The following procedure shall be followed for the posting of newly promoted teachers in rural areas:-(a) minimum five years service in backward block mentioned in Appendix (A) is essential for newly promoted teachers. If the teacher has already served for five years in any such backward block, his promotion will be considered on seniority basis on the availability of vacancies in general area. If the service period of the teacher in backward area is less than five years, he will be posted in the backward area at the time of promotion for the remaining period. The teacher, who wants to serve in a backward block even after five years on the basis of option, will be permitted to serve in the backward block.(b) after the issuance of appointment letter the candidate is expected to join within fifteen days after completing all the

formalities. After fifteen days the remaining vacancies may be filled by the waiting list following aforesaid procedure.(c) if any teacher rejects the promotion owing to the posting at both the backward areas, he will not be promoted for coming three years and again at the time of considering his promotion, he will be promoted to complete his service period according to the procedure as aforesaid.

11. Posting process of newly promoted teachers. - The following procedure shall be followed for the posting of newly promoted teachers in rural areas:

(a)It would be compulsory for newly appointed teachers to serve in backward blocks described in Appendix A. If a teacher has already served for five years in a backward block, then his posting on promotion would be considered in the light of his seniority and availability of vacancies. If a male/female teacher has served less than five years in a backward block, in that case, on promotion he/she would be posted in the backward block for the remaining period. Such male/female teachers who even after 5/2 years give choice to serve in the backward block, shall be allowed to serve in the backward block.(b)Separate, seniority list for male/female teachers on the basis of seniority and suitability subject to the rejection of unfit would be prepared keeping in view the number of vacancies available. Firstly, seniority list of handicapped and female candidates in separate categories of general, Scheduled Castes and Scheduled Tribes will be prepared, and the candidates would be required to give option of one school from the general and backward blocks as per roaster and accordingly their posting would be done. Against the remaining vacancies of the backward areas as per list would be prepared in order of English Alphabet and posting of male candidates would be done as per roaster provided in Rule 7 and seniority in Appendix B.(c)the candidate would be required to complete all formalities within fifteen days of issue of appointment letter. After fifteen days' remaining vacancies would be filled in as per the above procedure from among the waiting list.(d)If any teacher declines the promotion in the aforesaid two backward areas, that teacher shall not be given promotion during the next three years and again after three years the promotion of that teacher would be considered as per the prescribed rules.(e)If newly promoted teachers who are already posted in backward areas, are willing to be promoted in backward blocks, they would be exempted from roaster system for purpose of posting in the backward areas.]Annexure APupil Teacher ratio in Parishad Primary Schools of the State and the distance of the block from district headquarter (30.9.2006)
