**Annexure-III Assessment Promotion Scheme for the Medical Faculty of Jawaharlal Institute of Post-Graduate Institute of Medical Education and Research (JIPMER)** The salient features of the Assessment Promotion Scheme are as follows: (i) 100% of Assistant Professors with four years of service be considered for promotion as Associate Professors each year without linkage to the vacancies in the grade of Associate Professor. (ii) 75% of Associate Professor with four years of service be considered for promotion as Additional Professors each year without linkage to the vacancies in the grade of Additional Professor. (iii) 50% of eligible Additional Professors with seven years of regular service in the grade of Additional Professor may be promoted as Professor each year without linkage to the vacancies in the grade on the following terms and conditions: - (a) The presently sanctioned posts of Professors as well as newly created additional posts of Professors and posts forming part of the sanctioned strength falling vacant due to retirement, resignation, death or any other reasons will continue to be filled by open selection. (b) The post of Professor vacated by a candidate promoted from the grade of Additional Professor to that of Professor under the Assessment Promotion Scheme will be filled only at the level of Assistant Professor. (iv) A faculty member could avail of a total of three chances at each level in Assessment Promotion Scheme. The time interval between the first and second chance would be two years and between the second and third chance it would be three years. (v) 25% of the sanctioned posts of Professor shall be operated at the level of senior Professor and shall be filled from the grade of Professor by selection.

## **2. Application :**

These guidelines will apply to promotions to the faculty posts in the grade of Associate Professor, Additional Professor and Professor.

## **3. Eligibility:**

Assistant Professors or Associate Professors with four years and Additional Professors with seven years of regular service in the respective grades in JIPMER are eligible for promotion as Associate Professor, Additional Professor and Professor respectively. No other conditions, e.g. higher

qualifications as for direct recruits, need be fulfilled.

#### **4. Limitations on Number of Persons to be Promoted:**

While 100% of Assistant Professors (with the required eligibility service) can be promoted to the grade of Assistant Professor if they are found fit, the number of such Associate Professors who can be promoted is limited to 75% of the Associate Professors with four years of service and who are also be eligible to be considered for that year. However, 50% of Additional Professors with seven years of service can be promoted to the grade of Professor if they are found fit.

#### **5. Periodicity and Crucial Date:**

The Assessment Board will meet once a year and consider the fitness of all persons who have completed the eligibility service of four years and seven years respectively as on 30th June of that year. All promotions under the Scheme will be effective from 1st July.

#### **6. Eligibility List:**

As per the rules in force, there can be direct recruitment to all grades of the Faculty and the selection on each occasion could be for appointment to be made at the same time but in more than one discipline. The combined eligibility list of the institute shall be worked out as follows :-(i)The seniority of employees of the Institute in each category shall be determined by the order of merit in which they were selected for appointment to the grade in question, those selected on an earlier occasion being ranked senior as a block to those selected later.(ii)The preparation of seniority list of persons selected in the same selection committee would involve the following steps:-Step-I:Draw up list of persons on the basis of their date of joining those joining on earlier date being placed above those joining on a later date.Step-II :In the list prepared as above, those who join on the same date may be arranged in order of age-those born earlier being placed above those born later.Step-IIIFor those joining on the same date and adjusted as in Step II above according to their age, further rearrangement may be carried out so that the original inter-se-seniority of the Institute employee in the lower post/grade maintained. This operation may be done by pulling down the junior in the previous combined seniority list immediately below his senior in that list now appearing in this list even though he may be elder in age.Step-IV :The above list may now be further modified to carry corrections of violation of departmental merit/seniority laid down by the selection committee. This will be done by pulling the junior down immediately below his senior in merit.Note: In cases where a junior in the combined seniority list is being considered for assessment, all persons senior to him in the seniority list will also be considered even though the seniors do not have the requisite years of service. The senior if found fit will be given notional promotion with effect from the date of promotion of his junior and for purposes of pay etc., it would be granted to him with effect from the date of actual promotion. i.e the date on which he completes four years services on the grade at the JIPMER , provided the following two conditions are fulfilled:-a) Probation shall have been completed successfully.b) The total period of extension granted to join the service should not have exceeded six months.

## **7. Assessment Process :**

The Assessment Board shall take into consideration its recommendations of the Head of the Department or Unit, the performance of the faculty members with reference to annual confidential reports and his or her performance in the interview for deciding his fitness for promotion to the next higher grade. However, the Board may consider in absentia the candidature of such faculty members as are unable to present themselves for interview.

## **8. Number of Chance :**

A faculty member could avail a total of three chances at each level for being considered for promotion under the scheme. The time interval between the first and second chance would be two years and between the second and third chance three years. In case a candidate is found fit, but not given promotion due to ceiling, then it would not be considered as a chance availed of and his/her case will be reviewed at the next assessment subject to nothing adverse having come up within the year. In other words, those candidates who have been assessed fit for promotion but not promoted due to the ceiling, need not be called for interview in the next assessment year. Their case will only be reviewed by the Board of the next year with reference to the confidential Report earned by them for the intervening year and their names included in the select list if nothing adverse is noticed.

## **9. Counting of Number of Chances for the Purpose of 75% and 80% Ceiling :**

While considering the promotion from Associate Professor to Additional Professor, 75% ceiling may be determined on the number of candidates who are considered by the Standing Selection Committee in interview or in absentia [as approved by IB-6(e) on 15.01.1997] . As such from Additional Professor to Professor, 50% ceiling may be determined on the number of candidates who are considered by the Standing Selection Committee in interview or in absentia.

## **10. Pay Scales :**
