- Appointment to the posts specified in column (1) of the Table be shall be made by the methods specified in the corresponding entries in column (2) thereof:

(1) (2)

I. Superintending Engineer	By promotion from Category II, namely, the Executive Engineer including Regional Executive Engineer or by deputation from Public Works Department or Highways and Rural Works Department of the Government. Deputation will be considered, only when no suitable person is available in the Tamil Nadu Municipal Engineering Service.
II. Executive Engineer including Regional Executive Engineer	By Promotion from Category III.
III. Assistant Executive Engineer	By Promotion from the category of Assistant Engineer or recruitment by transfer from Junior Engineer in the Tamil Nadu Municipal Engineering and Water Works Service.
IV. Assistant Engineer	By direct recruitment or by recruitment by transfer from the post of Junior Engineers in the [Tamil Nadu Municipal Engineering and Water Works Service and the ratio for appointment between promotion from the post of Assistant Engineer and recruitment by transfer from the post of Junior Engineers shall be 3:1] [Words 'Tamil Nadu Municipal Engineering and Water Works Service' substituted by G.O. Ms. No. 38, Municipal Administration and Water Supply (M.E.II1), February 22, 2010.].

4. Appointing authority.

- Appointing authority for the posts included in Categories I and II shall be the Government and in respect of Category III and IV shall be the Commissioner of Municipal Administration.

5. Qualification.

- No person shall be eligible for appointment to any of the posts specified in column 1 of the Table below by the method specified in the corresponding entries in column 2 unless he possesses the qualification specified in the corresponding entries in column 3 thereof.

(1)	(2)	(3)
1. Superintending Engineer	By promotion	Must have put in a service of not less than 3 years as Executive/Regional Executive Engineer in the Tamil Nadu Municipal Engineering Service or in any other service equivalent thereto.
	By Deputation	Person who are already working as Superintending Engineer in the Public Works Department/ Highways and Rural Works Department of Government with a B.E. Degree in Civil or Mechanical Engineering recognised by the University Grants Commission for the purpose of its grant.
	By promotion	

2. Executive Engineer/Regional Executive Engineer	(i) Must be an approved probationer in the category of Assistant Executive Engineer.
	(ii) Must have put in a service of not less than 5 years as Assistant Executive Engineer in the Tamil Nadu Municipal Engineering Service or in any other services equivalent thereto.
3. Assistant Executive Engineer	By promotion Must possess the B.E. Degree in Civil or Mechanical or Electrical Engineering with an experience of not less than 5 years as Assistant Engineer (direct recruitment) or (ii) Must have a Diploma in Civil or Mechanical or Electrical Engineering of the State Board of Technical Education and Training or any other qualifications considered equivalent thereto and an experience of not less than 10 years to Junior Engineer. and (iii) Must have passed the Account Test for Public Works Department Officers, Part I and II.
4. Assistant Engineer	By direct recruitment or by recruitment by transfer Must have a B.E. Degree in Civil or Mechanical or Electrical Engineering of any University or Institution recognised by the University Grant Commission for the purpose of its grant.

Note. - (a) The Junior Engineers on acquiring the qualification of the Degree in Engineering (Civil or Mechanical or Electrical) shall be re-designated as Assistant Engineer from the date of acquiring such qualification. (b) The Executive Engineer and Assistant Executive Engineer working in Municipalities shall be designated as Municipal Engineer Grade I and Municipal Engineer Grade II respectively. For appointment on transfer as Municipal Engineer Grade III, seniority being considered when merit and ability are approximately equal. Persons who have passed Account Test for Public Works Department Officers, Part I and II are alone eligible for appointment as Municipal Engineer Grade III on transfer. (c) The Electrical Superintendents Grade I with a Degree in Electrical Engineering will be designated as Assistant Engineer (Electrical). (d) Every Twentieth vacancy in the category of Assistant Executive Engineer shall be filled up from among the qualified Assistant Engineers/Junior Engineers with Diploma or Degree in Electrical Engineering (Water Works; Drainage; Electrical Superintendent). (e) The ratio of appointment of Assistant Engineer by direct recruitment and Junior Engineer by promotion shall be 3: 1. The category Assistant/Junior Engineer in the Municipalities shall be taken as a whole for fixing the strength and the total vacancies arising in a particular year shall be filled upon by direct recruitment of Assistant Engineer and by promotion as Junior Engineer from the post of Overseer/Draughtsman in the ratio of 3:1. (f) A probationer in the post of Assistant Engineer shall pass the Account Test for Public Works Department Officers, Parts I and II within the period of the probation and if he/she fails to pass the said test, he/she shall not be deemed to have completed his/her probation satisfactorily and shall not be entitled for appointment as full member and to increments in the time scale of pay applicable to him/her unless and until he/she has passed the said test. If such probationer does not pass the said Account Test Parts I and II within the period of five years from the date of his/her appointment, he/she shall be discharged from the service.

6. Age.

- No person shall be eligible for appointment to the posts in the service by direct recruitment, if he/she has completed or will complete 30 years of age on the first day of July of the year in which the selection for appointment is made provided that a candidate belonging to Scheduled Castes/Scheduled Tribe shall be appointed in the service by direct recruitment if he/she has not completed 35 years.

7. Promotion.

- Promotion to the posts shall be made on grounds of merit and ability, seniority being considered only where merit and ability are approximately equal. The competent Authority shall prepare a panel of names of the eligible persons from the feeder categories every year and send a list of approved candidates to the Appointing Authority.

8. Savings.

- Nothing contained in these rules shall adversely affect any person holding any of the posts referred to in these rules on the date of coming into force of these rules.

9. Unit of appointment.

- The unit of appointment to the categories included in the Tamil Nadu Municipal Engineering Service is the State of Tamil Nadu (All the Municipalities and Regions taken together).

10. Pay.

- There shall be paid to the holders of the posts specified in Rules, a monthly pay in the time scale allowed to the posts by Government, time to time with usual allowances, provided that the officers appointed at deputation will draw either the pay drawn by them in their parent department or the pay applicable to the post whichever is advantageous to them.

11. Procedure for recruitment.

- Direct recruitment. - Direct recruitment to the post of Assistant Engineer shall be made by State Level Selection Committee.

12. Probation.

- Every person appointed by direct recruitment shall, from- the date on which he/she joins duty, be on probation for a total period of two years on duty within a continuous period of 3 years.

13. Liability to serve in the armed forces.

- Every person who is appointed to any category shall, within the first 10 years of his/her service, be liable to serve a minimum period of 4 years (including the period spent on training) in the Armed Forces or on work relating to the defence efforts anywhere in India or abroad, if required: Provided that the liability to serve in the Armed Forces or on work relating to the defences efforts shall not ordinarily apply to a person who is above 40 years of age at the time of his first appointment to the category or who has already served during the period of his service in the Department.

14. Reservation of appointment.

- The rule of reservation in General Rule 14 shall apply in the case of direct recruitment to Category IV.
