The M.P. Krishi Upaj Mandi Adhiniyam, 1972M.P. Act No. 24 of 1973Statement of objects and reasons - The Madhya Pradesh Agricultural Markets Act, 1960 (No. 19 of 1960) has been in force in the State since the 15th October, 1960. During the operation of the Act for the last twelve years, the number of agricultural Market Committees has risen from 87-230. The wording of the Act has revealed certain shortcomings and it was considered desirable to review the Act in order to ensure efficient working of the Market Committee to the best advantage of the agriculturists as well as traders. A committee consisting of members of the Legislative Assembly and Chairman of Market Committees was appointed in the year 1965 for the purpose with Shri Mushran as its Chairman. The committee has, after exhaustive study of the problem, submitted a very detailed report to the State Government. It was decided to revise the Act in the light of the recommendations made by the committee as well as other suggestions received from other sources. In order to implement the said recommendations the Madhya Pradesh Krishi Upaj Mandi Vidheyak, 1970 (No. 18 of 1970) was introduced in the Vidhan Sabha on the 16th September, 1970, and was referred to Select Committee. The report of the Select Committee was presented in the Vidhan Sabha on the 21st September, 1971. The Bill incorporating the certain amendments made by the Select Committee and such other provisions as are considered necessary for the smooth working of the Act.Ours is mainly an agricultural economy and much stress is laid upon the increased agricultural production. The success of increased agricultural production depends to a great extent on proper marketing of the agricultural produce and avoidance of exploitation in any form whatsoever. It is therefore, necessary to device a machinery which would regulate marketing of agricultural produce efficiently and also secure better and remunerative prices to cultivators.[Dated 18th April, 1973]Received the assent of the President on 18-4-1973, assent first published in the M.P.
