The Indian Forest (Maharashtra Amendment) Act, 1968 (Maharashtra Act No. 27 of 1968) Statement of Objects and Reasons - Maharashtra Act No. XXVII of 1968. - The term 'forest produce' as defined in section 2(4) of the Indian Forest Act, 1927 included 'wood-oil and rosha grass'. It has been found that rosha grass in Government forests was being removed stealthily and mixed with rosha grass obtained from malki areas, and then rosha oil was derived therefrom by distillation. As rosha oil was not a forest produce, it was removed without the production of a transit pass. With a view to effecting control over rosha oil under the said Act, it was necessary to amend section 2(4) (a) of the said Act, to include rosha oil in the definition of forest produce. [Dated 28th August, 1968] For Statement of Objects and Reasons, see Maharashtra Government Gazette, 1968, Part V, Extraordinary, page 212. An Act further to amend the Indian Forest Act, 1927, in application to the State of Maharashtra. Whereas it is expedient further to amend the Indian Forest Act, 1927, in its application to the State of Maharashtra, for the purpose hereinafter appearing; It is hereby enacted in the Nineteenth Year of the Republic of India as follows:-
