Guru Jambheshwar University Hisar Act, 1995 Haryana Act No. 17 of 1995 Statement of Objects and Reasons. - Haryana Act 11 of 1996. - Realizing the present and future needs of manpower required in industry, business and commerce and to achieve excellence in technology and management, an idea was conceived to establish a university in emerging area of higher education. Thus Guru Jambheshwar University, Hisar was established through Act No. 17 of 1995 of State Legislature. This Act came into force by notification dated 20th October, 1995. This University was inaugurated on Haryana Day i.e. 1st November, 1995. Haryana has become a pioneer State in North India by establishing this University to facilitate and promote studies in the emerging areas of higher education, including new frontiers of technology, environmental studies, non-conventional energy sources and management studies. Presently the University is imparting education in the disciplines namely Communication Management & Technology, Environmental Science. Business Economics, Environmental & Engineering, Law, Applied Mathematics, Industrial Chemistry, MBA and Pharmaceutical Sciences. With a view to ensure proper growth and speedy development and to achieve the objectives for which this University has been set up 15 new technical/management/need-based Departments/courses have been sanctioned which will be set up/introduced from the ensuing academic session i.e. 1996-97. These are mainly in areas of Information Science Technology, Computer Science Applications. Printing Technology, Industrial Psychology, Food Processing & Technology etc., etc. The pace with which this university is growing, it may in near future become the only university in India having about 25 technical courses in the campus. The task of making this University really functional and developing it on the lines it has been conceived is onerous. Therefore, it was felt that a provision regarding Pro Vice-Chancellor be made in the Act for assisting the Vice-Chancellor to accomplish this task. This could have been done through legislative enactment only. Since the Haryana Vidhan Sabha had been prorogued, an ordinance was promulgated on 1st November, 1995. It has therefore become necessary to bring this Bill to incorporate the provisions of ordinance by amending Guru Jambheshwar University Hisar Act, 1995. Further in order to make the status of Government Engineering College, Hisar clear i.e. not to make it University College, it has been felt necessary to make necessary amendment in the Act to ensure that only institutions established by the University will be university maintained Institutions and the rest would be Institutions affiliated to it as per territorial jurisdiction. Besides, it

has been felt necessary to affiliate the colleges of general education, medical education in the four districts namely Hisar, Sirsa, Jind & Bhiwani to this University. It has also been felt necessary to insert the word "Pharmacy" in the preamble and relevant sections of the Act so that all aspects of Technical Education under the purview of All India Council of Technical Education come under the jurisdiction of this university. Since the territorial jurisdiction in respect of Technology, Pharmacy, Engineering and Management Colleges or Institutes would extend to the whole of State and in respect of general education and medical education will extend to four districts namely Hisar, Sirsa, Jind & Bhiwani, it has been considered necessary to transfer Post-Graduate Regional Centre, Sirsa to this University too by amending Guru Jambheshwar University, Hisar Act, 1995. Hence this Bill. Published vide Haryana Government Gazette (Extra.) dated 29.2.1996, pages 478-479. Statement of Objects and Reasons. Haryana Act 3 of 1998. - The State Government through Legislative Enactment (Haryana Act No. 17 of 1995) established Guru Jambheshwar University Hisar to facilitate and promote studies in emerging areas of Higher Education including new frontiers of technology, environmental studies, non-conventional energy sources and management studies. The territorial jurisdiction of this University under these areas extended to the whole of the State of Haryana. Subsequently the colleges of general education and medical education of four districts namely. Hisar, Sirsa, Jind and Bhiwani as well as Kurukshetra University, Post Graduate Regional Centre, Sirsa were also transferred to it. The area of Pharmacy of the whole State being akin to the objective of this University was also added to it. Affiliation of colleges of general and medical education of four districts namely Hisar, Jind, Sirsa and Bhiwani changed the character of this University from a University of emerging areas of Higher Education, Technology and Management to a General University. By and large this has not been relished. The change in the basic character of this University created many problems. In the given background an urgency was felt to restructure this University. Since the Haryana Vidhan Sabha was not in session Ordinance No. 2, dated 25th July, 1996 was promulgated to achieve this objective. State Government is the major funding agency for the development and maintenance of this University. Education being on the concurrent list, the State Government equally shares the responsibility for the development of education in the State. It has also to ensure that the State Policy as well as the Central Policy on education is implemented in its letter and spirit. For proper accountability in academic and financial areas the State Government has already made adequate provision with regard to creation of teaching/non-teaching posts, their upgradation and revision by the University with the prior approval of the State Government. It has, however, been felt that though the Registrar like Vice-Chancellor and Pro Vice-Chancellor is an important functionary under the University system yet unlike Vice-Chancellor and Pro Vice-Chancellor his term and mode of appointment is determined by the Statutes of the University rather than the Principal Act. His present mode of appointment by the Executive/Selection Committee is not conducive to the discharge of functions/responsibilities attached to the post of Registrar. It had, therefore, been felt necessary that Government may be made the Appointing Authority in the case of Registrar by making specific provision in the Principal Act as also amending relevant statutes and that Government be also empowered to add/repeal/modify the statutes. Since Haryana Vidhan Sabha was not in session Ordinance No. 3, dated 25th July, 1996 was promulgated to achieve this objective. Further the existing provision in the Guru Jambheshwar University Act, 1995 does not envisage any role of the State Government in the appointment of Vice-Chancellor. It is felt that the situation is not desirable and the State Government must have a say in the appointment of Vice-Chancellor. In a number of

Universities e.g. Panjabi University, Patiala and Guru Nanak Dev University, Amritsar the Vice-Chancellors are appointed by the Chancellor on the advice of State Government. This provision is believed to be better than what presently obtain in the Guru Jambheshwar University Act, 1995. It is, therefore, proposed to amend the Guru Jambheshwar University Act, 1995 to provide for the appointment of Vice-Chancellor by the Chancellor on the advice of the State Government. This Bill thus seeks to replace Ordinance No. 2, dated 25th July, 1996 and Ordinance No. 3, dated 25th July, 1996 as well as seeking to make the above said provision in the Act with regard to the appointment of Vice-Chancellor. Published vide Haryana Government Gazette (Extra.) dated November 13, 1996, pages 2341-2342. Received the assent of the Governor on the 18th October, 1995 and was published in the Haryana Gazette, (Extra.), Legislative Supplement, Part I, dated October 20, 1995/Asvina 28, 1917. [An Act to establish and incorporate a teaching-cum-affiliating University to facilitate and promote studies and research in emerging areas of higher education with focus on new frontiers of technology, pharmacy, environmental, studies, non-conventional energy sources and management studies and also to achieve excellence in these and connected fields.] [Preamble substituted vide Haryana Act No. 11 of 1996 and further amended by Haryana Act 3 of 1998.] Be it enacted by the Legislature of the State of Haryana in the Forty sixth Year of the Republic of India as follows :-
