grade I and an Export Transit Pass issued. No timber shall be allowed to cross the State boundaries unless accompanied by the Export Transit Pass.

13. Composition fee.

(1)Any offence under the Act may be compounded by an officer authorised by the Government under Section 15 of the Act, on payment of a sum of money equal to double the amount of royalty value of the timber in respect of which the offence has been committed subject to a minimum of Rs. 50 (Rupees fifty) only.(2)The composition fee payable under sub-rule (1) above shall be in addition to the royalty and other dues payable on the timber.
