7.

(1) Every application for permit under Clauses (a) to (d) of Rule 6 shall be in Resin Forms 4-A, 5-A, 6-A and 7-A as the case may be. (2) The authorised officer may, after making such enquiry as he deems necessary and for reason to be recorded, reject the application referred to in sub-rule (1), wholly or partly. (3) Any person aggrieved by an order of rejection under sub-rule (2), may prefer an appeal to the Conservator of Forests of the unit concerned and the provisions of Rule 4 (3) shall mutatis mutandis apply to every such appeal.

8.

(1) Where a permit has been issued in accordance with Rule 6 or Rule 7 and the permit holder wants to export the quantity specified in the permit under different consignments or in different conveyances, then the Range Officer/Depot Officer concerned shall issue necessary Rawannah for each such consignment or conveyance. (2) The provisions of Rule 5 shall mutatis mutandis apply to the Rawannah issued under sub-rule (1).

9. Procedure for conducting the business of the committee [Section 6].

(1) The State Government shall publish the names of the members of the Advisory Committees constituted under Section 6 in the official Gazette. For each such committee, there shall be a Chairman and a Convener. (2) Every meeting of the Committee, shall be presided over by the Chairman and in his absence by the Convener. If both Chairman and the Convener are absent, the members present shall elect one of the members present as Chairman and hold the meeting. (3) The Advisory Committee shall ordinarily hold its meeting at the headquarters of the unit for which it is constituted. (4) The Convener shall with the approval of the Chairman fix the date, time and place of

the meeting of the Committee and intimate the same in writing to all the members of the Committee.(5)For members of the Advisory Committee shall constitute the quorum.(6)The minutes of the proceedings shall be reduced to writing and the same shall be approved by the person presiding over the meeting. Such approval shall be taken as final proof of the authenticity of the Committee's recommendation.

10.

(1)The advise of the Advisory Committee shall be conveyed to the State Government on or before a date to be specified by the State Government in that behalf.(2)A copy of the minutes of the meeting shall invariably be sent alongwith the said advice.

11. Procedure of enquiry about rejected Resin.

(1)On receipt of a complaint under sub-section (2) of Section 8 the Divisional Forest Officer or the Assistant Conservator of Forest concerned shall as soon as possible intimate to the complainant the place, date and time fixed for holding the enquiry.(2)On the date fixed or any subsequent date to which the inquiry may be adjourned the officer referred to in sub-rule (1) shall, after hearing the complainant or his duly authorised representative, and after making such further enquiry as he may deem necessary pass necessary orders in accordance with sub-sections (3) and (4) of Section 8.(3)Where any resin offered for sale has been refused under the proviso to Section 8 (1), and the officer referred to in sub-rule (1) finds-(a)that the refusal to purchase tire resin was proper; and(b)that the quality of resin is such that it is unfit for the purposes of manufacturing resin products, then he shall cause such resin to be sold by public auction as soon as possible.(4)The officers referred to in sub-rule (1) shall give due publicity before the auction mentioned in sub-rule (3).(5)The sale-proceeds recovered from the auction shall be paid to the complainant after deducting the expenses of sale which shall, in no case, exceed twenty per cent, of the sale-proceeds.

12. Tapping of untapped trees [Section 9].

(1)Where the owner of any, Chir or Kail tree fails to commence its tapping by the end of March in any year, then the authorised officer shall serve a notice requiring the owner to commence tapping or to cause its tapping commenced within the period of fifteen days from the service of such notice.(2)Where the owner of the Chir or Kail tree fails to comply with the notice referred to in sub-rule (1) the authorised officer may cause the tree to be tapped for a period not exceeding five years, for extraction of resin through its own agencies in accordance with the Resin Tapping Rules for the time being in force in the reserved forested of the State Government.(3)All resin extracted under Section 9(2) shall be disposed of in accordance with the general or special order of the State Government issued under Section 11.

13. Registration of Tappers of Resin, etc. [Section 10].

(1)Tappers of resin shall be of two types viz. (a) Government tappers, and (b) Private

tappers.(2)Government tapper means a person who is authorised in writing by the Divisional Forest Officer to tap trees standing in the Reserve forest, Protected Forests or Panchayat Forests within his forest division for extraction of resin and includes a person authorised to tap resin under the Rule 12 (2).(3)Private tapper shall either be the owner of the trees other than the State Government who gets them tapped through labourers engaged by him for extraction of resin or one authorised in writing by the owner of the trees other than the State Government to get them tapped through labourers. Labourers engaged in tapping work shall not be considered as tappers for purposes of these rules.

14.

A Government tapper shall be deemed to have been registered under Section 10, if he submits his own name, parentage and address, and also the names, parentage and addresses of each of the labourers engaged by him for purposes of extraction of resin from the trees, to the Range Officer in whose forest range he has been authorised to tap trees.

15.

(1)Private tapper shall submit an application in duplicate for registration in Resin Form 8 to the Range Officer within whose jurisdiction the trees required to be tapped for resin are situate. The Range Officer, after due verification shall forward one copy of the application within 30 days of its receipt to the Divisional Forest Officer who, after making such enquiry as he deems necessary, may issue a certificate in Resin Form 9 or reject the application after recording reasons therefor.(2)Every application under the sub-rule (1) shall be accompanied with the fee specified in Rule 18.(3)Certificate of registration of a private tapper shall be subject to the following conditions-(i)The certificate of registration shall be valid for one calendar year unless it is cancelled or modified earlier by the Divisional Forest Officer for reasons to be recorded by him in writing or the holder ceases to be the owner of the trees in respect of which the certificate of registration has been granted.(ii)If a certificate is lost or mutilated a certified copy of the same can be obtained from the office of the Divisional Forest Officer on payment of Re. 1 for each such copy.(iii)The aforesaid certificate shall be produced by the holder or his authorised representative at the resin depot while offering resin for sale.(iv)Every private tapper shall furnish by the 15th January following the year for which the certificate of registration was granted, an account in writing of total quantity of resin in quintals or number of 20 litre tins tapped and collected and disposed of by him during the year of registration.

16.
