Karnataka Motor Vehicles Taxation Act, 1957Karnataka Act No. 35 of 1957Last Updated 23rd December, 2019Statements of Objects and Reasons - (Act 35 of 1957). - With the reorganisation of the States on the 1st November 1956, the several laws dealing with levy of taxes and tolls on motor vehicles in force are being continued to be administered in the several integrating areas. The present Bill is intended to bring into being a uniform rate structure throughout the new Mysore State. The Bill is prepared keeping in view the relevant provisions contained in the respective laws in force in the integrated areas. The salient features of the Bill are:1. Abolition of tools.2. Total exemption from payment of taxes on motor vehicles used solely for agricultural purposes.3. Prohibiting local bodies from levying taxes or tools on motor vehicles and providing for payment of compensation for loss of such income.(Obtained from L.A. Bill No. 5489 dated 17-6-1957)Statements of Objects and Reasons - (Amending Act 29 of 1958). - Not availableStatements of Objects and Reasons - (Amending Act 34 of 1962). -The Existing rates of taxes on vehicles were fixed in the year 1957. Since then there has been a steady rise in the cost of construction and maintenance of roads and the administrative expenditure. Further, due to the tempo of the Third Five-Year Plan, additional resources have to be found for meeting the increased expenditure that has to be incurred to fulfill the financial and physical targets fixed under the Plan. It is therefore proposed to increase the rate of taxation under the Motor Vehicles Taxation Act, keeping in view the rates prevailing in the neighbouring States.(Published in the Karnataka Gazette (Extraordinary), PART IV-2-A, dated 4-12-1962, as No. 242 ,at page 9.)Statements of Objects and Reasons - (Amending Act 23 of 1965). - 1. It is considered necessary that for the effective implementation of the Fourth Five-Year Plan ways and means for the additional resources have to be devised for meeting the increased expenditure that has to be incurred to fulfill the financial and physical targets fixed to be completed and hence the levy of increased rates of taxes in respect of goods vehicles is inevitable.2. The rates of levy of motor vehicles taxes in respect of goods vehicles of certain laden weight prevailing in Madras State are slightly higher than those prevailing in Mysore State. The rates of tax now sought to be increased on goods vehicles will be on par with the rates of taxes prevailing in Madras State. The intention to increase the rates of tax in respect of certain vehicles of higher laden weight is to increase the Government revenue. The estimated additional income from this increase is likely to be about 23 lakhs per annum.(Published in the Karnataka Gazette (Extraordinary), PART IV-2-A, dated

16-10-1965, as No. 201, at page 6.)Statements of Objects and Reasons - (Amending Act 33 of 1966).- In order to raise additional revenues for the implementation of the Fourth Five Year Plan, it is proposed to increase the rates of tax levied on goods vehicles and motor cars. hence this Bill.The estimated additional income from this increase may come up to Rs.18 lakhs per annum.(Obtained from L.A. Bill No.38 of 1966 Page No.4).Statements of Objects and Reasons - (Amending Act 16 of 1971). - In order to raise additional resources to be utilised exclusively for the relief of Bangla Desh refugees, the Government of Mysore has proposed to enhance the existing tax by ten percent under the Mysore Motor Vehicles Taxation Act, 1957, payable in respect of all motor vehicles other than passengers and goods vehicles plying on hire. The present measure is being enacted to give effect to the said proposal.2. The Committee constituted under the proviso to sub-section (2) of section 3 of the Mysore State Legislature (Delegation of Powers) Act, 1971 (23 of 1971), has been consulted before enactment of this measures as a President's Act.(Published in the Karnataka Gazette (Extraordinary), PART IV-2-A, dated 30-11-1971, at page 5.)Statements of Objects and Reasons - (Amending Act 6 of 1972). - In order to raise additional resources it is proposed to increase the existing rate of tax in respect of motor vehicles for which contract carriage permits are issued and which are permitted to carry more than five persons.Hence the Bill.(Published in the Karnataka Gazette (Extraordinary), PART IV-2-A, dated 20-7-1972, as No. 288, at page 63.)Statements of Objects and Reasons - (Amending Act 16 of 1974). - It is proposed to raise the rates of taxation on Motor Cycles (including Motor Scooters) and Motor Vehicles and Motor Cars other than those used for plying for hire and transport of passengers, in order to augment the revenues of the State.Hence the Bill.(Published in the Karnataka Gazette (Extraordinary), PART IV-2-A dated 21-3-1974, as No. 564, at page 3.)Statements of Objects and Reasons - (Amending Act 14 of 1975). - In order to improve and develop roads and bridges in the Karnataka State it is proposed to raise funds by levy of surcharges on all Motor Vehicles kept for use in the State.Hence the Bill.(Published in the Karnataka Gazette (Extraordinary), PART IV-2-A dated 29-3-1975, as No. 868, at page 4.)Statements of Objects and Reasons - (Amending Act 38 of 1976). - 1. At present two kinds of taxes are being collected on Motor Vehicles. One is under the provisions of the Karnataka Motor Vehicles Taxation Act, 1957 and the other is under the provisions of the Karnataka Motor Vehicles (Taxation on Passengers and Goods) Act, 1961. In the case of the latter, the method of assessment is either to obtain the returns from the operators and to assess the tax or collect the tax at the rates of composition provided for under the Schedule to the Act.2. By experience it has been found that there is a quite good deal of leakage of revenue by way of tax on passengers and goods as in many cases the operators either submit incorrect returns or fail to compound the tax and pay the same. The method of assessment is also cumbersome and unnecessarily adds to the work.3. It is therefore considered necessary to have one enactment only so that levy and collections are better ensured.4. The expression "kept in the State of Karnataka" occurring in the existing enactment is hampering the collection from motor vehicles registered in other States and passing through Karnataka State to some other States. It is difficult to establish in a court of law that such motor vehicles are kept for use in Karnataka State. It is proposed to obviate this.5. Having regard to the convenience to the public the following provisions are proposed:(i) to replace the tax licences by taxation cards;(ii) to redefine the "year" as financial year in relation to fleet owners and in other cases, the period of twelve calender months, commencing from the first day of the month in which a motor vehicle is registered or a new registration mark is assigned under the Motor Vehicles Act, 1939;(iii) to redesignate the licensing authority as taxation authority;(iv) to provide for payment of tax annually

in the case of motor vehicles for which the total tax per year does not exceed three hundred rupees;(v) to specify in the Act the grace period of 10 days for payment of tax in respect of all vehicles; and(vi) certain other consequential amendments.6. Besides, this will relieve the public of much inconveniences experienced by them due to heavy rush in the office, of the Regional Transport Officers during the tax collection seasons.7. Opportunity is also taken to provide for-(i) collection of tax escaping payment;(ii) payment of tax in instalments by fleet owners;(iii) carriage of tax free taxation card by vehicles exempted from payment of tax;(iv) seizure and detention of motor vehicles plying without payment of taxes;(v) a separate provision for composition of offences;(vi) trial of offences under the Act by the Magistrate not lower in rank than a Judicial First Class Magistrate;(vii) exercise of revisional powers by the Transport Commissioner in certain cases.Hence the Bill.(Published in the Karnataka Gazette (Extraordinary), PART IV-2-A, dated 24-3-1976, as No. 1615, at page 20-21.)Statements of Objects and Reasons - (Amending Act 19 of 1978). - The Karnataka Motor Vehicles Taxation Act was amended by the Karnataka Motor Vehicles Taxation (Amendment) Act, 1972 (Karnataka Act No. 6 of 1972). By this amendment the tax payable in respect of contract carriages was enhanced from Rs. 35/- to Rs. 100/- per seat per quarter with effect from 1st July 1972. Aggrieved by this enhancement, Industrial Undertakings like M/s. Hindustan Aeronautics Ltd., Indian Telephone Industries and Hindustan Machine Tools challenged the validity of the classification of their vehicles as contract carriages used for transporting employees to and from their places/of residence to the factory and levy of the tax based on such classification. Their writ appeals were allowed by the High Court and it was held that these vehicles of Industrial Undertaking used for the transportation of their employees were not contract carriages within the meaning of the provision of the Motor Vehicles Act, 1939 and the special leave application filed by the State Government before the Supreme Court was dismissed on 14th April 1976. Based on the decision of the High Court, the above three Industrial Undertakings have applied to Government for classification of their vehicles as contract carriages chargeable at Rs. 35/- per seat per quarter and to refund the difference of tax collected from them in respect of their vehicles. The claims of M/s. Hindustan Aeronautics Ltd., comes to Rs. 35,40,430 and similar refund will also have to be made in respect of Ms. Indian Telephone Industries and Hindustan Machine Tools and any other Industrial Undertakings which may put forth such claims. Such refunds if now made would upset the resources position of the State Government and also have an adverse effect on the State revenue. It is therefore necessary to pass a legislation to over come the situation arising out of the decision of the High Court to avoid the refund of such considerable sums of money.Hence this Bill.(Obtained from File No. LAW. 62 LGN 78.)Statements of Objects and Reasons - (Amending Act 7 of 1979). - As per section 4 of the Karnataka Motor Vehicle Taxation Act, 1957 where the tax in respect of a motor vehicle does not exceed Rs. 300 per annum it has to be paid in lumpsum once in a year. Tax payable in respect of autorickshaws is Rs. 176 per annum. It is proposed to permit payment of tax in respect of owner driven autorickshaws on quarterly, half-yearly or yearly basis at the option of the owner.Hence this Bill.(Published in the Karnataka Gazette (Extraordinary), PART IV-2-A dated 3-2-1979, as No. 115, at page 2-3.)Statements of Objects and Reasons - (Amending Act 21 of 1979). - In order to augment the revenues of the State it is proposed to amend taxation and other laws. Opportunity is taken to make some other amendments also.Hence this Bill.(Published in the Karnataka Gazette (Extraordinary), PART IV-2-A dated 27-3-1979, as No. 259, at page 43.)Statements of Objects and Reasons - (Amending Act 24 of 1979). - Government have announced their decision to abolish octroi. To compensate for the loss of revenue to Local Bodies resulting from

the abolition of octroi levy and also to provide for the developmental activities of the State in general, it is intended to mobilise resources by revising certain existing rates of taxes under the Motor Vehicles Taxation Act. Hence the Bill. (Published in the Karnataka Gazette (Extraordinary), PART IV-2-A dated 11-4-1979, as No. 328, at page 67.) Statements of Objects and Reasons - (Amending Act 9 of 1980). - In view of the abolition of octroi in the State, Government increased the Motor Vehicles Tax in respect of goods vehicles by the Karnataka Motor Vehicles Taxation (Second Amendment) Act 1979. Aggrieved by this enhancement, the lorry owners in the State went on strike on 27th September 1979 to protest against the hike in the Motor Vehicles Tax. The entire issue was reconsidered and it is decided to reduce the tax under the above Act to the previous level with effect from 1st October 1979. Upto 31st March 1980. (Published in the Karnataka Gazette (Extraordinary), PART IV-2-A dated 5-3-1980, as No. 167, at page 5.) Statements of Objects and Reasons - (Amending Act 10 of 1980). - By the Karnataka Motor Vehicles Taxation (Amendment) Ordinance, 1979, the rates of motor vehicles tax leviable on goods vehicles were reduced for a period of 6 months from 1st October 1979 to 31st March 1980. The motor vehicles taxes are paid in respect of Transport vehicles, every quarter. Operators of goods vehicles who have to pay tax on the 1st February or who are required to pay before 10th March 1980 will be required, as the position now stands, to pay tax as per the Ordinance for the months up to 31st March 1980 and taxes for subsequent months at the rates prevailing before the ordinance was introduced. This would result in lorry operators being required to pay taxes again on or after 1st April 1980 at rates prior to those introduced in September 1979. It would therefore be necessary to make suitable amendments to the Karnataka Motor Vehicles Taxation Act, 1957 specifying the rates of taxes for the period subsequent to 31st March 1980. Hence, the Bill. (Published in the Karnataka Gazette (Extraordinary), PART IV-2-A dated 12-3-1980, as No. 179, at page. 5.) Statements of Objects and Reasons - (Amending Act 39 of 1981). - The High Court has taken the view that the presumption of suitability of the vehicle for use on roads did not arise when the registration certificate of a transport vehicle is not current on account of expiry of the fitness certificate. Certain transport operators are taking advantage of this situation to evade payment of motor vehicle tax by allowing the fitness certificate to expire. Section 3 of the Karnataka Motor Vehicles Taxation Act, 1957 is intended to be amended to prevent this practice to avoid loss of revenue to the State. The grace period for payment of tax which is now ten days is proposed to be increased to fifteen days by amending section 4 of the Act. Under the proviso to section 10 (f) of the Act, which was deleted in 1976, fleet owners were entitled to proportionate reduction in the tax in respect of vehicles which were certified as not used for a period of one calendar month or more. Since the proviso was deleted tax has to be now paid by them even on spare vehicles which are not under use. It is intended to restore the original position by amending section 10 of the Act. Collection of a fee on the issue of taxation card on vehicles operating under reciprocal agreements has caused practical difficulties. It is intended to amend section 10A to dispense with the collection of such fee. It is intended that the powers of revision under section 15A should hence forth be exercised only suo moto as now appellate powers can be exercised by the Deputy Commissioners of Transport. Section 15A is hence intended to be amended. Amendments to the Karnataka Motor Vehicles are proposed in order to, (a) Prevent vehicles with all India Tourist Permits from masquerading as stage carriages and (b) To provide for the developmental activities of the State by mobilising additional resources by revising certain existing rates of taxes under the K.M.V.T. Act 1967. This Bill is to replace the Ordinance. (Published in the Karnataka Gazette (Extraordinary), PART IV-2-A dated 24-6-1981, as No. 475, at page 6.) Statements of Objects and Reasons - (Amending Act 19 of 1982). -

(Published in the Karnataka Gazette (Extraordinary), PART IV-2-A dated 27-3-1982, as No. 223, at page 42.) Statements of Objects and Reasons - (Amending Act 8 of 1983). - At present there is no provision in the Karnataka Motor Vehicles Taxation Act, 1957 for levying tax on the Private Service Vehicles. It is considered necessary to amend the said Act since taxation in respect of omni buses have been classified as a separate category in the said Act. The High Court of Karnataka in Writ Appeal Nos. 413, 414 and 417-74 has observed that the vehicles belonging to industrial undertakings cannot be issued with contract arrange permits and the Court has suggested for suitable amendment of the Act to provide for a separate category of permits for these vehicles. These private service vehicles are being taxed as omnibuses at the rate of Rs. 100 percent per quarter. Hence the Bill. (Published in the Karnataka Gazette (Extraordinary), PART IV-2-A dated 16-8-1983, as No. 727, at page 4.) The Government examined their request and issued administrative instructions to collect the tax on lorries at pre 1st April 1980 rates and the Karnataka Motor Vehicles Taxation (Second Amendment) Act, 1980 was not given effect to. Hence the Bill. [L.A. BILL No. 7 OF 2004] (Entries 54, 57 and 63 of List II of the Seventh Schedule to the Constitution of India) Statements of Objects and Reasons - (Amending Act 6 of 2004). - It is considered necessary to amend the Karnataka Motor Vehicles Taxation Act, 1957 (Karnataka Act 35 of 1957) to specify clearly the life time tax to be paid motor vehicles under part A5 by, - (i) registered vehicles in other states prior to 1.4.2003 and migrated to State of Karnataka; (ii) vehicles not paid tax prior to 1.4.2003; (iii) vehicles which are to be paid tax on or after 1.4.2003. Hence the Bill. (LA Bill No. 11 of 2005) Statements of Objects and Reasons - (Amending Act 6 of 2006). - To give effect to the proposals made in the Budget Speech, it is considered necessary to amend the Karnataka Motor Vehicles Taxation Act, 1957 (Karnataka Act 35 of 1957) Hence the Bill. [L.A. Bill No. 11 of 2006] Statements of Objects and Reasons - (Amending Act 8 of 2007). - To give effect to the proposals made in the Budget speech of 2007-2008, it is considered necessary to amend the Karnataka Motor Vehicles Taxation Act, 1957 (Karnataka Act 35 of 1957). 612 Motor Vehicles Taxation [1957: KAR. ACT 35] Hence, the Bill. [L.A. Bill No. 18 of 2007] [Entry 57 of List II of the Seventh Schedule to the Constitution of India.] Statements of Objects and Reasons - (Amending Act 10 of 2007). - During the period of March 1991 to April 2000, some of the transport operators, by arriving at an arrangement with some other companies, have paid taxes on their vehicles at a lower rate of tax though they were required to pay the tax at higher rate as applicable to Contract Carriages. In this connection, the Honorable High Court of Karnataka, while disposing of the Writ Appeals in Nos 2327-28/00 and other connected matters on 25.05.2005, made observation as follows: - "One may say that there was a lacuna in the Taxation Act of which the company and the contractor took advantage of and without violating any law arrived at the aforesaid arrangement

with a view to pay tax at a lower rate". In order to remove the apparent lacuna in the Taxation Act and bring those vehicles under appropriate entry in the Schedule to the Taxation Act, it is expedient to amend the Karnataka Motor Vehicles Taxation Act, 1957 as proposed. Hence the Bill. [L.A. Bill No. 23 of 2007] [Entry 57 of List II of the Seventh Schedule to the Constitution of India.] Statements of Objects and Reasons - (Amending Act 7 of 2008). - To give effect to the proposals made in the Budget Speech of 2008-2009, it is considered necessary to amend the Karnataka Motor Vehicles Taxation Act, 1957 (Karnataka Act No. 35 of 1957). Certain consequential amendments have also been proposed. Hence the Bill. (LA Bill No. 4 of 2008, File No. DPAL 9 Shasana 2008) [Entry 57 of List II of the Seventh Schedule to the Constitution of India.] Statements of Objects and Reasons - (Amending Act 8 of 2009). - In order to give effect to the Budget Speech for the year 2009-10. It is proposed to amend the Karnataka Motor Vehicles Taxation Act, 1957. Hence the Bill. (LA Bill No. 23 of 2009, File No. DPAL 15 Shasana 2009) [Entry 57 of List II of the Seventh Schedule to the Constitution of India.] Statements of Objects and Reasons - (Amending Act 7 of 2010). - To give effect to the proposals made in the Budget Speech of 2010-11, it is considered necessary to amend the Karnataka Motor Vehicles Taxation Act 1957. (Karnataka Act No. 35 of 1957). Certain consequential amendments have also been proposed. Further by Act 8 of 2007, Section 15 of the Act was substituted and the substituted section mandates that the amount disputed in the appeal shall be paid in accordance with the order against which the appeal has been preferred. The section does not expressly state that a proof of such payment shall accompany the appeal, though implicitly it conveys this meaning. Due to this reason, appellants file the appeals even without paying the disputed amount due to which the object to be achieved by the substituted section 15 of the Act is not achieved. Hence, Government revenue gets locked up in disputes till the dispute is finally resolved, which may take several years. In order to safeguard the Government revenue, it is expedient to amend section 15 of the Act. Such provisions are already present in other taxation laws. Hence the Bill. [L.A. Bill No. 12 of 2010, File No. DPAL 14 Shasana 2010] [Entry 57 of List II of the Seventh Schedule to the Constitution of India.] Statements of Objects and Reasons - (Amending Act 38 of 2010). - It is considered necessary to reduce the life time tax in the case of construction equipment vehicles fitted with air compressors and generators from the existing ten percent of cost of the vehicle to six percent of cost of the vehicle and also to provide for payment of life time tax of these vehicles in two equal instalments and to make consequential amendments. Hence the Bill. [L.A. Bill No. 24 of 2010, File No. DPAL 31 Shasana 2010] [Entry 57 of List II of the Seventh Schedule to the Constitution of India.] Statements of Objects and Reasons - (Amending Act 17 of 2011). - To give effect to the proposals made in the Budget Speech of 2011-12. It is considered necessary to amend the Karnataka Motor Vehicles Taxation Act 1957 (Karnataka Act No. 35 of 1957). Hence, the Bill. [L.A. Bill No. 15 of 2011, File No. Samvyashae 16 Shasana 2011] [Entry 57 of List II of the Seventh schedule to the constitution of India.] Statements of Objects and Reasons - (Amending Act 37 of 2011). - It is considered necessary to amend the Karnataka Motor Vehicles Taxation Act, 1957, to provide for a provision to extend the benefit of tax concession to the Central Government employees, defence personnnel, employees of Central Government undertaking including nationalised banks, who bring along with them their vehicles on transfer to the State of Karnataka If they have already paid life time tax or tax quarlerly or annually, as the case may be, in other States or Union territories.
