 specified in the prescription;(b)he shall sell the drugs only once on a prescription, unless it bears a  
 superscription by an approved practitioner stating that it is to be repeated and at what intervals of  
 time and how many times it is to be repeated:Provided that if it appears that the drugs have already  
 been sold on the prescription three times or such number of times less than three as the prescription  
 is required to be repeated or that the interval specified in the superscription has not elapsed since it  
 was last dispensed, he shall not sell the drugs on such prescription except on a further

superscription in that behalf by an approved practitioner: Provided further that he shall not in any case dispense more than once a prescription prescribed by an approved practitioner for his own use; and (c) he shall, on the first sale on a prescription, take and keep a copy of it, and, on the occasion of each sale thereon, he shall enter on the prescription the date of the sale and shall also sign and seal it. VIII. A prescription for the supply of dangerous medicinal drugs [other than coca leaf and coca derivatives] [The words 'other than coca leaf and coca derivatives' should be deleted in case of a licence granted under Rule 18(a) for the sale of all dangerous medicinal drugs.] shall comply with the following conditions:-(1) the prescription shall be in writing, shall be dated and signed by the approved practitioner with his full name and address and qualifications and shall specify the name and address of the person for whose use the prescription is given and the total amount of the drug to be supplied on the prescription, provided that where the medicine to be supplied on the prescription is a proprietary medicine it shall be sufficient to state the amount of the medicine to be supplied; (2) a registered dentist shall give a prescription only for the purpose of dental treatment and shall mark it "For local dental treatment only"; and (3) a registered veterinary surgeon shall give a prescription only for the purpose of treatment of animals and shall mark it "For animal treatment only". IX. The licensee shall, on requisition by the Collector or any other officer duly authorized by him, deliver up his licence for amendment or for the issue of a fresh licence. X. The licensee shall maintain true accounts of all transactions in Form D. D. 3 showing in respect of each receipt the source of supply and the quantity received and in respect of each issue the quantity issued, the name and address of the person to whom it is issued and the name of the practitioner on whose prescription it is issued. The account shall show separately the quantity of opium used in the manufacture of medicinal opium and the quantity of morphine, diacetylmorphine, or cocaine used in the manufacture of preparations containing morphine, diacetylmorphine or cocaine. Such accounts shall be preserved for not less than two years from date of the last entry in the accounts. Accounts of transactions under this licence shall be kept separate from those maintained by him under any other licence. XI. The licensee shall furnish periodically to the Excise and Revenue Officers such statistics as they may require from time to time. XII. The licensee shall file, in support of his account of receipts, the customs receipts for the duty paid or the invoices of supplies obtained otherwise than by import by sea, and, in support of his accounts of issues, copies of the prescriptions on which such issues are made.
