The Bihar Molasses (Control) Rules, 1955

Rule THE-BIHAR-MOLASSES-CONTROL-RULES-1955 of 1955

- Published on 16 March 1956
- Commenced on 16 March 1956
- [This is the version of this document from 16 March 1956.]
- [Note: The original publication document is not available and this content could not be verified.]

The Bihar Molasses (Control) Rules, 1955 Published vide Notification No. D/A2-104/56E-621, dated the 16th March, 1956 No. D/A2-104/56E-621, dated the 16th March, 1956. - In exercise of powers conferred by section 13 of the Bihar Molasses (Control) Act, 1947 (Bihar Act, VI of 1947), the Governor of Bihar is pleased to make the following rules in supersession of the rules framed under the Government notification no. 3613-L.S.G. dated the 16th April, 1948, namely:-

1.

These rules may be called the Bihar Molasses (Control) Rules, 1955.

2.

In these rules, unless there is anything repugnant in the subject or context-(a)"the Act" means the Bihar Molasses (Control) Act, 1947;(b)"Special Officer Molasses" means an officer not below the rank of an Excise Superintendent appointed by Government to assist the Controller of Molasses in the discharge of his function under the Bihar Molasses (Control) Act and rules;(c)"Distillery" means the premises, where under a license issued under the provisions of the Bihar and Orissa Excise Act, 1915 (B. & O. Act II of 1915), power, potable or industrial alcohol may be manufactured;(d)"Distillery Officer" means an Excise officer not below the rank of an Excise Sub-Inspector appointed under clause (c) of Section 7 of the Bihar and Orissa Excise Act 1915 (B. O. Act II of 1915) deputed by the Excise Commissioner and the Controller to perform any function under the Act and these rules at a distillery;(e)"Excise Chemist" means any officer appointed by the State Government to discharge the function of an Excise Chemist under these rules;(f)"Form" means a form appended to these rules;(g)"Gallons" means in imperial gallon; and(h)"Government" means the Government of Bihar.

3. Supply of Molasses.

(a) Every distillery in the State shall submit to the Controller by the 31st October each year an indent in Form M.F. 1 of its estimated requirement of molasses during the twelve months commencing from the 1st January, following. (b) [Every sugar factory shall submit to the Controller by the 31st October of each year in Form M.F.2 its estimated production of molasses and sugar during next crushing season.] [Substituted by G.S.R. 382 dated 14.5.1971.] (c) On receipt of the statements referred to in sub-rules (a) and (b) the Controller will check the requirement of molasses indented for and after making such variations therein as he considers necessary, prepare a consolidated statement, showing the requirement of each distillery, indicating the sugar factories from which these requirements are to be met and make a provisional allotment of molasses to each distillery. (d) The orders allotting molasses to the distilleries shall be communicated to the sugar factories, the Excise officers posted at the sugar factories, distilleries and Distillery officers and to such other persons, if any, as may be concerned. (e) The Controller may, if necessary, make modifications in the orders allocating molasses. (f) [After the close of the cane crushing every sugar factory shall furnish a report in Form M.F. 3 showing the total production of molasses and sugar which should reach the Controller, not later than a week after the close of every crushing season.] [Substituted by G.S.R. 382 dated 14.5.1971.] (g) The final allotment of molasses shall be communicated to all concerned in the same manner as the provisional allotment. (h) Every sugar factory and every stockist shall, on receipt of an order from the Controller and on intimation of the allotment of tank wagons for the transport of molasses, make all necessary arrangements promptly for the haulage and loading of molasses and where the owner, occupier or Manager of a sugar factory or the stockist fails to make such arrangements without sufficient reason, the Excise officer shall have the power on his behalf, to enter upon the premises, make arrangement for the haulage and loading of molasses by manual labour, if necessary and recover the cost incurred thereby from the said owner, occupier or Manager of the sugar factory or the stockist. (i) Haulage and loading of a tank wagon by an owner or occupier or Manager of a sugar factory or by a stockist shall not be refused on the plea of holiday including Sunday on any other ground without prior approval of the Controller. (j) The ownership of all molasses allotted to a distillery or any person or organisation shall continue to vest in the owner, occupier or Manager of a sugar factory or the stockist until it is actually delivered at the distillery or at any other place where it is directed to be delivered and all losses occurring from any cause other than wilful omission on the part of the allottees shall be borne by the sugar factory. (k) Supplies to distilleries in accordance with the orders issued by Controller shall not be contingent on prepayment of price. Such supplies shall be made in the ordinary course of business and all disputes arising out of the supplies made shall be referred to the Controller whose decision in the matter shall be final.

3A. [[Inserted by G.S.R. 840 dated 13.3.1968.]

Any person desiring to obtain molasses from any sugar factory or stockist shall apply in Form M.F. (IA) to the

Superintendent of Excise Assistant Commissioner of Excise| of the district to which he belongs or in the case of a company/firm/co-operative society

where the company/firm/co-operative society is registered or situated, duly affixed with court fee stamp of the same value as prescribed for applications filed before the Superintendent of Excise.

On receipt of the application, the| Superintendent of ExciseAssistant Commissioner of Excise| shall get the statements made in the application form verified.

After necessary verification, he will forward the application to the Controller of Molasses with his recommendations. The Controller after necessary verification, shall pass orders on the application.]

4.

The price at which molasses of various grades shall be sold by the owner, occupier or Manager of a sugar factory or by a stockist to the Government or distilleries or to the allottees shall be notified by the Government.

4A. [[Inserted by G.S.R. 840 dated 13.3.1968.]

(i)Administrative charges to be realised on released molasses shall be exclusive of the price payable to the sugar factories and the person to whom the molasses will be allotted shall deposit the amount of administrative charges on the quantity of molasses allotted to him, through treasury challan before the Excise Officer posted in the sugar factory, after which delivery of molasses shall be made by the Sugar Factory in presence of the Excise Officer.(ii)The Excise Officer posted in the sugar factory shall keep an account of delivery of molasses and administrative charges realised therefrom in a form prescribed by the Molasses Controller, and shall submit a statement to Molasses Controller, Assistant Commissioner of Excise or Superintendent of Excise as directed by the Molasses Controller in the form prescribed by him.]

5.

(a)The Controller shall specify from time to time the grade under which molasses shall be classified. Molasses issued for sale from the sugar factory shall conform to such grades.(b)The method of analysis to be followed in determining the specifications and grades to which molasses shall conform shall be prescribed by the Controller.

6.

The contents of any tank or pit intended for the storage of molasses at a sugar factory ora distillery, not being molasses shall, if the Controller by an order in writing, so directs, be disposed of as waste, in such manner as may be prescribed by the Controller.

7.

Every owner, occupier or Manager of a sugar factory and every stockist shall maintain the entire stock of molasses for distillery purposes or for such purpose as may be required by the Controller from time to time.

8.

Every owner, occupier or Manager of a sugar factory shall keep covered storage tank for the safe storage of the entire quantity of molasses to be produced. They shall provide necessary safeguards against leakage, or any other accident likely to affect the quality of molasses stored in the tank.

9.

The owner, occupier or Manager of a sugar factory shall maintain in Form M.F. 5 an accurate account of all molasses produced, issued or stored in the sugar factory.

9A. [[Inserted by G.S.R. 78 dated 12.9.1977.]

(i) No stockist shall sale, re-sale or keep stock of molasses for such purposes, otherwise than under the conditions and sureties of a licence granted in Form M.F. 9 by the Controller of Molasses, Bihar: Provided, however, licence for engaging in the business of sale or re-sale and holding for that purpose stocks not exceeding 25 quintals of molasses at any time may be granted by the Excise Superintendent/Assistant Commissioner of Excise of the district where the stockist normally carries on his business: Provided further that a licence fee of rupees Five hundred and One hundred twenty five shall be payable for grant or renewal of licence for sale, resale or keeping stock of molasses in quantities exceeding 25 quintals and that of upto 25 quintals respectively. (ii) An application shall be made for grant of licence to Excise Superintendent/ Assistant Commissioner of Excise or Excise Commissioner in Form M.F.8.]

10.

(a) No molasses can be moved from the premises of a sugar factory except under a pass in Form M.F. 6. This Form shall be in sextuplicate and shall be issued by the Excise officer posted to the sugar factory. Two copies of the pass shall accompany the consignment, one copy shall remain with the Excise officer, one copy shall be sent to the Special Officer, one shall be sent to the Excise Superintendent of the district in which the sugar factory is situated and one copy will be sent to the Excise Superintendent of the district to which the consignment is to be despatched. (b) On receipt of the consignment the Excise officer posted there will verify the quantity received and note it in the passes and return a copy thereof to the Excise officer and retain the other copy in his guard file. (c) The Range Inspector shall carefully check the original copy of the transport pass with that of receipted copy.

11.

No person shall move molasses from the premises of any sugar factory or distillery or otherwise dispose of such molasses except under a movement order in Form M.F. 7 of the Controller as provided in the Act, and these Rules.

11A. [[Inserted by G.S.R. 78 dated 12.9.1977.]

Any person desiring to remove molasses from any sugar factory or from any such place where molasses is stored, shall submit an application for the grant of a licence before an Excise Officer posted in the concerned Sugar Factory or before an Excise Officer in whose jurisdiction such molasses is stored along with a copy of Treasury Challan after depositing licence fee in the Government Treasury at rates prescribed from time to time by the Government. Such Excise Officer to whom such an application is submitted shall verify the payment of the licence fee and if found correct, shall record his recommendation On the said application and forward the same along with the Treasury Challan, to the Controller of Molasses for issuing the orders of movement of the molasses.]

12.

For the control test of molasses, it should be seen whether molasses conform to the specifications and standards prescribed under rule 5(a).

13.

(a)On arrival of molasses at a distillery before discharge into the storage tank reserved for the purpose, control test shall be carried out forthwith with the assistance, if necessary, of the distillery or such other officer as may be deputed by the Controller. The result of the test shall be prepared in triplicate, the original being sent to the occupier of the sugar factory, the duplicate to the Special Officer for Molasses within twenty-four hours of the test, and the triplicate copy shall be pasted in the guard file maintained for the purpose.(b)Subject to the result of final test under these rules and unless otherwise directed by the Controller, the price of molasses payable to the occupier of a sugar factory shall be based on grade determined by the Excise Inspector or the other officer referred in sub-rule (a).(c)Persons making control test under sub-rule (a) shall take a sample in triplicate and shall keep the same in safe custody. In case there is any disagreement between the Excise Inspector or the other officer referred to in sub-rule (a) and the owner of the sugar factory as to the grade of the molasses, the occupier of a sugar factory or the distillery may within 14 days of control test required in writing the Excise Inspector or other officer referred to in sub-rule (a) to send two of the samples of molasses to the Excise Chemist, Bihar, provided the occupier of the sugar factory or distillery, as the case may be, or as ordered by the Controller shall bear the cost of analysis.

14.

On receipt of report of the Excise Chemist, Bihar, the Excise Inspector incharge of a distillery or other officer shall forthwith send intimation to the occupier of the sugar factory or distillery. If the occupier of the sugar factory or distillery does not accept the report of the Excise chemist it may within 14 days of the date of despatch of intimation appeal to the Controller. On receipt of such an appeal, the Controller may, if necessary, call for another sample and get it analysed at the cost of the sugar factory or distillery, as the case may be.

15.

If there is no disagreement as to the grade of molasses or if there is disagreement and on the report of final analysis an appeal has been received, the sample of molasses kept by Excise Inspector shall be destroyed on the expiry of 30 days from the date of control test or receipt of the final report on appeal, as the case may be.

16.

(1) No distillery shall refuse molasses supplied by the sugar factory under the orders of the Controller, without the prior approval of the Controller. (2) In case of the unauthorised refusal by the distillery the cost of molasses, freight and other incidental charges as fixed by the Controller may be recovered from the distillery as an arrear of land revenue and paid to the sugar factory concerned. (3) If in the opinion of the Controller the molasses dispatched to a distillery is not of the grade as specified under rule 5(1) the same may be returned to the sugar factory concerned and the freight and other incidental charges as fixed by the Controller may be recovered from the sugar factory as an arrear of land revenue.

17.

In addition to the powers which the Controller may exercise under the provisions of the Act and these rules, he may, by general or special order and subject to the provisions of the Act and these rules direct—(1) what measures, weights and instruments shall be maintained by the occupier of the sugar factory or distillery, how they may be standardised and what persons may inspect them; (2) what returns shall be submitted and what records and books shall be maintained by the occupiers of sugar factories or distilleries, the Distillery Excise Inspector, and the manner in which they are to be verified and the time when returns are to be submitted; (3) how the articles seized under the Act shall be disposed of; (4) in what forms, passes, certificates or permits shall be issued under these rules; and (5) the functions that shall be performed by the officers of the Excise Department for carrying out the provisions of the Act and these rules.

18.

The officer making seizure of molasses, adulterated or deteriorated molasses under the Act or these rules shall take three samples of articles seized and immediately seal them and also the stock. The person from whose possession the seized articles have been recovered shall be allowed to affix his seal also on stock and samples, if he so desires. One of the samples shall be delivered to such persons and other two retained by the person making such seizure, if he is an officer empowered to make an investigation under the Act or these rules, he shall immediately report to an officer empowered to make such investigation and produce before him the other two samples. (2) The officer making the seizure may depute a person to watch the sealed stock.

19. [[Substituted by G.S.R. 382 dated 14.5.1971.]

(1)No molasses in respect of which the order of confiscation has been passed under section 10 of the Act, shall be disposed of until the expiration of the period of appeal against the order of conviction or when an appeal has been filed until the appeal has been decided.(2)All molasses other than molasses which have been confiscated under section 10 of the Act, shall be sold by public auction and the proceeds credited to Government.]

20.

(1)An appeal shall lie to the Controller from every order passed by an Excise officer.(2)A petition of appeal to the Controller shall be presented within 30 days of the date of the order appealed against exclusive of the time taken in obtaining the copy of the order. The petition shall be properly stamped and accompanied by the certified copy of the order appealed against.(3)No appeal shall lie against the order passed by the Controller.Form M.F. 1(Under Rule 3)Preliminary indent form for molasses to be submitted by the Distilleries on 31st October.

1. Quantity of molasses required for the manufacture of-

(a)C.S.(b)R.S.(c)R.A.(d)D.S.for the year.....(January to December)

2. Quantity of molasses received and used during the previous year (January to December) for the manufacture of-

(a)C.S.(b)R.S.(c)P.A.(d)D.S.

3. Quantity of molasses used since January to 31st October this year for the manufacture of-

(a)C.S.(b)R.S.(c)R.A.(d)D.S.

4. Quantity of molasses in stock on the 1st day of January.

5. Quantity of molasses received from 1st January to 31st October this year.

6. Total (Column 4 and column 5)

7. Quantity of molasses used in the manufacture, (as shown in column 3).

9. Quantity of molasses still to be lifted according to existing allotment.

10. Quantity likely to be consumed during the period 1st November to 31st December.

11. Balance quantity of molasses likely to remain in storage.

Signature of the Proprietor/Manager, Distillery Date. Countersignature of the Distillery Officer. [Form M.F. 1A] [Inserted by G.S.R. 840 dated 13.8.1969.] (See Rule 3A)

1. Name and Father's name of the applicant and his age.

2. Name and address of the firm/company/cooperative society which he represents if he is not applying for himself with evidence of authority to represent.

3. If registered, registration no. and date.

4. If licensed as stockist of molasses, license no. and date of the district in which licensed.

5. Names of partners/members of the Executive body of the society, if any.

6. Clearance certificates from Income-tax and Commercial Taxes Department, if any.

7. Permanent address of the applicant.

8. Present address of the applicant.

9. Quantity of molasses required in a year.

10. Purpose for which molasses is to be used:-

(a) for the manufacture of Hookah tobacco; (b) for any other purpose.

11. Quantity of Hookah tobacco/other products produced during the last three years.

12. Quantity of molasses, if any, obtained in previous year. If so, whether through permit or through open gate sale and from where.

13. Central Excise licence no. and date, if any, in case of manufacture of hookah tobacco.

14. Quantity of molasses applied for giving full justification.

Signature of the applicant. Witnesses:

1.

I declare that the particulars mentioned in the application are true to the best of my knowledge and belief. Signature of the applicant. Witnesses:

1.

2.

To Be used by Excise Officer:

1. Report of the Enquiring Officer.

2. Recommendation of Excise Superintendent.

3. Recommendation of Special Officer, Molasses.

4. Orders of Controller of Molasses.

Form M. F. 2(Under Rule 3 (a))

1. On what date your factory will start cane crushing for the next season.

2. (a) What is your anticipated production of molasses for the next season.

(b) Quantity of molasses which may be produced daily.

3. What is your total storage capacity No. of storage. Quintalage

(in quintals).Type of storage-(a)Steel tanks.(b)Covered pucca tanks.(c)Uncovered pucca tanks.(d)Uncovered katcha tanks or pits.(e)Covered katcha tanks or pits.

4. How much of the new production will be stored in-

(a)Steel tanks.(b)Covered pucca tanks.(c)Uncovered pucca tanks.(d)Uncovered katcha tanks or pits.(e)Covered katcha tanks or pits.

5. Can loading of molasses be taken up while cane crushing is going on in your factory? If so, how many tank wagons can be loaded daily within free time allowed/ If not, from what date loading of molasses can be taken up at your factory?

6. What is the actual and final production of molasses of the previous three seasons.

7. What quantity of molasses out of the quantity quoted in column 6 has been delivered to-(Figures of each year to be noted separately).

(a)Indian Molasses Co. Mokamahghat.(b)Distilleries.(Name and quantity to be written).(c)Any other person or persons to whom allotment has been made from this office.(d)Gate sale.(e)Total.

8. What quantity of molasses of previous three seasons is still available with you under the following heads? Figures of different seasons to be furnished separately.

(a)For Indian Molasses Co. Mokamahghat.(b)For any other person or persons to whom allotment has been made.(c)For distilleries.(with name of distilleries)(d)Gate sale quota.(e)Molasses for which no order has yet been issued.

9. Where has the above stock been stored in-

(a)Steel tanks.(b)Covered pucca tanks.(c)Uncovered pits or tanks.

10. Why has the above stock not been cleared as yet?

- 11. What arrangements are you going to make for storage of New Crop if your tanks are full with old molasses?**
- 12. Will you feel any storage difficulty, if lifting of the new crop of molasses is differed till the end of the crushing season?**
- 13. Have you repaired, cleansed and covered your storage tanks which are empty?**
- 14. What is the name and address of your-(Name of individual who are responsible should be written.)**

(a)Owner.(b)Occupier.(c)Manager.
- 15. Have you got a mechanical pump of loading of molasses?**
- 16. Signature of the Owner, Occupier and Manager of the Sugar factory.**
- 17. Countersignature of the Excise Sub-Inspector posted at the Sugar factory.**

Form M.F. 3[Under Rule 3(b)]

- 1. Date of closing the crushing operation.**
- 2. Final quantity of molasses produced during the current season.**
- 3. The quantity lifted till the closure of crushing (date to be noted).**
- 4. Balance quantity still available and stored as detailed below:**

Quantity BFrrix.

- (a) Steel tank Nos. 1, 2, 3, etc.
- (b) Covered pucca tank or pit Nos. 1, 2, 3 etc.
- (c) Uncovered pucca tank or pit Nos. 1, 2, 3 etc.
- (d) Covered katcha pit Nos. 1, 2, 3 etc.
- (e) Uncoveredkatchapit Nos. 1, 2, 3, etc.

5. Have you got arrangement for loading of molasses stored in uncovered tanks and pits into tank wagons? If so, how many tank wagons may be loaded per day?

6. What arrangements are being made to prevent molasses stored in open pits from mixing with rain water and deterioration due to natural causes.
