The M.P. Municipalities (Application of Municipal Property and Fund) Rules, 1965Published vide Notification No. 158-U-18, dated 30-7-1965, M.P. Rajpatra Part 2. dated 1-10-1965 at pp 781-783

#### **1. Short title.**

- These rules may be called the Madhya Pradesh Municipalities (Application of Municipal Property and Fund) Rules, 1965.

#### **2. Definition.**

- In these rules, "the Act" means the Madhya Pradesh Municipalities Act, 1961 (No. 37 of 1961).

#### **3. Expenditure for matters specified in clauses (a), (b) and (c) of sub-section (2) of Section 106 of the Act.**

- Expenditure by the Council of the Municipal Fund for the matters specified in clauses (a), (b) and (c) of sub-section (2) of Section 106 of the Act shall, save as otherwise provided by or under the Act, be made by a resolution of the Council, supported by two-thirds of the total number of Councillors :Provided that-(a)in the case of supply of water and electrical energy, drainage works and setting up of dairies or farms for the supply, distribution and procuring of milk or milk products, the previous sanction of the State Government; and(b)in the case of other matters of the previous sanction of the Commissioner, shall be obtained :Provided further that in the case of creating scholarships tenable

outside the limits of the Municipality, the Council shall not incur expenditure except on such terms and conditions as may be specified in the bye-laws made by the Council in that behalf under Section 358 of the Act :Provided also that no such expenditure shall be incurred by the Council unless the expenditure of the same is covered by a current budget grant.

#### **4. Utilisation of the Municipal fire-brigade.**

- Under clause (d) of sub-section (2) of Section 106 of the Act, the Municipal fire-brigade may be utilised outside the limits of the Municipal Council by the orders of the Collector, or any other Officer authorised by him in this behalf, or of the President of the Council, on the condition, that the following fees and charges shall be payable by the person or the authority for whose benefit the fire brigade is used, namely :-(a)fees and hire charges as specified in Schedule I;(b)depreciation charges, as specified in Schedule II;(c)wages of the staff, including supervising staff, and also including the element of contributions towards pension, provident fund, leave, salary' etc. according to Schedule III;(d)such compensation for loss or damage which may occur to the fire brigade or staff while so employed, as may be decided by the Collector of the district.

#### **5. Rules to be general.**

- These rules shall be general for all Municipalities.
