6. Exemption from licenses etc.

- Notwithstanding anything contained in any law for the time being in force all industrial undertakings being established or proposed to be established in industrial area shall be exempted from obtaining permits from Municipalities or Grama Panchayats Town Planning Department or Development Authorities for construction of buildings for starting an industrial undertaking.

7. Powers and functions of Industrial Area Boards.

(1) Notwithstanding anything contained in any law for the time being in force, every person intending to establish an industrial undertaking or a small scale industrial undertaking in any of the notified industrial areas shall submit the application in the prescribed form to the designated authority of that industrial area for clearances or licenses or certificates required under various State enactments together with the fee if any to be paid, under the respective enactment. The application shall also contain such details as may be prescribed. (2) The Industrial Area Board shall after complying the procedure prescribed in this behalf and within thirty days from the date of receipt of

the application take a decision as, -(a)to recommend to the authority concerned, the issue of the license or permission applied for without any modifications or with such modifications as it thinks to fit to make; or(b)to refuse clearance if it is of the opinion that the proposed construction, establishment or installation is objectionable.(3)The decision taken by the Industrial Areas Board shall be communicated to the applicant and the authority concerned by the designated authority of the Industrial Area Board.

8. Powers and functions of District Board.

(1)Notwithstanding anything contained in any law for the time being in force, every person intending to establish any small scale industrial undertaking having capital investment of more than two lakh rupees shall submit the application in the prescribed form to the Convener of the District Board for clearances or licenses or certificates required under various State enactments along with the required fee under the respective enactment. The application shall contain such details as may be prescribed.(2)The District Board shall, after complying the procedure prescribed in this behalf and within sixty days from the date of receipt of the application take a decision as,(a)to recommend to the authority concerned the issue of the license or permission applied without any modifications or with such modifications as it thinks fit to make; or(b)refuse clearance if it is of the opinion that the proposed construction, establishment or installation is objectionable.(3)The decision taken by the District Board shall be communicated to the applicant and the authority concerned by the Convener of the District Board.(4)Notwithstanding anything contained in any law for the time being in force, if the application for clearance, license or certificate submitted before the Authority concerned for establishing a Small Scale industrial undertaking having capital investment of less than rupees two lakhs is rejected or recommended with modification the person aggrieved may file an appeal before the District Board against such order of refusal or recommendation within thirty days from the date of receipt of order from the authority concerned in the manner prescribed and such an appeal shall be disposed of within thirty days from the date of submission of the appeal.

9. Powers and functions of the State Board.

(1)Notwithstanding anything contained in any law for the time being in force every person intending to establish any industrial undertaking other than a small scale industrial undertaking in the State, shall submit the application, for clearances or licenses or certificates required under various State enactments to the Convener of the State Board in the prescribed form along with the required fee under the respective enactment. The application shall contain; such details as may be prescribed.(2)The State Board shall after complying the procedure prescribed in this behalf and within forty five days from the date of receipt of the application take a decision as, -(a)to recommend to the concerned authority the issue of license or permission applied for without any modification or with such modification as it thinks fit to make; or(b)to refuse clearance if it is of the opinion that the proposed construction, establishment or installation is objectionable.(3)The decision taken by the State Board shall be communicated to the applicant and the authority concerned by the Convener of the State Board.

10. Issuing of clearances licenses, certificates based on the recommendations.

- Notwithstanding anything contained in any other law for the time being in force the authority concerned shall, on receipt of the recommendation of the State Board, District board or Industrial Area Board, issue the clearances, licenses or certificates applied for in accordance with the recommendations of the State Board, District Board or Industrial Area Board as the case may be within ten working days from the date of receipt of the recommendations, if no clearance, license or certificate, as the case may be, is issued within the said time limit the clearance, license or certificate, as the case may be, recommended for by the respective Board shall be deemed to have been issued after the expiry of the said period of ten working days.

11. Appellate Jurisdiction of the State Board.

(1) If the clearance or license or certificate applied for before the District Board or Industrial Area Board has been refused or recommended with modification, the aggrieved person may, within thirty days from the date of receipt of such refusal or recommendation from the District Board or Industrial Area Board, file an appeal to the state board against such order, in the manner prescribed. (2) The State Board may, if it is considered necessary call for additional details and on production of such details and after giving an opportunity of being heard to the aggrieved person and the authority concerned, shall dispose of such appeal within a period of thirty days from the date of filing the appeal. The decision of the State Board on such appeal shall be final. (3) The State Board may, with the previous approval of the Government delegate to any Sub Committee constituted by it such of its powers and functions under this section subject to such restrictions and conditions, if any, as it may specify. (4) The composition of the Sub Committee shall be such as may be prescribed. (5) Notwithstanding anything contained in any law for the time being in force any license, clearance or certificate granted on the basis of a decision under this section by the State Board or a Sub Committee of the State Board shall be deemed to be issued under the respective statute.

12. Appellate Jurisdiction of the Government.

- Any person aggrieved by the decision of the State Board other than on matters decided by it on appeal under section 11 over the decision of the District Board or Industrial Area Board, as the case may be, may appeal to the Government within thirty days from the date of such decision by the State Board and the decision of the Government on such appeal shall be final.

13. Power of the State Board to revoke the licenses.

(1) If the State Board may suo motu at any time examine the record of a District Board or an industrial Area board in respect of any proceedings under this Act and if the State board is satisfied that the clearance or certificate of license under this Act has been obtained by misrepresentation as the essential facts, the State Board may, by order direct the authority concerned to revoke the

license or certificate or clearance issued by them: Provided that the State Board shall not pass any order affecting any party unless such party has had an opportunity of making a representation. (2) If the State Board is satisfied either on a reference made to it in this behalf or otherwise, that any person or authority to whom or to which the clearance or license or certificate has been issued under this Act failed to establish or to take effective steps to establish the industrial undertaking in respect of which the clearance or license or certificate has been issued within the time specified therein or within such extended time as the State Board may think fit to grant in any case, it may direct the authority concerned to revoke the license or clearance or certificate already granted. (3) The provisions contained in the proviso to sub-section (1) shall apply in respect of any proceedings under sub-section (2) as they apply to a proceeding under subsection (1).

14. Establishment of Industrial Township.

(1) The Governor may, having regard to the size of an Industrial Area and the municipal services being provided or proposed to be provided by an agency in that area and such other factors as he may deem fit, by public notification under the proviso to clause (1) of article 243 Q of the Constitution of India, specify that area to be an Industrial Township Area. Explanation. - In this section the expression an industrial area means an area benefited by an industrial area. (2) Upon any area being specified an industrial township in the manner stated in sub-section (1), such area, if included in a Panchayat constituted under the Kerala Panchayat Raj Act, 1994 (13 of 1994) or, as the case may be, in a municipality constituted under the Kerala Municipality Act, 1994 (20 of 1994), shall, with effect from the date of such notification be deemed to be excluded from such Panchayat or Municipality, as the case may be. (3) The authority shall have all the powers of a Municipality in an industrial town ship area. (4) The Industrial Township Authority shall have the power to collect the taxes and fees and to realise the fine that can be collected or realized under the Kerala Municipality Act, 1994 (20 of 1994) from the area within the jurisdiction of the Industrial Township Area.

15. Constitution of the Industrial Township Authority.

(1) The Government may for the purposes of administering the affairs of an Industrial Township Area and for carrying out the provisions of this Act by notification constitute an industrial Township Authority for each Industrial Township Area. (2) The Industrial Township Authority shall consist of such number of Directors as may be appointed by the Government and they shall be chosen in such manner as may be provided for in the Scheme. (3) The functions of the Industrial Township Authority shall be to administer the affairs and secure the planned development and maintenance of the Industrial Township Area. (4) The Industrial Township Authority shall administer the Industrial Township Area in such manner as may be specified in this Act and the Scheme. (5) Subject to the provisions of this Act the Scheme may provide for all or any of the following matters, namely:-(a) The manner in which the Directors of the industrial Township Authority shall be chosen and appointed; (b) the manner in which the meeting of the Industrial Township Authority may be conducted; (c) the constitution of any committee for assisting the Industrial Town ship Authority; (d) the manner in which the preparation of the budget maintenance of accounts and the audit of accounts of the industrial Township Authority may be made; (e) the registers and records to be maintained by the Industrial Township Authority; (f) any other matter which is to be provided for

in the Scheme or which may be necessary or proper for the purpose of implementing the Scheme.(6)Every Scheme framed under this section shall be laid, as soon as may be after it is issued before the Legislative Assembly while it is in session for a total period of fourteen days which may be comprised in one session or into successive sessions, and if, before the expiry of the session in which it is so laid or the session immediately following, the Legislative Assembly makes any modification in the Scheme or decides that the Scheme should not be issued, the Scheme shall thereafter have effect only in such modified form or be of no effect, as the case may be; so however that any such modification or annulment shall be without prejudice to the validity of anything previously done under the Scheme.

16. Extension of provision of the Municipal Act or the rules made there under.

(1)The Government may, by notification, in the Gazette declare that any of the provisions of the law relating to the Municipalities in force for the time being or of any rules made thereunder, shall be extended to, and be in force in, an Industrial Township Area.(2)The provisions so notified shall be construed with such alterations not affecting the substance as may be necessary or proper for the purpose of adopting them to an Industrial Township Area.(3)Without prejudice to the generality of the foregoing provision, all reference to a Municipal Council or the Chairman or the Secretary thereof shall be construed as references to the Industrial Township Authority or the Chairman or the Chief Officer of the Industrial Township Authority thereof, all references to any officer or employee of a municipal council as references to the corresponding Officer or employee of the authority and all reference to the local limits of the municipality as reference to the limits of the Industrial Township Area, as the case may be.

17. Applicability of the Kerala Buildings (Lease and Rent control) Act, 1965 (2 of 1965).

- The Kerala Buildings (Lease and Rent Control) Act, 1965 (2 of 1965) shall not apply to any premises belonging to the Industrial Township Authority under section 15.

18. Overriding effect of the Act.

- Upon any area being declared an industrial area under the provisions of this Act, such area, as included in the master plan or the zonal development plan under the Town Planning Act (IV of 1108) or the Madras Town Planning Act, 1920 (Madras Act VII of 1920) or any other Act enacted by the Kerala State Legislature, shall, with effect from the date of such declaration be deemed to be excluded from any such plan.

19. Direction by Government.

- The Government may from time to time issue to the State Board or a District Board or an industrial Area Board or an industrial Township Authority such general or special directions of

policy as they may deem necessary or expedient for the purpose of carrying out the objects of this Act and the State Board or the District Board or the industrial area board, or the Industrial Township authority, as the case may be, shall be bound to follow and act upon such directions.

20. Returns and Inspection.

(1)The industrial township authority shall furnish to the government such reports, returns and other information as the Government may from time to time requite.(2)Without prejudice to the provisions of sub-section (1) the Government or any officer authorized by the Government in that behalf, may call for reports, returns and other Information from the industrial township authority in regard to the implementation of any Scheme.(3)Any person authorized by the Government or the officer referred to in subsection (2) may enter into or upon any land with or without assistance of workman for ascertaining whether the provisions of the schemes are being or having been Implemented, or whether the development is being or has been carried out in accordance with such scheme.(4)No such entry shall be made except between the hours of sun rise and sun set and without giving reasonable notice to the occupier or if there is no occupier, by the owner of the land or building.

21. Members and Officers to be Public Servants.

- Every member and every officer and other employee of the Industrial Township Authority or the State Board, the District board or the Industrial Area Board shall be deemed to be a public servant within the meaning of section 21 of the Indian Penal Code.

22. Protection of Action taken in Good Faith.

- No suit, prosecution or other legal proceeding shall lie against any person for anything which is in good faith done or intended to be done under this Act or any Rule or regulation by law made thereunder.

23. Act not to be Invalidated by irregularity, Vacancy etc.

- No Act done or proceeding taken under this Act, by the State Board, the District Board or the Industrial Area Board or a Sub-Committee appointed by the State Board shall be invalidated merely on the ground of; -(a)any vacancy in, or defect in the constitution of the State Board, the District Board or the Industrial Area Board or any Sub Committee of the State Board; or(b)any defect or irregularity in the appointment of a person acting as a member of any such Board or Sub Committee; or(c)any defect or irregularity in such Act or proceeding not affecting the merits of the case.

24. Powers of the State Board to make bye-laws.

(1)The State Board may, subject to the provisions of this Act and with the previous approval of the Government, by notification in the Gazette, make bye-laws generally to carry out the purposes of this Act.(2)Such bye-laws may provide for, -(a)the procedure to be followed by the State Board, District Boards and industrial Area Board for transaction of their business;(b)all matters connected with granting of licenses, clearances or certificates by the State Board, district boards and Industrial Area Boards.

25. Powers of the State Board, District Boards and Industrial Area Boards to Collect Fees.

- The State Board, District Board and Industrial Area Board may with the previous approval of the Government fix, and collect fees from the beneficiaries.

26. Power to make Rule.

(1)The government may, by notification in the Gazette, make Rules for carrying out the purposes of this Act.(2)Every Rule made under this Act shall be laid, as soon as may be after it is made, before the Legislative Assembly while it is in session for a total period of fourteen days which may be comprised in one session or in two successive sessions and if before the expiry of the session in which it is so laid or the session immediately following, the Legislative Assembly decides that the rule should be either modified or annulled, the rule shall thereafter have effect only in such modified form or have no effect, as the case may be so however, that any such modification or annulment shall be without prejudice to the validity of anything previously done under that rule.

27. Power of the Industrial Township Authority to make Regulations.

(1)Subject to the provisions of this Act and the Rules made thereunder an industrial Township Authority may, with the approval of the Government make regulations for carrying out any of the purposes for which it is constituted.(2)The Government shall have power to make rule regarding the procedure for the making of regulations, the publication thereof, and the date on which they shall come into effect.

28. Removal of Difficulties.

(1)If any difficulty arises in giving effect to the provisions of this Act the Government may, as occasion may require, by order to anything not inconsistent with this Act, which appear to them necessary for the purpose of removing the difficulty.Provided that no such, order shall be passed after two years from the date of commencement of this Act.(2)Every order made under sub-section (1) shall be laid before the first meeting of the Legislative Assembly, after making the order.
