2. Asstt. Executive Engineer	
3. Executive Engineer	Chairman
4. Executive Engineer (Selection Grade)	
5. Superintending Engineer	
6. All Officers above the rank of S.E.	Board

Provided that no appointment henceforth to the post of Assistant Executive Engineer shall be made except where such appointment was due and is to be made effective from a date prior to 1.7.1979, but where an officer may already be working as Assistant Executive Engineer he will continue till such time as he is either placed in the higher scale of Senior Assistant Engineer or promoted to the post of regular Executive Engineer or otherwise moves out of the scale.

15. Combined Waiting List for Assistant Engineers.

- A combined waiting list will be prepared on the basis of the list received under Rule 6 of Appendix B' and the 'Select List' referred to in Rule 7 of Appendix 'C' by taking candidates in such a manner that every 1st and 4th vacancy is filled by a promoted officer (J.E. or Computer as the case may be) and the remaining vacancies are filled by Trained Engineer.

16. Submission of Certificates.

- Before a candidate directly recruited is finally approved for appointment to the service, he will be required-(1) to produce the certificates prescribed in Regulations 11 and 13; and (2) to submit declarations-(a) of his relationship to any person employed under the Board; (b) of his being free from debt; (c) of all immovable property including house property owned or acquired by him or by a member of his family dependent on him, full and accurate details of all such property being given by him in the form prescribed in Appendix 'G'; and (d) for serving the Board loyally and faithfully in the

form prescribed in Appendix 'H'.

17. Appointment to the Cadre of Assistant Engineer.

(1) A person finally selected for appointment to the Service in the manner prescribed in these Regulations shall be appointed thereto by the appointing authority (unless he subsequently becomes disqualified for appointment) on the occurrence of a vacancy. The appointments shall be made in the same order in which the names appear in the combined waiting list prepared under Regulation 15. (2) In case no approved candidate is available for such appointment on the list and it becomes essential to make appointments in the interest of the Board, a person who is eligible for appointment by promotion to the Service under these Regulations, may be appointed, but such an appointment shall not be made for a period exceeding four months, without the specific approval of the Board.

18. Appointments to the Cadres of A.E.E., E.E., E.E. (S.G.), S.E., Addl. C.E. and C.E.

(1) Appointments to the posts in the cadres of the Service higher than that of Assistant Engineer shall be made by the Appointing Authority from the 'Select List' prepared in Rule 8 (1) of Appendix 'D'. In making such appointments, the order in which the names of the officers appear in the Select List shall be followed : Provided that where no officer exists on the 'Select List' or when the vacancy is of a short duration not exceeding four months, an officer not on the 'Select List' may be appointed to a post in a cadre of the Service, as a temporary measure. (2) Permanent appointments. - Whenever a permanent vacancy occurs in the cadres of the Service, appointment in that vacancy shall be made by the Appointing Authority in a substantive capacity from the 'Select List' in the order in which temporary and officiating appointments have been made under sub-regulation (1) above of this regulation : Provided that in the case of officer officiating on a post under State Government immediately before their absorption in the Board's service, substantive appointment to a post in the cadre of the service shall be made in the order in which their names appear in the seniority list as prepared in accordance with the fifth proviso to Regulation 19.

19. Seniority.

- The seniority of officers on their appointment to the service shall be determined according to the date of the order of appointment to a particular post in the cadres of the service : Provided firstly that if two or more candidates are appointed on the same date, their seniority inter se shall be determined according to the order in which their names appear in the orders of appointment issued by the Appointing Authority, or in other words, the order in which their names are placed in the 'Select List' or 'Combined Waiting List', as the case may be : Provided secondly that the Appointing Authority may direct that an officer whose period of probation is extended for failure to prove his fitness for confirmation be placed in the seniority list next below the last confirmed member : Provided thirdly that the relative seniority of members of the Service who are appointed by direct recruitment shall be in accordance with the order of preference in which they are placed by the

Selection Committee at the time of selection, as approved by the Appointing Authority (See Rule 6 of Appendix 'B') :Provided fourthly that as between candidates who are appointed by direct recruitment and who are recruited by promotion in the same year, the seniority shall be determined in the order in which their names are arranged in the combined waiting list prepared under Regulation 15, provided that if in any year, it has not been possible to prepare the combined waiting list due to late selection either from Junior Engineers Service or from Computers (Selection grade) or found outside or due to any other unavoidable reasons, the names in the gradation list shall be arranged in the same order in due course in respect of the vacancies allotted to each of the categories of candidates in that particular year, as in the combined waiting list and the seniority determined accordingly :Provided fifthly, that the inter se seniority of Government Officers absorbed in the service of the Board, while officiating in any cadre of the Board's service, shall be the same as on the post held by them in the Government in a permanent/substantive capacity and in the case of those officers who were not permanent on any post at the time of absorption shall be the same as on the lower post held by them after regular selection in an officiating capacity.

20. Probation.

(1)Every candidate shall, on appointment to a post in the Service in or against a substantive vacancy, be placed on probation for a period of two years from the date of taking over charge of the appointment :Provided that the appointing authority may-(a)for sufficient reasons extend the period of probation in individual cases by a further period not exceeding two years. Any such extension shall specify the exact date up to which the extension is granted but continuance in service beyond the date upto which the period of probation is extended would not, in the absence of a specific order to that effect, amount to confirmation;(b)allow to count towards the period of probation continuous service, if any, rendered in an officiating or temporary capacity in a post in the cadre of the Service or in the cadre of an equivalent service of engineers under the State Government.(2)If it appears at any time, during or at the end of the period of probation or extended period of probation, that an officer has not made sufficient use of his opportunities or has otherwise failed to give satisfaction, he may be reverted to his substantive post if he has one under the Board, or his services may be dispensed with if he has none.(3)A candidate whose services are dispensed with under sub-regulation (2) shall not be entitled to any compensation.

21. Confirmation.

- A probationer shall be confirmed in his appointment after the completion of the period of his probation or the extended period of probation, as the case may be, if-(a)he has passed the departmental examination prescribed by the Board from time to time;(b)his integrity has been consistently certified; and(c)he is found fit, in all other respects, for confirmation by the Board.

Part VI – Pay and Allowances

22. Scales of Pay.

- The scale of pay admissible to a person appointed to a post in the cadres of the Service, whether in a substantive or officiating capacity or a temporary measure, shall be as sanctioned by the Board from time to time. The scales of pay in force at the time of the commencement of these Regulations will be found in Appendix 'A'. Provided that the Board or any other competent authority may, upon the recommendation of the appropriate Selection Committee, allow a candidate a higher start within the approved limits in view of his special qualifications/ experience.

23. Special Pay, Compensatory Allowance, etc.

- In addition to pay as in Regulation 22, a member of the Service shall also be entitled to such special pay, compensatory allowance, or post-graduate pay, if any, sanctioned by the Board from time to time, subject to such terms and conditions as may be prescribed by the Board.

24. Pay during Probation.

(1) A person appointed to the Service by direct recruitment, shall, during the first year of probation, draw the minimum pay of the post in the scale admissible to him under Regulation 22 and shall receive his first increment when he has completed one year of service and has also passed the departmental or other examination prescribed in Regulation 21, unless exempted therefrom. On confirmation, he shall receive the second increment : Provided that if the period of probation is extended on account of failure to give satisfaction, such extension shall not count for increment unless the appointing authority directs otherwise. The provisions of this sub-regulation will, mutatis mutandis, apply to temporary employees also and a temporary Assistant Engineer will not get his second increment unless he passes Professional Examination, Part I. (2) If an increment is withheld from a person during the period of probation only on account of his failure to pass the examination prescribed in Regulation 21, it shall be allowed to him on passing the examination with effect from the first month following that in which the examination is held and the period during which the increment is withheld shall count for increment in the time scale. (3) The pay during probation of officers recruited under clause (b) of sub-regulation (1) of Regulation 5 shall be regulated by the rules referred to in Regulation 27.

25. Criteria for crossing Efficiency Bars.

- The following criteria shall govern the crossing of efficiency bars in respect of the persons appointed to the post or posts in the cadres of the Service : (a) No member of the Service in the cadre of Assistant Engineers shall be allowed to cross the first efficiency bar unless he is found to have worked efficiently, satisfactorily and to the best of his ability and his integrity is certified to be above suspicion; (b) No member of the Service in the cadre of Assistant Engineers shall be allowed to cross the second efficiency bar unless it is certified that he has continued to work satisfactorily, effectively and honestly, has displayed adequate engineering skill and has acquired adequate experience and knowledge of the Board's rules and regulations; (c) No member of the Service in the cadre of A.E.E.;

Executive Engineers; E.E. (S.G.) shall be allowed to cross the efficiency bar unless he is found to have worked satisfactorily, efficiently and honestly and in the case of an Executive Engineer and E.E. (S.G.) unless he has shown adequate engineering skill in the up-keep and maintenance of the various installations under him and has displayed administrative capacity to carry on the work of a Division smoothly and efficiently.

Part VII – Other Provisions

26. Canvassing.

- No recommendation for recruitment either written or oral, other than required under these regulations shall be taken into consideration, and any attempt on the part of a candidate to enlist support, directly or indirectly, for his candidature will render him liable to be disqualified.

27. Regulation of pay, allowances, pension, etc.

- Except as otherwise provided in these Regulations or as specially covenanted in any Service Agreement, the pay, allowances, pension, leave and other conditions of service shall be regulated by such corresponding rules of the State Government applicable to similar category of officers and may have been adopted by the Board until promulgation of regulations in this behalf by the Board.

28. Savings.

- Notwithstanding anything contained in these regulations, -(1) The conditions of service of persons who have been appointed to posts in the cadres of the Service, on foreign service, from the State Government or on deputation from elsewhere shall be governed by such terms and conditions as may have been or may be settled between the Board and the State Government or other appointing authorities until they are absorbed in the service of the Board : Provided that the conditions of service of such persons as are absorbed under the Board shall be governed by the regulations of the Board, which will not be less favourable than those applicable to them immediately prior to their absorption in the Board's service; (2) The conditions of service of persons of the Electricity Supply Undertakings which have been taken over or may, in future, be taken over by the Board who may be holding or who may hold posts in the cadres of the service or posts declared in addition to the cadres of the service shall be governed by the Board's standard terms and conditions of Service if they have been taken over by the Board on such terms and conditions or by the ex-licensees terms and conditions if they have been taken over on such terms, as the case may be, unless they are given option and they opt to be governed by such rules and regulations as may be promulgated by the Board hereafter in this behalf.

29. Relaxation.

(1) Nothing in these Regulations shall be construed to limit or abridge the power of the Board to deal with the case of any person appointed by the Board and governed by these regulations in such

manner as may appear just and equitable :Provided that where any of the foregoing regulations is applicable to the case of any person, the case shall not be dealt with in a manner less favourable to him than that provided by that regulation.(2)When, in the opinion of the Board, it appears necessary to do so, the Board may make any appointment or appointments to the Service in relaxation of these regulations or in partial relaxation of any or some of the regulations and, in case of any appointment which is not in strict accordance with these regulations, the Board shall be deemed to have made the appointment in relaxation of these Regulations.

30. Declarations.

- 1. To be passed as fit for recruitment a candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of Assistant Engineers.**
- 2. In the matter of the correlation of age, height and chest girth of candidates, it is left to the Medical Board to use whatever correlation figures are considered most suitable as a guide in the examination of the candidates.**
- 3. The candidate's height will be measured as follows. He will remove his shoes and be placed against the standard with his feet together and the weight thrown on the heels and not on the toes or outer side of the feet. He will stand erect without rigidity and with the heels, calves, buttocks and shoulders touching the standard, the chin will be depressed to bring the vertex of the head level under horizontal bar and the height will be recorded in metres and centimetres. No fixed limit of height is, however, enforced.**

4. The candidate's chest will be measured as follows :

He will be made to stand erect with his feet together and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder blade behind, and its lower edge upper parts of the nipples in front. The arms will then be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times and the maximum expansion of the chest will be carefully noted. The minimum and maximum will then be recorded in centimeters 84-89, 85-92. In recording the measurements, fractions of less than half centimetre should not be noted.

5. The candidate will also be weighed and his weight recorded in kilogram. Fractions of less than half a kilogram should not be noted.

6. (a) The examination for determining the acuteness of vision includes two tests; one for distance, the other for near vision, Snellen's test types will be used for the test for distance vision, without glasses at a distance of 6 meters and for the test for near vision, without glasses at any distance selected by the candidates. The standards of the minimum acuteness of vision which will be used for guidance in the examination of a candidate are as follows :

Standard I

Right eye	Left eye
Distant vision-V-6/6	V-6/6
Near vision-Reads, 0.6	Reads 0.6

Standard II

Better eye	Worse eye
Distant vision-V-6/6	V-without glasses, not below 6/6 and after correction with glasses not below 6/24.
Near Vision-Reads, 0.6	Read I.

Standard III

Better eye	Worse eye
Distant vision V, without glasses not below 6/24 and after correction with glasses not below 6/6.	V, without glasses-not below 6/24 after correction with glasses-not below 6/12
Near vision-Reads, 0.8	Read I.

(b) Each eye must have a field of vision as tested by hand movement. (c) Squint or any morbid condition of the eye or of the lids or of either eye liable to the risk of aggravation on recurrence will cause the rejection of the candidate. (d) Each eye will be examined separately and the lids must be kept wide open during the test. (e) Inability to distinguish the principal colours will not be regarded a cause for rejection, but the fact will be noted in the proceeding and the candidate will be

informed.(f)The degree of acuteness of vision of all candidates for Appointments will be entered in the proceedings in the following manner :

V.R. ----- with glasses ----- Reads.....

V.L. ----- with glasses ----- Reads.....

(g)In cases of serious abnormality the opinion of an ophthalmic specialist should be obtained.

7. The urine (passed in presence of the examiner) should be examined and the result recorded.

8. The following additional points should be observed :

That the candidate's hearing in each ear is good and that there is no sign of disease of the ear.A candidate who can hear a forced whisper at a distance of 3 metres with his back towards the examiner should be considered fit. Each of his ears should be tested separately, the other being plugged with oiled wool for the time being.When any defect is found it must be noted in the certificate and the medical examiner should state his opinion whether or not is likely to interfere with the efficient performance of the duties which will be required of the candidate. If the condition is remediable by operation it should be so stated.Form of Declaration as to Health to be Completed by Candidates Examined by Medical BoardMedical Examination by Medical BoardStatement by candidate for appointment asThe candidate must make the statement required below prior to his examination by a Medical Board, and must sign the declaration appended thereto in the presence of that Board :
