**15. Reciprocity application for the registration of a design .-(1) Every reciprocity application for the registration of a design shall contain a statement that an application in United Kingdom or convention country or group of countries or inter-governmental organisation has been made for the protection of the design to which such reciprocity application relates and shall specify convention country or group of countries or inter-governmental organisation in which any such application has been made and the official date or dates thereof respectively. The application shall be made within six months from the date of the first application in United Kingdom or convention country or group of countries or inter-governmental organisation by the person by whom such application in United Kingdom or convention country or group of countries or inter-governmental organisation was made, or by the legal representative or assignee of the person either alone or jointly with any other person.**

(2) In addition to the four copies of the representations of the design filed or left with every reciprocity application for the registration of a design, a copy of the design filed or deposited by the applicant or his predecessor in title as the case may be, in respect of the first application in United Kingdom or convention country or group of countries or inter-governmental organisation, duly certified by the Official Chief or Head of the organisation in which it was filed, or deposited or otherwise verified to the satisfaction of the Controller, shall be filed or left at the office at the same time as the reciprocity application or within such further time not exceeding three months as the Controller may allow [on an application made in Form 18 with the fee specified in the First Schedule.](3) Save as aforesaid and as provided by rule 30 all proceedings in connection with a reciprocity application shall be taken within the time and in the manner required by the Act or prescribed by these rules for ordinary application.

**16. Manner in which a claim under sub-section (1) of section 8 shall be made .-(1) A claim under sub-sections (1) [and (5)] of section 8 shall be made in Form 2.**

(2) The original assignment or agreement or other document affecting right, title or interest in the application or an official or notarially certified copy thereof shall also be furnished for the Controllers's inspection and the Controller may call for such other proof of title or written consent as he may require.

**17. Acceptance .-Upon receipt of an application for registration, the Controller may accept it, if he considers that there is no lawful objection in the report of examiner to the design being registered. [After acceptance the Controller will issue the certificate of registration as specified in the Fifth**

## **Schedule of the rules.]**

**18. Objections .-(1) If on consideration of the report of the examiner on the application referred under sub-section (1) of section 5, any objection appear to the Controller is adverse to the applicant or requires any amendment of the application, a statement of such objections shall be sent to the applicant or his agent in writing, and unless within three months from the date of official communication of objection the applicant or his agent removes the objection or applies for hearing, the applicant shall be deemed to have withdrawn his application:**

Provided that the period for removal of the objection shall not exceed the time period of six months from the date of filing of the application [or may be extended for a further period not exceeding three months on a request made in Form 18 by the applicant or his agent along with the fee specified in the First Schedule before the expiry of the stipulated period of six months.](2)If the applicant or his agent applies for a hearing under sub-rule (1) within a period of three months from the date of communication of the statement of objections or if the Controller considers it desirable to do so, whether or not the applicant has refiled his application, fix a date for hearing having regard to the time remaining for completion of the application as provided under rule 21.(3)When a hearing has been fixed under sub-rule (2) the applicant shall be given at least 10 days notice of such fixation or such shorter notice as appear to the Controller to be reasonable in the circumstances of the case and applicant shall as soon as possible notify the Controller whether he shall attend the hearing.(4)Hearing, as required under sub-rules (1), (2) and (3) may be allowed whenever possible on phone followed by detailed submission on tele-fax/e-mail.(5)After hearing the applicant or without a hearing if the applicant has not attended or has notified that he does not desire to be heard, the Controller may register or refuse to register the design as he thinks fit.

**19. Decision of Controller .-The decision of the Controller containing the grounds and materials used by him in arriving the decision at such hearing as aforesaid shall be communicated in writing to the applicant or his agent.**

**20. Date for appeal .-The date on which the decision of the Controller is dispatched shall be deemed to be the date of the Controller's decision for the purpose of appeal.**

## **21. [ Non-completion within stipulated period**

.-An application which owing to any negligence or default of the applicant, has not been completed so as to enable registration to be effected within six months or within extended period as specified in rule 18 from the date of application, shall be deemed to be abandoned.]

**22. Publication of the particulars of registered design under section 7.-On acceptance of the design filed in respect of an application, the Controller shall direct the registration and publication of the particulars of the application and the representation of the article to which the design has been applied, in the Official Journal referred to in section 145 of the Patents Act, 1970 (39 of 1970). When publishing in the Journal referred to in section 145 of the Patents Act, 1970 (39 of 1970), the Controller may select one or more views of the representation of the design, which, in his opinion, would depict the design best.**

**23. Manner of making an application under sub-section (2) of section 11.-An application under sub-section (2) of section 11 shall be made in Form 3.**

**24. Restoration of designs .-(1) An application for the restoration of a design under section 12 shall be made in Form 4.**

(2) Upon consideration of the application and the evidence adduced by the proprietor of the design, if any, if the Controller is satisfied that a prima facie case for the restoration of the design has not been made out he shall intimate the proprietor of the design accordingly, and unless within one month from the date of such intimation the proprietor requests to be heard in the matter, the Controller shall refuse the application. (3) If the registered proprietor requests for hearing within the time allowed and the Controller after giving the registered proprietor such a hearing, is prima facie satisfied that the failure to pay the fee for extension of copy right was unintentional, he shall allow the application for restoration.

**25. Payment of unpaid extension fee .-(1) If the Controller decides in favour of the registered proprietor of the design, the proprietor shall pay the unpaid fees for the extension of copyright and additional fee specified in the First Schedule, within a month from the date of the order of the Controller allowing the proprietor for restoration of the design.**

(2) The Controller shall advertise in the Official Journal referred to in section 145 of the Patents Act, 1970 (39 of 1970) his decision on the application for restoration.

**26. Marking of articles before delivery on sale .-Before delivery on sale of any article to which a registered design has been applied, the proprietor of such design shall cause each such article to be marked with the word REGISTERED or with the abbreviation REGD., or with the abbreviation RD, as he may choose, and also (except in the case of articles made of soft or brittle**

**in nature to which have been applied designs registered in different classes of articles) with the number appearing on the certificate of registration:**

Provided that the requirements of this rule and clause (b) of sub-section (1) of section 15 of the Act shall be dispensed with as regards-(i) textile goods in which the design is printed or woven, other than handkerchiefs; and(ii) articles made of charcoal dust, which are brittle and which are not sold in single pieces.INSPECTIONS AND SEARCHES

**27. Inspection of designs .-Registered designs shall be open to public inspection after the notification of the said design in Official [Journal referred to in section 145 of the Patents Act, 1970 (39 of 1970)] and the application together with representation of the design may be inspected on a request made in Form 5.**

**28. Search under section 18.-(1) Request for information as specified in section 18 of the Act may be made by any person in Form 6 with the fee as specified in the Schedule of fees and shall contain the registration number of the design for which information is required.**

(2) If the applicant is unable to furnish the registration number of the design, he shall file with the Controller, in Form 7 together with such information as is in his possession, and the Controller shall thereupon cause search to be made in the class indicated therein as much as be possible on the information supplied, and shall furnish such information as may be obtainable. Where Form 7 is accompanied by a representation or specimen of the design, such representation or specimen shall be furnished in duplicate.CANCELLATION

**29. Cancellation of registration of designs under section 19.-(1) A petition to the Controller for the cancellation of the registration of a design shall be made in duplicate in Form 8 and shall be accompanied by a statement [and evidence] in duplicate setting out the nature of the applicant's interest and the facts upon which he bases his application.**

(2) If the petition for the cancellation of the registration of a design is made by person who is not the registered proprietor, a copy of the petition alongwith the statement [and evidence] [ Inserted by S.O. 1460(E), dated 17.6.2008 (w.e.f. 17.6.2008). ] shall be transmitted by the Controller to the registered proprietor.(3) [ If the registered proprietor intends to oppose the application he shall within a time to be specified by the Controller, file at the office a counter statement and evidence setting out the grounds on which he intends to oppose the application and shall deliver to the applicant a copy thereof simultaneously.(4) The applicant may, after delivery to him of the copy of the registered proprietor's counter statement and evidence leave at the office, evidence in reply by way of affidavits in support of his case and shall also deliver to the registered proprietor a copy of

thereof simultaneously.] [Substituted by S.O. 1460(E), dated 17.6.2008 (w.e.f. 17.6.2008). ][\* \* \*] [ Sub-Rules (5) and (6) omitted by S.O. 1460(E), dated 17.6.2008 (w.e.f. 17.6.2008).](7)No further statement of evidence shall be left by either party except by leave of or on requisition by the Controller.(8)Where a document is in a language other than English and is referred to in any statement or evidence filed in connection with any petition under section 19 or opposition thereto, an attested translation thereof in English shall be furnished in duplicate.(9)[ The time allowed for filling the counter-statement and evidence or for leaving reply evidence shall ordinarily be one month which may be extended only by a special order of the Controller given on a petition with the fee specified in the First Schedule made by party seeking extension of time:Provided that the extension so granted shall in no case exceed three months in aggregate.] [ Substituted by S.O. 1460(E), dated 17.6.2008 (w.e.f. 17.6.2008).](10)On completion of the filing of the statement and the evidence referred to [sub-rules (1) to (8)] [Substituted by S.O. 1460(E), dated 17.6.2008 (w.e.f. 17.6.2008). ] or at such other time as he may decide, the Controller shall appoint a hearing of the petition for cancellation and shall give the parties not less than ten days' notice of such hearing.(11)If either party desires to be heard, he shall give to the Controller a notice in Form 20 of his intention to attend the hearing.(12)If, at the hearing, either party intends to refer to any publication, he shall give to the Controller and to the other party not less than five days' notice of such intention, together with the details of the publication to which he intends to refer.(13)After hearing the party or parties desirous of being heard or without a hearing, if neither party desires to be heard or attends the hearing, the Controller shall decide on the petition and the opposition, if any, and notify his decision to the parties.GENERALRegister of Designs

**30. Registering designs .-(1) When a design is accepted, there shall be entered in the Register of Design, in addition to the particulars required by the Act, the number of the design, the class in which it is registered, the date of filling the application for registration in this country, the reciprocity date, if any, claim for the registration, and such other matters as would effect the validity or proprietorship of the design.**
