(2) On receipt of any application for consent under section 25 or section 26, the Board may depute any of its officer's accompanied by as many assistants as may be necessary for the purposes of verifying the correctness or otherwise of the particulars furnished in the application or for obtaining such further particulars or information as it may consider necessary, to visit the premises of the applicant to which such application relates. Such officers may for that purpose, inspect any place where water, sewage or 1[trades effluent] is discharged by the applicant as also any treatment plants, purification works, disposal systems and plants of the applicant and may require the applicant to furnish to him any plans, specifications and other data relating to such water treatment plants, purification works or disposal systems and plants or any part thereof, that may be considered necessary.(3)[Such officer may] [Substituted vide Notification No. G.S.R. 44/C.A.6/74/S.64/86, the 30th May 1986.], before visiting any premises of the applicant for the purpose of inspection under sub-rule (2) give, [***] [Omitted vide Notification No. G.S.R. 44/C.A.6/74/S.64/86, the 30th May 1986.], a notice to the applicant to his intention to do so in form 'C' and the applicant shall furnish to such officer all facilities that he may legitimately require for the purpose.(4)The officer of the Board may, before or after carrying out the inspection under sub-rule (2) summon the applicant or his authorized agent, to the office of the Board or to any of its regional or sub-regional offices or to his camp office and require the applicant to furnish to him orally or in writing such additional information or clarification or to produce before him such documents as he may consider necessary for the purpose of investigation of the application.

23. Appellate Authority Section 28.

- [(1) The Appellate Authority shall consist of either a single person or three persons appointed by the State Government, -(A)(i)in case of single person authority, the Appellate Authority shall consist of, either retired District and Session Judge or Administrative Secretary of Environment and Climate Change Department or a member of All India Services who is or has been in the service of Central or any State Government of the rank and equivalence of Principal Secretary and has experience in administering instructions dealing with matters related to the environment; or(ii)in case of three persons, the Appellate Authority shall consist of one of the persons, indicated at (i) above, who shall be designated as President of the Appellate Authority; and any two persons from the following category shall be appointed by the Government as Members, -(a)Scientist having experience of fifteen years in the field of Environment Management equivalent to the status of group A services;(b)Professional/Expert at least in the rank of Professor from the Department of Environment of a reputed university;(c)Secretary/Director level of All India Services officer;(d)Serving/Retired Engineer of not below the level of Superintending Engineer;(e)Serving/retired Additional Director from Prosecution Department, Haryana;(f)Retired District/Additional District and Session Judge;(g)Administrative Secretary/Secretary of Forest or Irrigation Department.In case, the President is a non-judicial person, in that case one of the two members shall be from judicial/prosecution side.(B)The President of the authority shall be paid with an honorarium of one lakh rupees per month and members shall be paid fifty thousand rupees per month by the Government and the Government shall pay the travelling allowances of the Appellate Authority, at such rates as are admissible to Grade I officer of the Government.(C)The term for President and Members of the Appellate Authority shall be for a period of two years.(D)The President and/or members of the Appellate Authority may hold office till sixty-seven years of age.](2)A memorandum of appeal shall be in form 'D' and the same shall be presented to the President of the appellate authority either personally or through registered post duly signed by the appellate or by his duly authorized agent.(3)(i)The Appellate Authority shall as soon as may be after the memorandum of appeal is filed, fix a date for hearing of the appeal and give intimation of the same to the appellant and the Member Secretary in such manner as it deems fit. A copy of the memorandum of appeal along with its enclosures shall be sent to the Member-Secretary.(ii)The appellate authority shall call for the record of the case from the Member-Secretary, if necessary.(iii)Where the material on record is insufficient to enable the appellate authority to arrive at a definite conclusion it may take additional evidence and/or call for such further material from the appellate or the Member-Secretary as it thinks fit. Such material shall form part of the record.(iv)If, on the date fixed for hearing or on any date to which hearing of the appeal may be adjourned, the appellant or his duly authorized agent does not appear when the appeal is called for hearing, the appeal may be either dismissed or decided ex parte [and in such a case the ex parte order so passed shall be conveyed to the party immediately thereafter, by registered post] [Inserted vide Notification No. G.S.R. 44/C.A.6/74/S.64/86, the 30th May 1986.](v)Where, an appeal is dismissed under sub-rule (iv) above the appellant may within 30 days from the date of dismissal of the appeal, apply to the appellate authority for the restoration of the appeal and if it is shown to the satisfaction of the appellate authority that the appellant had not received intimation of the date of hearing of the appeal or was prevented by any sufficient cause from appearing when the appeal was called for hearing, the appellate authority may restore the appeal on such terms and conditions as it

thinks fit.(4)(i)The order of the appellate authority shall be writing and shall state the points for the determination, of the decision thereon as also the reasons on which the decision is based.(ii)Copy of the order passed on appeal shall be supplied free of cost to the appellant. Copy of the order shall also be sent to the Member-Secretary.(5)[The fee payable for filing an appeal under section 28 of the Act shall be as decided by the Government from time to time. This fee shall be deposited with the Environment and Climate Change Department of the Government of Haryana before filing the appeal.(6)The Head Quarter of the Appellate Authority shall be either Panchkula or Chandigarh, as decided by the Government. The Government shall also make the arrangements of the sitting, conducting and functioning of the Appellate Authority and other secretarial services.] [Substituted by Notification No. S.O. 80/C.A. 6/1974/S. 64/2019, dated 20.11.2019 (w.e.f. 22.12.1978).]

24. Form of Budget Estimates Section, 38.

(1)The Budget in respect of a financial year next ensuing showing the estimated receipts and expenditure of the Board shall be prepared in form 'E' and submitted to the Government. (2) The estimated receipts and expenditure shall be accompanied by the revised budget estimated for the current year. (3) The Budget shall, as far as may, be based on the account heads specified in form 'F'.

25. Submission of Establishment expenditure and fixed recurring charges Section 38.

(1)The estimates of expenditure on fixed establishment as well as fixed monthly recurring charges on account of rent, allowances etc., shall provide for the gross sanctioned pay without deductions of any kind.(2)To the estimates referred to in sub-rule (1) shall be added a suitable provision for leave salary based on past experience with due regard to the intension of the members of the staff in regard to leave as far as the same can be ascertained.(3)If experience indicate that the total estimate for fixed charges referred to in sub-rules (1) and (2) is not likely to be fully utilized a suitable lump sum deduction shall be made from the total estimated amount.

26. Submission of budget estimates to the Board Section 38.

(1)The budget estimates as complied in accordance with the rule 24 shall be placed by the Member-Secretary before the Board by the 5th October each year for approval.(2)After approval of the budget estimates by the Board four copies of the final budget proposals incorporating therein such modifications, if any as have been decided upon by the Board, shall be submitted to the Government by the 15th October, each year.

27. Reappropriation and emergent expenditure Section 38.

- No expenditure which is not covered by a provision in the budget approved by the Board or which is likely to be in excess over the amount provided being made by re-appropriation from some other head under which savings are firmly established and available;[Provided that such reappropriation shall be submitted to the State Government.] [Inserted vide Notification No. G.S.R.

44/C.A.6/74/S.64/86, the 30th May 1986.]

28. Power to incur expenditure Section 38.

(1)The Board shall incur expenditure out of the funds received by it in accordance with the instructions laid down under the Punjab Financial Rules as are applicable to the State of Haryana, and such other instructions issued by the Government on this behalf, from time to time either generally to all concerned or specifically to the Board.(2)The Board may delegate any financial power to the Chairman, Member Secretary or any other officer of the Board to incur expenditure to a specified extent.

29. Operation of fund of the Board Section 38.

- Subject to the control of the Chairman, the fund of the Board shall be operated by the Member-Secretary of the Board or in his absence by any officer of the Board who may be so empowered by the Chairman. The Chairman may also delegate powers to any officer of officers of the Board either singly or jointly to issue on account of the expenditure which has been sanctioned for payment.

30. Savings Section 38.

- Nothing in these rules shall apply to a budget already finalized before the commencement of these rules.

31. Form of Annual Report Section 39.

- The annual report giving a true and full account of the activities of the Board during the previous financial year and containing the particulars specified in the form 'G' shall be submitted to the Government by the 15th of May, each year.

32. Form of Annual Statements of Accounts Section 40.

- The annual statements of account of the Board shall be in form H-I, H-II, H-III, H-IV and H-H-V.

33. Function of the State Water Laboratory Section 22(1).

- The State Water Laboratory shall get analysed any samples of water, sewage or trade effluent received by it from any officer authorised by the Government for the purpose and the findings shall be recorded in triplicate in form 'I'.

34. Fee for Report Section 52.

- The fees for each report as referred in rule 33 shall be such as may be notified by Government from time to time.

35. Qualification of Government Analyst Section 53.

- A Government Analyst shall be a person who-(a)is a graduate of University recognized by the Government for the Purposes of this rule in any branch of science including Chemistry, Bio-Chemistry, Industrial Chemistry Engg or Medicine ; and(b)has practical experience of not less than five years in a recognized Public Health Laboratory which in the opinion of the Government is a reputed laboratory.

35A. [Qualification of Board Analyst-section 53(3). [Inserted vide Notification No. G.S.R. 61/C.A.6/74/S.64/88 dated 26th August, 1988.]

- A Board analyst shall be a person who-(a)is a M.Sc. in Chemistry or has Bachelor Degree in Chemical Engineering or in Chemical Bio-Engineer-ing;and(b)has practical experience of not less than five years in the analysis of water sewage or industrial wastes in the analysis of water sewage or industrial wastes in teaching or research or in Government Laboratory.]

36. Form of report of State Board Analyst Section 22(3).

- When sample of any water, sewage or trade effluent has been sent for analysis to a laboratory established or recognized by the Board Analyst to a laboratory established or recognized by the Board, the Board Analyst appointed under sub-section (3) of section 53 shall analyse the sample and submit to the Board a report of the result of such analysis in triplicate in form 'J'.Form 'A'(See Rule 21)Haryana State Board for the Prevention and Control of Water PollutionNotice of intention to have sample

analysedTo _____
notice that it is intended to have analysed the sample of water/sewage effluent /trade effluent which is being taken today the _____ day of _____ 19 _____
from (I)

and designation of the person who takes the sample.(I)Here specify the stream, well, plant, vessel or place from where the sample is taken.To _____

B) [Substituted vide Notification No. 16/3/2001-Env.-iii. the 17th April, 2002.][See Rule 22(I)]Common Application Form For

ConsentFrom _____ ToMember
Secretary,Haryana State Pollution Control Board,Chandigarh.Sir,I/We hereby apply for
consent/authorization for the year _____ to _____.

- 1. consent to /operate/renewal of consent under Section 25 and 26 of the Water Prevention and Control of Pollution) Act, 1974 as amended.**
- 2. consent to /operate/renewal of consent under Section 21 of Air (Prevention and Control of Pollution) Act, 1981 as amended.**
- 3. Authorization/renewal of authorization under Rule 5 of the Hazardous Waste (Management and Handling rules) 1989 as amended in connection with my/our existing/proposed/alterd/additional manufacturing/processing activities from the premises as per detail given below:-**

PartA : General

- 1. Name, Designation, Office Address, Telephone Fax and E-mail address of the Applicant.**
- 2. (a) Name and location of the Industrial Unit/Premises for which the application is made (Give Revenue Survey Number/Plot No. Name of the Taluka and District, also Telephone No. and Fax No.**

(b)Details of planning permission obtained from Municipal Corporation / Directorates of Urban Development or Town & Country Planning/Haryana Urban Development Authority, which ever applicable.(c)Name of the Municipal Corporation/Panchayat Samiti/Panchayat under whose jurisdiction the unit is located & name of the license issuing authority.
- 3. Name Address with Telephone, Fax and E-mail address of the Managing Director/Managing Partner and officer responsible for the matter connected with Pollution Control and Hazardous Waste Disposal.**
- 4. If registered as a Small- Scale Industries Unit give number and date of registration.**
- 5. Gross Capital Investment of the unit without depreciation till the date of application (cost of building, land, pant and machinery) (to be supported by an affidavit, annual report and certificate from Chartered Accountant, for proposed units, give estimated figure).**

6. If the site is located near seashore/river bank/other water bodies; indicate the name & distance of the water body.

7. Does the location satisfy the requirements under relevant Central/State Government notification on ecologically fragile area etc. if so give details?

8. If the site is situated in notified industrial estate:

(a)Whether effluent collection, treatment & disposal system has been provided by the authority;(b)Will the applicant utilize the system, if provided.(c)if not provided, details of proposed arrangement for the treatment of effluent.

9. Total Plot area, Built up area and area available for the use of treated sewage/trade effluent.

10. Month and Year of the proposed commissioning of the unit.

11. Number of workers and office staff :

12. (a) Do you have a residential colony within the premises in respect of which the present Application is made?

(b)If yes, please state population staying.(c)Indicate its location & distance with reference to plant site.

13. List of products and by-products manufactured in tones/month, kilolitre/month or Numbers/month (give figures corresponding to maximum installed production capacity).

14. List of Raw materials and process chemicals with annual consumption corresponding to above stated production figures, in tones/month, kilo litre/month or numbers/month.

15. Description of process of manufacture for each of products showing input/output, quality and quality of solid, liquid and gaseous wastes, if any, forms each unit process. (to be supported by flow sheet and /or material balance.

Part B – Waste Water aspects (for Water Consent) if not applicable write not applicable)

16. Water Consumption for different uses (m³/day)

(1)Industrial cooling, Spraying in mine pits or boiler feeds.(2)Domestic purpose.(3)Processing whereby water gets polluted & the pollutants are easily biodegradable & are toxic.(4)Processing whereby water gets polluted and the pollutants are not easily biodegradable and are toxic.(5)Other such as agriculture, gardening etc. (Specify).Total _____

17. Source of Water supply, Name of the authority granting permission if applicable & quality permitted.

18. Quantity of waste water (Effluent) generated (m³/day)

(1)Domestic(2)Industrial

19. Water Budget calculations accounting for difference between water consumption and effluent generated.

20. Present treatment of sewage/canteen effluent (give sizes capacity).

21. Present treatment of trade effluent (give sizes/capacity of treatment units)

(A schematic diagram of treatment scheme with inlet/outlet characteristics of each unit operation/process is to be provided. Included details of residue management system (sludge's).

22. (a) Are sewage and trade effluent mixed together?

(b)If yes, state at which stage whether before or after treatment.

23. Capacity of treated effluents, sump, guard pond, if any.

24. Mode of Disposal of treated effluent, with respective quantity, m³ per day.

(1)Into stream/river (name of the river).(2)Into drain/sewer (owner of the sewer).(3)On land for irrigation on owned land/lease land specifies the cropped area (to be supported by relevant documents).(4)Quantity of treated effluent reused /recycled. Provide a location map of the disposal arrangement indicating the outlets of for sampling.

25. Quality of untreated / treated effluents (specify pH and concentration of Suspended Solids, Bio Chemical Oxygen Demand, Chemical Oxygen Demand & specific pollutants relevant to the industry. Total Dissolved Solids to be reported for disposal on land or into stream/river).

Enclose a copy of latest report of analysis from the laboratory approved/recognized by Haryana State Pollution Control Board/Central Board/Central Government in the Ministry of Environment and Forests. For proposed unit furnish expected characteristics of the untreated/treated effluents.

Part C – Air Emission aspect (for Air Consent) if not applicable write not applicable

26. Fuel Consumption

Coal	Low Sulpher	High Speed	Furnace	Natural
	Others		Oil	Gas

(specify)

(a) Fuel Consumption (Tones per Day)

(b) Calorific value

(c) Ash content%

(d) Sulpher content%

(e) Others (Specify).

27. Details of stack

(a) Stack numbers

1 2 3

(b) Attached to

(c) Fuel type

(d) Fuel quantity

(e) Material of Construction

(f) Shape (Round/Rectangular)

(g) Height in meters (above ground level)

(h) Diameter /size in meters

(i) Gas quantity, Nm³/hour

(j) Gas temperature C

(k) Exit Gas Velocity, Tones/sec

(l) Control equipment preceding the stack

(Attach Specification including residue management

Systems of each of the Control equipment indicating the

inlet/outlet concentration of relevant pollutants.

28. Do you have adequate facility for collection of samples of emission in the form of portholes, platform, ladder etc. as per Central Board Publication "EMISSIONS regulations Part III" (December, 1985).

29. Quality of treated flue gas emission and process emissions Specify concentration of criteria pollutants and industry/process specific pollutants stack wise. Enclose a copy of latest report of analysis from the approved/recognized laboratory by Haryana State Pollution Control Board/Central Government in the Ministry of Environment and Forest. For proposed units furnish the expected characteristics of the emission.

Part D – Hazardous Waste Aspects (for authorization under Hazardous Waste Rules) if not applicable write not applicable.

30. (a) Whether the unit is generating Hazardous Waste as defined in the Hazardous Waste (Management and Handling) Rules, 1989 as amended.

(b) If so, the Category No.

31. Authorization required for

(i) Collection (ii) Reception (iii) Treatment (iv) Transport (v) Storage (vi) Disposal of the Hazardous Waste

32. Quantity of the Hazardous Waste generated (kilogram/day) or (tones/month).

33. Characteristics of the Hazardous Waste specify the concentration of the relevant pollutants Enclose the copy of latest report of analysis from the laboratory approved/recognized by Haryana State Pollution Control Board/Central Government in the Ministry of Environment and Forest. For proposed unit furnish expected characteristics.

34. Mode of Storage (intermediate/final) (describe area, location and methodology)

35. Present treatment of Hazardous Waste, if any, (give type and capacity of treatment units)

36. Quantity of Hazardous Waste disposed

(i) Within the factory (ii) Outside the factory (specify location and enclose copies of agreement) (iii) Through sale (Enclose documentary proof and copies of agreement) (iv) Outside State/Union Territory. If yes particulars of (i) and (ii) above. (v) Others (specify).

Part E – Additional Information

37. (a) Do you any proposals to upgrade the present system for treatment and disposal of effluent /emission and or Hazardous Waste.

(b) If yes give the detail with time-schedule for the implementation and approximate expenditure to be incurred on it.

38. Capital and Recurring (Operations and Maintenance) expenditure on various aspects of environment protection such as effluent emission HW solid waste tree plantation monitoring data acquisition etc.

39. To which the pollution control equipment separate meters for recording consumption of electric energy are installed?

40. Which of the pollution control items are connected to Diesel Generator set (captive power source) to ensure the running in the event of normal power failure?

41. Nature, quantity and method of disposal non- hazardous solid waste generated separately from the process of manufacture & waste treatment (give detail of area/capacity available in applicants land).

42. Hazardous chemicals are defined under the Manufacture, Storage and Import of Hazardous Chemicals Rules, 1989.

(a) List of Hazardous chemicals stores (imported and indigenous) (b) Details of isolated storage. (c) Details of emergency preparedness plans (On-site/Off-site prepared).

43. Brief details of tree plantation/green belt development within applicant's premises.

44. Information of schemes for waste minimization, source recovery and recycling implemented and to be implemented, separately.

45. Any other additional information that the applicant desires to give.

46. I/We further declare that the information furnished above is correct to the best of my/our knowledge.

47. I/We hereby submit that in case of any change from what is stated in this application in respect of raw materials, products, process of manufacturing & treatment and /or disposal of effluent, emission, Hazardous waste etc. in quality & quantity; a fresh application for consent /authorization shall be made & until the grant of fresh consent/authorization no change shall be made.

48. I/We undertake to furnish any other information within 1 month of its being called by the Board/committee.

49. I/We agreed to submit to the board an application for renewal of consent/authorization in 2 months in advance before the date of expiry of the consent/authorization validity period.

50. I/We enclose herewith a demand draft for Rs.

_____ (_____ rupees) drawn in favour of _____ Haryana State Pollution Control Board as the fee for consent/authorization.

Yours faithfully, Signature _____ Name

_____ Designation _____ Documents enclosed :

1. Demand draft or receipt of deposit in an authorized bank towards consent fee/authorization.

2. Undertaking or affidavit or statement from the annual report or certificate from the Chartered Accountant in support of gross fixed capital investments.

3. Site plan/location map (in cases No. Objection Certificate was not obtained earlier).

4. Declaration regarding the distance of unit from the bank of Main River and in respect of stone crusher, hot mix plant for distance from highways and habitations.

5. Layout plan showing the location of stacks (chimney), effluent treatment plant, effluent disposal areas, air pollution control devices, Hazardous Waste treatments and disposal areas.

6. Manufacturing process flow sheet, with descriptive note on the manufacturing process for each product.

7. Copies of latest consent/authorization/environment impact assessment clearance.

8. Copy of small -scale industries registration certificate, if applicable.

9. Copies of letter of indent/industrial licenses, clearances from the department or any other relevant document (Please state).

10. Copies of the planning permission certificate issued by the Municipal Corporation/ Directorates of Urban Development or Town and Country Planning/Haryana Urban Development Authority.

Note : - The documents at Serial No. 2-10 are necessary for first application. For applications for renewal only document at Serial No. 7 is necessary.]Form 'C'[See Rule 22(3)]Haryana State Board for the Prevention and Control of Water Pollution Notice for inspection
