(1) Appointment by promotion to different grades shall be made from the lower grades as specified in the Schedule. (2) All promotions shall be made against sanctioned posts available as per Schedule hereto, by the Appointing Authority on recommendations of the Selection Committee based on suitability and relative merit. Provided that in assessing the suitability and relative merit of an employee for promotion, performance of such employee in the post or grade, from where he is being considered for promotion, shall be considered and the Authority shall prepare a brief of the eligible officers and employees indicating their past experience, performance reports, vigilance status, exceptional contributions etc. for the consideration of the Selection Committee. Provided that zone of consideration for promotion amongst the eligible candidates shall be three times the number of vacancies available and subject to availability of records for promotion of all such candidates shall be considered on the basis of their records for an equal period that may be determined by the Authority. If records of any candidate are not available for the period fixed, records of such candidate for first year preceding the said fixed period shall be considered. In case, records of first year preceding the fixed period is not available, then records for second year preceding the fixed period shall be considered. This principle shall be applied for all years for which records are not available. In case, as per abovementioned, requisite number of candidates is not available to constitute zone of consideration for available vacancy/vacancies, all the officers who are otherwise available shall be considered. Provided further that promotion to the posts up to Level 11 shall be made on seniority cum merit, in accordance with the benchmark prescribed by the Authority. Provisions of immediately preceding proviso shall also apply to the promotion to the posts up to Level 11.

(2) In the case of a person who is initially taken on deputation or otherwise and absorbed later, his seniority in the post or grade in which he is absorbed will normally be counted from the date of issue of order for absorption. If he has, however, been holding already (on the date of absorption) the same or equivalent post or grade on regular basis in his parent department such regular service in the post or grade shall also be taken into account in fixation of his seniority, subject to the condition that he will be given seniority from-(a) the date he has been holding the post on deputation or otherwise; or (b) the date from which he has been appointed on a regular basis to the same or equivalent post or grade in his parent department, whichever is earlier: Provided that the fixation of seniority of a transferee shall be in accordance with above principles shall, however, not affect any regular promotions to the grade made prior to the date of such absorption: Provided further that the inter se seniority of similarly placed absorbees shall be determined by the order of merit assigned by the Selection Committee. (3) The relative seniority of all direct recruits shall be determined by the order of merit in which they are selected for appointment for a specific post. The persons appointed as a result of an earlier selection shall rank senior to those appointed as a result of subsequent selection. (4) Where promotions are made on the basis of recommendation of the

Selection Committee, the seniority of such promotees shall be in the order in which they are recommended for such promotion by the Committee. Where promotions are made on the basis of seniority, subject to the rejection of the unfit, the seniority of persons considered fit for promotion shall be the same as the relative seniority in the lower grade from which they are promoted. Where, however, a person is considered unfit for promotion and is superseded by a junior, such persons shall not, if he is subsequently found suitable and promoted, take seniority in the higher grade over the junior persons who had superseded him.(5)The seniority of an officer or employee not covered by the above provisions shall be determined by the Appointing Authority.(6)Each year, the Authority shall prepare a list of the employees in its service showing their names in the order of their seniority containing such other particulars as the Appointing Authority may determine and a copy of such list shall be made available to each employee.
