The Karnataka Agricultural Credit Operations and Miscellaneous Provisions Act, 1974 (Karnataka Act No. 2 of 1975) Last Updated 10th December, 2019 Statement of Objects and Reasons - (Act 2 of 1975). - The success brought about by the adoption of scientific and progressive techniques in the development of Indian Agriculture has created a new sense of awareness and enthusiasm in the farmer. It has also given him great hope. However, the new strategy in agricultural production calls for heavy capital investment. This in turn entails large capital requirements. The co-operative sector by itself may not be able to meet the demand. A multi-agency approach is inevitable if these credit requirements are to be met. The commercial banks and other credit agencies have entered enthusiastically in the field of agricultural credit. In order to enable these banks and agencies to cater to the credit requirements of as large a number of agriculturists as possible any restrictions that may tend to reduce the quantum of credit have to be removed. Simultaneously the credit agencies should be given such facilities as would enable them to increase their scope and volume of lending. The agriculturists borrowing from co-operatives have been given certain facilities. These facilities should also be intended to those agriculturists who borrow from credit agencies other than co-operatives. This is so because facilities must primarily be designed for the benefit of the individual cultivator-borrower rather than for that of the lending institution. This Bill seeks to fulfil all the requirements. The terms agriculture and agricultural purposes have been defined to encompass a vast sphere of agrarian activity. Credit Agency has been defined to include number of lending institutions. Agriculturists have been sought to be vested with right of alienation where hitherto they were prevented from doing so to enable them to obtain loans for agriculture purposes. All institutional credit agencies engaged in purveying credit are treated on par so that none is handicapped because of special facilities or priorities provided to another. Provision has been made to simplify the procedure of registration of charge and mortgage in favour of credit agencies. The difficulties which credit agencies may have in recovering loans and other operational difficulties which they may have to face are envisaged and sought to be removed. To facilitate prompt recovery of dues without having to State Government is sought to be vested with powers to prescribe an official who shall have authority to issue a certificate for recovery of dues as arrears of

land revenue. Credit agencies have been empowered to bring properties to sale and also to purchase the property if there are no bidders at auctions conducted by them whenever they are required to foreclose mortgages of property executed in their favour. Credit agencies are also enabled to finance through primary agricultural credit co-operative societies. Provision has therefore also been made to enable them to obtain the necessary information to see that the funds originally emanating from them are being properly utilised. Powers have also been sought to be vested in them to recover dues from defaulting members of co-operative societies in cases where primary societies have been assisted by the credit agencies. Hence this Bill. (Published in the Karnataka Gazetted Part IV-2A (Extraordinary) No. 775 dated 8-5-1974 at pages 14-15.)

**Statement of Objects and Reasons - (Amending Act 34 of 1978).** - Government enacted the Karnataka Agricultural Credit Operations and Miscellaneous Provisions Act, 1974, to assist banking, agencies in the recoveries as arrears of land revenue of loans disbursed for agricultural purpose, in order that banks would be induced to lend more freely to the agricultural sector. In the actual operation of this Act, some problems have been encountered by the commercial banks. This has affected the flow of bank money for development programmes.

2. The Government of Karnataka now propose an amendment to the Act in the following directions to overcome the difficulties encountered in its operation-

(a) The most striking deficiency of the Act is the restrictive scope of the definitions of "Agriculture" and "Agricultural purposes". In particular, the exclusion of agro-based processing industries precludes a larger number of agro-based operations from coming within the ambit of the Act. In consultation with the Agricultural Refinance and Development Corporation, a broad interpretation of what constitutes an "Agricultural purpose" has been adopted. In particular processing activities, acquisition of drought animals, and any other purpose as the State Government may specify, has been included in the definitions of "Agriculture" and "Agricultural purposes".

(b) The Reserve Bank of India had brought to the notice of the Government certain minor anomalies in the original enactment. These pertain to section 2(f) and section 13 of the Act, and the Amendment Bill attempts to rectify these anomalies.

(c) Although the Karnataka Agricultural Credit Operations and Miscellaneous Provisions Act, 1974, contains, in section 7, a statement of the priority of charge created in favour of the credit agency lending to an agriculturist over a subsequent charge created in favour of the State Government or a Co-operative Society, no such statement exists indicating the priority of a charge created in favour of a credit agency lending to an agriculturist over a prior charge created in favour of any other financial institutions. This lacuna is being rectified through an amendment to section 7. Hence this Bill. (Published in the Karnataka Gazetted Part IV-2A (Extraordinary) No. 1103 dated 8-3-1978 at pages 4-5.)

**Statement of Objects and Reasons - (Amending Act 26 of 1984).** - The Bill proposes to amend the Karnataka Agricultural Credit Operations and Miscellaneous Provisions Act, 1974, for the following purposes :-

Clause 2. - (a) to include the development of inland and marines fisheries in the definition of pisciculture; (b) to specify Regional Rural Banks established under the Regional Rural Banks Act also as credit Agencies for the purpose of the Act ; (c) to make the provisions of the Act applicable in respect of loans and advances granted prior to the commencement of the Act also.

Clause 3. - To provide for the creation of a mortgage by hypothecation also.

Clause 4. - To provide for the issue and registration of a certificate of discharge on the agriculturists discharging their dues.

Clause 5. - (a) to provide for the recovery of the dues as arrears of land revenue from the co-obligant and the sureties of the agriculturists and their legal representatives ; (b) to exclude the actual period occupied by the proceedings under the Act for the purposes of computing limitation for filing suits for recovery of

dues in respect of financial assistance given under the Act. Clause 6. - To exempt the documents relating to the release of the mortgage or charge from the payment or registration fees. Clause 7. - (a) certain provisions of limitation Act are made applicable in respect of proceedings instituted under the Act or Rules; (b) the burden of a proving that the mortgage or charge was not created for agricultural or other purposes is cast on the person alleging it. Hence this Bill. (Obtained from L.A. Bill No. 1 of 1984 File No. LAW 70 LGN 83.) Statement of Objects and Reasons - (Amending Act 22 of 2000). - It is considered necessary to prepare upto date Codal Volumes of the Karnataka Acts and to repeal all the spent Acts and amendment Acts from time to time. The Government constituted One-man Committee for the above purpose. The Committee has reviewed the Karnataka Acts for the period for 1.1.1956 to 31.12.1998 and has proposed this "Repealing and Amending Bill, 2000" which seeks to repeal the following types of Acts, - (i) Acts which amended the Karnataka Acts whether they are now in force or not; (ii) Acts which amended regional Acts which are no longer in force; (iii) Appropriation Acts as they are spent Acts; (iv) Acts which have been struck down or by necessary implication struck down by the Courts; (v) Acts which are by implication repealed by Central Acts; and (vi) Acts which are temporary and spent enactments. The Bill does not include, - (i) Acts which amend the Central Acts and regional Acts which are in force; and (ii) Acts which are already repealed expressly. This Bill seeks to repeal and remove all spent and amendment Acts from the Statute Book. Hence the Bill. (L.A. Bill No. 17 of 2000) Statement of Objects and Reasons - (Amending Act 17 of 2007). - In G.O.NO.RD 9 BMM 2003, dated: 8.9.2005 the posts of Regional Commissioners at Bangalore, Mysore, Gulbarga and Belgaum along with supporting staff has been created. The Regional Commissioners have to be conferred with statutory powers by necessary amendments to the relevant Acts. Since the matter was urgent and the Karnataka Legislature was not in session, the Karnataka Land Revenue and Certain Other Laws (Amendment) Ordinance 2006 (Karnataka Ordinance No. 5 of 2006) was promulgated to achieve the above Object. Hence the Bill. [L.A. Bill No. 7 of 2007] [Entry 5 and 18 of List II of the Seventh Schedule to the Constitution of India.] (First published in the Karnataka Gazette Extraordinary on the Eighteenth day of February 1975). (Received the assent of the President on the Thirteenth day of February 1975) An Act to make provisions to facilitate flow of credit for purposes of agricultural production and development through credit agencies. Whereas it is expedient to make provisions to facilitate flow of credit for purposes of agricultural production and development through credit agencies and for matters connected therewith or incidental thereto ; Be it enacted by the Karnataka State Legislature in the Twenty-fifth Year of the Republic of India as follows :-
