immediately before the publication of this notification in the Andhra Pradesh Gazette, shall so far as may be, apply to the matters afore said.(2)All references to a Municipal council or Chairman or executive authority thereof, or the District Board or the president or executive authority to the Panchayat in any rule referred to in sub-rule (1) shall be construed as reference to the licensing authority under the Act for the purposes specified in Section 6 of the Act.Chapter - 2 Grant of a license:

5. No objection certificate.

(1)Any person intending to use any place for exhibition of film on Television Screen through Video Cassette Recorder or use any site for constructing or reconstructing a building for exhibition of film on T.V. Screen through V. C. R. or to install any machinery for the said purpose and to employ electrical power to other mechanical power shall make an application in Form A-I for no objection certificate.Such application for construction shall be accompanied by:(a)A site plan prepared on a separate sheet drawn to scale, showing(i)the cardinal points marked there on;(ii)the position of the site in relation to any adjacent premises and to the public thoroughfare upon which it abuts: and(iii)the surrounding roads and buildings such as schools, hospitals places of worship and the like which exist up to distance of 182 meters of the site.(b)Relevant record or certified copiers thereof relating to his ownership and possession of the site, if he himself is the owner thereof, or those relating to his lawful possession of the site if he is not the owner.(c)The amount of Fee as may be prescribed by the Government shall be paid in respect of each application and a treasury receipt for the amount of fee paid shall be submitted along with the application referred herein.(2)A copy of the application in Form 'A'-I along with the site plan referred to In sub-rule (1) shall be submitted to the local authority concerned, which shall forward it to the licensing authority together with its objection, if any, to the site and to the installation of machinery equipment.(3)A copy of the application shall also be sent to the Deputy Commissioner of Police (Traffic) in the twin cities of Hyderabad (Hyderabad & Secunderabad), Cyberabad, Vijayawada and Visakhapatnam and elsewhere to the concerned Superintendents of Police, who shall remit it to the licensing authority with objections, if any.

6. Grant or refusal of No Objection Certificate.

- 1.(a) On receipt of objections, if any, the licensing authority shall scrutinize the same, with respect to the compliance of the rules and if found to be defective, he may, after giving the applicant an opportunity of being heard, reject the application.(b)If the application is otherwise found proper in all respects and in conformity with all the relevant rules, the licensing authority shall cause a notice in Form A-II, both in English and Telugu to be displayed in the notice board of the licensing authority and the local authority concerned, calling for objections, if any, in writing from the public to be submitted within a period of (15) days, from the date of display of this notice. Any objections filed after this period shall be liable to be rejected summarily.(c)After considering the application with due regard to the provisions of Section 5 of the Act and the objection, if any, of the local authority, the police or the public, the licensing authority, may grant a no-objection certificate in Form 'B', or may refuse to grant it. The orders of the licensing authority in granting or refusing to grant a no objection certificate, shall be communicated to the applicant and to the person or

persons, if any, who have filed objections before the licensing authority.(2)The no-objection certificate shall be valid for a period of one year. If within this period, the on objection certificate is not utilized for obtaining a license in Form 'G', a fresh no objection certificate shall be applied for.(3)Any person aggrieved by the order of the licensing authority in granting or refusing to grant a no objection certificate may prefer an appeal to the Government within a period of 30 days.(4)Transfer of no objection certificate to the legal heirs:(i)On the death of a no-objection certificate during the validity period of the no-objection certificate any of his legal heirs may make an application in Form 'M' to the licensing authority;(ii)the application shall be made within a period of three months from the date of the death of the holder of no objection certificate;(iii)every application for transfer or assignment of no objection certificate shall be accompanied by a death certificate of the deceased;(iv)in case where an application is made by one or more of the legal heirs, the consent letters from all other legal heirs for transfer or assignment of on objection certificate in his or their favour shall be filed;(v)where one of the joint holders of a no objection certificate dies, the certificate will be deemed to have lapsed on the date of his death, less any of the legal heirs of the deceased make an application for transfer.(5)Transfer of no objection certificate to other persons:(i)In case the holder of a no objection certificate desires to transfer or assign the certificate to some other person or persons, a joint application by him and the person or persons shall be made in 'Form-M' to the licensing authority setting forth the reasons for the proposed transfer or assignment before the period of expiry of validity of the no objection certificate;The amount of Fee as may be prescribed by the Government shall be paid in respect of each application and a treasury receipt for the amount of fee paid shall be submitted along with the application.(ii)the application for transfer on assignment shall be submitted along with the original no objection certificate and sworn affidavits by the proposed transferor and transferees;(iii)the provisions of the rules relating to the transfer or assignment in respect of license shall mutatis mutandis apply to the transfer of no objection certificate;Chapter - 3

7. Approval of plan of building.

(1)On receipt of no objection certificate, the applicant shall submit an application for approval of the plan of the building existing or proposed to be constructed along with:-(a)complete plans, elevation and sections of the premises in triplicate and of all erections or holdings thereon drawn corrects to a scale of one centimeter to a meter and showing the position of electrical machinery and detailed writing diagram duly signed by a licensed electrical contractor as prepared by an Engineer holding a degree in civil engineering recognized by the University Grants Commission or by holder of a diploma in civil engineering with experience for a period of not less than ten years in building construction;(b)a plan (in single line) of the wiring in duplicate, a copy of which shall also be sent to the Chief Electrical Inspector to Government or an Officer deputed by Chief Electrical inspector to Government i.e. Deputy Electrical Inspector of concerned jurisdiction;(c)The application shall comply with the Fire and Life safety provisions of the National Building Code of India, 2005 as amended from time to time.(2)While submitting the plan the applicant shall follow the guidelines as given in Appendix 1.

8. Approval or Refusal of plan of buildings.

- On receipt of the plan in triplicate, the licensing authority, shall after consulting the Executive Engineer (R&B) and the Chief Electrical Inspector to Government approve or refuse to approve the plan of the building. The licensing authority shall send one copy of the approved plan of the building to the concerned local authority. In case the licensing authority refuses approval, the reasons for the same shall be recorded in writing by him.

9. Electrical and structural soundness certificates.

(a)The applicant shall notify the Executive (R & B) while starting the construction and on completion of the building, shall obtain a certificate of structural soundness of the building from the Executive Engineer (R & B) which shall be valid for 3 years. The certificate shall be issued in Form-'c'. The Executive Engineer may grant the certificate for any lesser period for reason to be recorded in writing.(b)On completion of electrical Installation in the building, the applicant shall obtain a certificate of electrical wiring of the building in Form 'D' from the Chief Electrical Inspector to Government and Fire safety certificates from Director General of Fire Services or an Officer deputed by him.(c)In case of Executive Engineer (R & B) refuses to issue the certificate of Structural soundness of the building for the reasons recorded in writing the applicant shall have the right to refer the matter to the Superintending Engineer concerned whose technical opinion thereon shall be final.

10. Application for permission.

- Every applicant for obtaining permission shall submit an application under Section 6 to the licensing authority, accompanied by the certificates issued by the Executive Engineer (R&B) and Chief Electrical Inspector and the evidence of having insured the premises.The licensing authority, after satisfying himself, may issue to the applicant a permission under Section 6 in the Form 'E' or refuse to issue such a permission. The licensing authority may also impose any special condition to be fulfilled in the permission. A copy of the plans and drawings referred to in Rule 7 shall be attached to the permission.Chapter - 4 Issue of License

11. Application for license.

(a)Any person who has been granted permission under Section 6 may apply for a license referred to in subsection (1) of Section 3 for exhibition of cinematography film on television screen through video cassette recorder. The application shall be submitted in Form 'F' in triplicate, before the licensing authority and shall be accompanied by a treasury receipt for payment of fee as may be prescribed by the Government from time to time.(b)The licensing authority shall after satisfying itself in regard to the provision of Section 5 and after making such enquiry as he deems fit may grant the license for exhibition of film on television screen through video cassette recorder. The license shall be in form 'G' and shall be subject to such terms and conditions specified therein. The license shall be valid for a period covered by the Chief Electrical Inspector to Government, or an Officer

deputy by him, i.e.. Deputy Electrical Inspector of concerned jurisdiction, certificate referred to in Rule 9.(c)The licensing authority may refuse to grant the license if he finds that the applicant has not complied with the requirements of Section 5. Provided that before refusing to grant the license, the licensing authority shall give to the applicant, a reasonable opportunity of being heard.

12. License for keeping Video Library.

(a) Any person intending to keep video library shall make an application to the licensing authority in Form-'H' for obtaining license under sub-section(1) of Section 4 and shall submit the same in triplicate along with a treasury receipt for payment of a fee as may be prescribed by the Government from time to time. (b) On receipt of the application, the licensing authority shall consult the local authority concerned and call for its report. On receipt of the report from local authority and having regard to the public interest referred to in subsection (1) of Section 5 of this Act and after satisfying itself to the provisions of sub-section (2) thereof, the licensing authority may grant a license for keeping a video library in Form 'J' which shall be subject to such terms and conditions as specified therein. (c) The licensing authority, on considering the report of the local authority referred to in sub-rule (b) and for reasons to be recorded in writing, may refuse to grant the license: Provided that before refusing to grant license, the licensing authority shall give to the applicant a reasonable opportunity of being heard.

13. Renewal of License.

- {1) Every application for renewal of license for exhibition of film on television screen through video cassette recorder and/or for keeping video library, shall be made thirty days before expiry of the license sought to be renewed and it shall be made in 'Form O', accompanied by the treasury receipt for payment of fees as may be prescribed by the Government from time to time and evidence of having insured the place of exhibition film on T.V. screen through VCR or the video library: Provided that if the application is not made before thirty days provided in sub-rule (2), a late fee as may be prescribed shall be paid and the Challan enclosed to the application for renewal. (2) In the case of application for exhibition of film on T.V. screen through video cassette recorder, it shall be accompanied by evidence from Commercial Tax Authorities that there is no tax due under the A.P. Entertainment Act, 1939 (Act X of 1939). (3) A copy of the application for renewal of license shall be sent simultaneously to the Chief Electrical Inspector to Government, Executive Engineer (R & B) and the Director-General of Fire Services or an Officer designated by him. (4) Certificate of Chief Electrical Inspector:- The Chief Electrical Inspector to Government or an officer deputy by him, i.e. Deputy Electrical Inspector of concerned jurisdiction, on receipt of the copy of the application for renewal as required in sub-rule (3) shall inspect the electrical installation and certify that the installations continues to be maintained according to the rule. (5) Renewal of licenses: On receipt of the certification of the Chief Electrical Inspector to Government about Electrical Installation, the licensing authority or an officer authorized by him shall inspect the premises and after being satisfied that all the rules are duly complied with shall renew the license. (6) Temporary permit: (a) In case, before the date of expiry of the license, the licensing authority, for any reason, does not renew, he shall grant a temporary permit in 'Form K'. But such a permit shall be issued only when the Chief Electrical Inspector or any Officer deputed by him, i.e. Deputy Electrical

Inspector of the concerned jurisdiction certificate continues to be remain valid,(b)The temporary permit shall be deemed to be license subject to the conditions of the license sought to be renewed, and no fee shall be charged for issue of the same.(c)The permit shall be valid for a period of one month from the date of issue and may be renewed for a further period of one month at a time:Provided that such a permit shall cease to be valid on the licensee receiving the license duly renewed or receiving an order refusing to renew the license in which case, the applicant shall surrender the permit.(7)(a)Structural soundness: For obtaining a renewal of Certificate of Structural Soundness in case of the building, an application shall be made to the Executive Engineer (R & B) at least one month prior to the date of expiry of the period specified in that certificate.(b)The Executive Engineer or an officer deputed by him after inspection of the building, shall renew the certificate of structural soundness or refuse to issue such certificate. The provisions of rule shall apply mutatis mutandis to the renewal of such certificate.(c)The proceedings of the Executive Engineer (R & B) either issuing or refusing to issue the structural soundness certificate, shall be sent to the licensing authority and a copy thereof shall be sent to the applicant.

14. Transfer/Assignment of License.

(1)On the death of licensee, any of his legal heirs, may within a period of six months from the date of his death make an application in form 'L' to the licensing authority for the transfer of the license in his name, along with the death certificate of the deceased and treasury receipt for the payment of transfer fee as may be prescribed by the Government.In case, the application is made by any of the legal heirs, of the deceased licensee, consent letter from all the other legal heirs of the deceased for such transfer shall be filed along with the application.(2)Where a licensee desires to transfer or assign his license in favour of some other persons, a joint application in writing signed by the licensee and the proposed transferee shall be made to the licensing authority giving all the details required in Form 'L' along with a treasury receipt for payment of the transfer fee, and a copy of the document, if any, executed between the parties showing the reasons for the proposed transfer.(3)Calling for objections: The licensing authority shall cause a notice to be displayed on its notice board and that of the local authority concerned about the receipt of the application and such other details as necessary and call for objections, if any, from the public to be filed in writing within (15) days from the date of publication on the notice board. Any objection filed thereafter shall be summarily rejected.(4)Approval or rejection of application:(a)The licensing authority, after considering the objections, if any, received from the public and considering the previous experience, Eligibility and antecedents of the applicant, shall either approve or refuse to approve the transfer of assignment of license. A copy of the said order shall be communicated to the applicant and to the Person or persons who filed the objection,(b)In case of approval of the transfer or assignment of license, the licensing authority shall make an entry in its book and the license after endorsement of transfer or assignment shall be returned to the applicant.(5)In case the application for transfer or assignment is rejected, the same shall be communicated to the applicant in writing giving the reasons therefor.(6)Any person aggrieved by the order of the licensing authority approving or refusing to approve the application for transfer or assignment of the license may appeal to the Government and the provision of Rule 15 shall apply to such appeal.Chapter - 5 Appeals

15.

(1) Any appeal to Government under Section 18 of the Act against the order or decision of the licensing authority, refusing to grant or renew a license, or an order revoking or suspending a license or refusing the application for transfer or assignment of license or no objection certificate, shall be preferred within thirty days from the date of receipt of the order appealed against: Provided that an appeal may be admitted after the expiry of the thirty days, if the appellant satisfies the Government that he had sufficient cause for not preferring the appeal within the time limit. (2) The Memorandum of appeal shall be submitted in triplicate setting forth concisely the grounds of objection to the order appealed against. (3) It shall be accompanied by the original or certified copy of the order appealed against. (4) The amount of fee as may be prescribed by the Government shall be paid in respect of each appeal and the Memorandum of appeal shall be accompanied by a treasury receipt for the amount of fee due on the appeal. No court fee stamp need be affixed to the memorandum of appeal. (5) The Memorandum of appeal shall be Signed by the appellant or by his authorized agent and presented to the appellate authority in person or by his agent on any working day at any time during the office hours or sent by registered post acknowledgement due. The authorization to the agent should be in writing unless the agent holds a power of attorney. Chapter - 6 Miscellaneous

(3) Suitable means of drainage to the building and also sanitary conveniences of such description and design shall be provided as may be recommended by the Executive Engineer (R & B), who has to issue the structural soundness certificate of the building, for the exclusive use of each sex separately and shall cause the same to be maintained in good order and sanitary condition.

6. Fire and life safety requirements. - (1) The floor, roof, ceiling, private boxes, balconies, galleries, tiers, partitions and every room, lobby, corridor and passage intended for the use of the public shall be constructed of fire resisting materials. The specifications prescribed under Group D- Assembly Buildings, as per clause 3, part 4 of National Building Code of India as amended from time to time shall be complied.

(2) No panelling of walls with wood and other combustible materials for decorative and other purposes in the building shall be permitted: Provided that in building in which such panelling has already been effected, the combustible materials with which the panelling has been effected shall be treated with fire resistant paints.

7. Doors. - All outside doors for the use of the public shall be made to open outwards and internal doors shall be so fitted as not to obstruct, when open, any gangway, passage, stairway or landing, such doors when open should engage on an automatic spring.

8. Ventilation. - The licensee shall provide sufficient and approved artificial means of ventilation whenever required by the licensing authority. Artificial means of ventilation shall include provision of exhaust fans.

9. Electrical installation not to be altered without approval. - No addition to or alteration of any point of the electrical installation within the premises shall be made without the prior sanction of the licensing authority.

10. Compliance with instructions. - The Chief Electrical Inspector or any officer deputed by him inspecting an installation shall, if he discovers any defect therein, issue written orders to the owner or person in charge for the rectification of the defects through a licensed electrical contractor and prescribe reasonable time within such orders should be carried out.

Appendix II

1. The licensee shall cause. - (1) All windows and other means of ventilation in the building to be maintained in good order.

(2) Every part of such building or place to be maintained in proper sanitary condition. (3) The walls of the buildings to be hot lime washed at least once in every six months or to be painted once in every two years or more often, if so prescribed.

2. Restriction on admission of persons. - (1) The licensing authority shall fix the actual number of persons to be admitted to each class of accommodation provided in the place of exhibition. The number shall be arrived at by calculating at the rate of 20 persons per 10 square meters of floor area, in respect of that portion of the premises which provided with chairs having backs and arms.

In calculating the floor area under subrule (1) the area of the entrances, the passages, gangways and the stair cases shall be excluded and no part of the premises from which a person can watch the exhibition of films shall be excluded. Rate of admission to be fixed. - (1) The licensing authority shall fix the actual rates of admission to accommodation provided in the place of exhibition after taking into account the proposals of the licensee, the amenities provided in the place of exhibition, the prevailing rates of admission in similar places of exhibition in similar localities within his jurisdiction and any other relevant factor. (2) The rates prescribed for admission in the place of exhibition shall be clearly indicated by means of a board or otherwise. (3) The licensing authority may, on application by the licensee, alter the rates of admission if there has been any change in the amenities provided either in that accommodation or generally in the place of exhibition or for any other valid reasons. Seating accommodation. - The following provisions shall be observed in providing seating accommodation: (1) Chairs shall be battened together in complete lengths. (2) In all cases, there shall be an intervening space of at least 35 centimeter between the back of one seat and the front of the seat immediately behind measured between perpendiculars. Provision for electricity: In the premises, sufficient number of approved electric lights fed from an independent source or

sources which are automatically switched on in case of failure of main lighting shall be provided in the place of exhibition, gangways, passages and exists. Provision for fire-extinguishers: (1) In the place of exhibition, sufficient number of portable fire-extinguishers of soda acid type and of the ten liter size shall be installed at an adequate height from the ground of the satisfaction of the licensing authority. A record regarding the maintenance of portable extinguishers shall be maintained. (2) The licensee shall: (1) Once in every three months empty the container of each portable fire-extinguisher provided in the licensed premises, clean its nozzles and working parts, stir the liquids in it and top it up, immediately record the date of having done so on a slip of paper and paste the same on the outside of such container. (2) Once in every year discharge each portable fire-extinguisher provided in the licensed premises and recharge it and immediately record the date of such re-charge in durable paint on the external surface of container of the fire-extinguishers. (3) Sufficient number of buckets with water shall be provided in the licensed premises. Buckets shall be painted in red with the word "FIRE" printed on them in large block letters in local vernacular. Appendix - III

1. (a) Every application to the Licensing Authority for the grant or renewal of a licence for public exhibition of films on video under the Act shall be in writing and in Form-G in quadruplicate and shall be accompanied by the treasury receipt for the payment of fees as may be prescribed.

1. (b) application for renewal of licence shall be made three months before the expiry of the licence sought to be renewed.

2. Within fifteen (15) days of receipt of such application, the Licensing Authority shall:

(a) if the application is not in order, return the same to the application for resubmission within a period of 60 days failing which the application shall be treated as rejected and fresh application shall be made; (b) if the application is in order, forward a copy of the application each to the Executive Engineer (R&B), the Electrical Inspector, the Health Officer AND an Officer from Fire Department asking for their reports and certificates within fifteen days. (c) On receipt of the reports and certificates referred to in clause (b) above, if the licensing authority is satisfied that adequate precautions have been taken in the place to provided for the safety of the persons attending exhibitions therein, he shall within ten days from the date of receipt of the above reports and certificates grant or renew a licence a licence in form 'K' with or without adding additional conditions thereto consistent with the provisions of these rules, as he may deem fit in the interest of health and safety of public: (i) Provided that if the licensing authority is satisfied that provisions of these rules have not been fulfilled and or that it is not in the interest of the health and safety of the public, he may refuse the grant of the licence applied for and communicate to the applicant the reasons for such refusal. (ii) Provided further that clause (b) and (c) do not apply in the case of Video exhibitions provided in the transport vehicles. In the case of transport vehicles the licence may be granted by the licensing authority on the basis of the tax receipts under the Andhra Pradesh Motor Vehicles Taxation Act, 1963, the 'C' certificate and fitness certificate issued by the competent authority under the Motor Vehicles Act, 1988.

3. The Licensing Authority while granting or renewing the licence in Form-K shall fix the maximum number of persons to be admitted at a time and also fix the maximum rates of admission allowed which are liable for taxation under the Andhra Pradesh Entertainment Tax Act, 1939 and the rules made thereunder.

4. Licence may be granted/renewed for a period not exceeding one year.

5. Certificates to be obtained by the Licensing authority:

(i)The Electrical Inspector or the Officer deputed by him shall issue Electrical and Fire Certificate in Form-D to the effect that the Video apparatus, the Electrical Installation and Fire Extinguishing appliances are suitable and in order and fulfil the requirements of these rules.(ii)The Health Officer of the local authority or the District Health Officer where the Local authority has no such Officer, shall issue a health certificate to the effect that the provisions relating to public health, ventilation and the like have been satisfied.(iii)The Executive Engineer (R & B) or the Officer deputed by him shall issue a certificate to the effect that the building is fit for the purpose and afford shelter from sun and rain.(iv)The certificates referred to above shall be for a period of one year.

6. The distance between the Video screen and the first row seats shall be not less than 10 (ten) feet and no person shall be admitted within such space.

7. The distance between the existing permanent or semi-permanent or temporary cinemas and the Video public exhibitions shall be not less than 800 metres.

8. The distance between one Video center and another video center shall be not less than 100 metres.

9. The public exhibition of films on Video shall be allowed only in commercial areas and in no case such exhibitions shall be allowed in residential areas.

10. The Licensing Authority may in consultation with the Health Officer either require extractors, exhaust fans, ceiling fans or other means of artificial ventilation to be provided.

11. There shall be openings of 1.5 square metres for every ten persons for ventilation purposes to ensure a balanced air supply.

12. One WC and one Urinal for every 50 persons and less for exclusive use of each sex shall be provided.

13. There shall be atleast two door ways fitted with doors to open outwards.

14. Drinking Water shall be provided in such manner and in such quantity as may be specified by the Licensing Authority.

15. The number of persons to be admitted into any part of the auditorium shall be determined by calculating at the rate of 20 persons per 9 square metres of floor area after excluding the area for entrances, passage, gangways, stage and all places to which the public are not admitted.

16. The chairs shall be battened together in complete lengths.

17. There shall be an intervening space of atleast 0.35 metres between the back of one seat and front of the seat immediately behind measured between perpendiculars. In the case of establishments for serving coffee, tea, cool drinks and other beverages required tables should also be provided.

18. There shall be a passage of 0.90 metres in width for every ten rows of seating accommodation.

19. The gangways shall be not less than 0.90 metres in width and shall be so arranged that no seats shall be more than 10 seats from a gangway.

20. All the cables, wires used shall be of BIS grade and the wiring shall pass through conduit pipes only.

21. There shall be a separate circuit controlled by a suitable linked switch for the supply of electricity taken to the Video Hall.

22. Three pin plugs with the third pin effectively connected to earth shall be used.

23. Separate circuits shall be provided for lights, fans and other equipment respectively.

24. An automatic voltage regulator/ stabilizer which can provide an output voltage of $2.30 + 6\%$ shall be installed before the video equipment.

25. Video films shall not be exhibited in a totally dark room or hall. A dim light about 25 Watts to 40 Watts bulb shall be kept burning throughout the exhibition of films. The bulb shall be placed at right angles to the line of vision of the public.

26. One portable fire extinguisher of Co. 2 or C.T.C, or D.P.C. type of 1 kg Capacity and one bucket (9 litres.) filled with sand shall be provided,

27. All the provisions in this Appendix shall be applicable to video Cassette Recorders and Video Cassette Projectors or any other equipment used for public exhibition of films on Video in any place including hotels, restaurants, bars, clubs, transport vehicles etc.;
