that objections or suggestions, if any, be filed before the Secretary Central Electricity Regulatory Commission (Give here address where the office of the Commission is situated), New Delhi with a copy of the objections or suggestions to the applicant, within 30 days of publication of the notice;(5)The applicant shall within 7 days from the date of publication of the notice as aforesaid submit to the Commission on affidavit the details of the notice published and shall also file the original complete page of the newspaper in which the notice has been published.(6)The applicant may file his reply to the objections or suggestions received in response to the notice within 45 days of its publication in the newspapers.(7)The Commission after consideration of the objections or suggestions received in response to the notice published by the applicant and his reply may propose to grant licence.(8)When the Commission proposes to grant licence, it shall publish a notice of its proposal in two daily newspapers, as the Commission may consider appropriate, stating the name and address of the person to whom it proposes to issue the licence, with such other details as the Commission considers appropriate, to invite further objections or suggestions to its proposal.(9)On consideration of further objections or suggestions received and the reply of the applicant thereto, if any, the Commission may grant the licence or reject the application, for reasons to be recorded in writing if the application does not conform to the provisions of the Act, the rules or the regulations or provisions of any other law for the time being in force:Provided that no application shall be rejected, unless the applicant has been given an opportunity of being heard.(10)As far as practicable the licence shall be granted in accordance with format prescribed in Form III appended to these regulations.

Chapter-IV Terms And Conditions Of The Licence

7. Obligations of the Licensee.

- The licensee shall be subject to the following obligations; namely:-(a)The licensee shall comply with the requirements of laws in force and, in particular, the Act, the Rules and the Regulations, Grid Code, orders and directions issued from time to time by the Commission and any of the State Electricity Regulatory Commissions in accordance with law.(b)The licensee shall not exceed the volume of trading authorized under the licence, but may, in exceptional circumstances, undertake trading in electricity up to the maximum of 120 per cent of the volume of trade authorized under the licence granted to him:Provided that the licensee, on exceeding the volume of trading authorized in a year under the licence granted to him shall pay licence fee applicable to the higher category for that particular year:Provided further that the licensee may with the prior approval of the Commission and on such terms and conditions as the Commission may decide, exceed the specific limit of 120% in a year.(c)The licensee shall not charge any amount exceeding the trading margin for the inter-State trading in electricity, fixed by the Commission from time to time.(d)The licensee shall continue to be governed by the qualifications or disqualifications specified in these regulations for making an application for licence throughout the period of licence.(e)The licensee shall establish adequate communication facilities like telephone, fax, computer, internet facilities, before undertaking trading.(f)The licensee may coordinate with Regional Power Committees, the Central Transmission Utility, State Transmission Utilities, the Regional Load Despatch Centres, and the State Load Despatch Centres with regard to his trading related activities, to the extent authorised by the concerned buyer and seller.(g)The licensee shall render all assistance to any person authorised by the Commission to carry out his duties relating to the licence.(h)The licensee shall carry out trading in accordance with the agreed terms and conditions, and may take such safeguards as he

may consider, necessary with regard to payment security mechanism from the buyers, but shall always ensure timely payment of dues to the seller for purchase of the agreed quantum of electricity either through a letter of credit or any other appropriate instrument or as may be mutually agreed between the seller and the licensee.(i)The licensee shall ensure that appropriate agreement for purchase and sale of electricity are entered into by him with sellers and the buyers prior to scheduling a transaction, and that the agreement shall specify the following namely:-(i)the boundaries, that is to say, upper and lower MW limits of electricity to be purchased or sold,(ii)modalities for scheduling,(iii)persons authorized to specify the schedule, or to modify it after it has been intimated to the Regional Load Despatch Centre or the State Load Despatch Centre.(iv)whether the buyer or the seller can unilaterally advise modification of the schedule, or whether the modification can only be advised jointly by the buyer and the seller,(v)the liabilities of the parties (seller, buyer and licensee) in case the scheduled quantum (MW) and time of scheduling differs from the agreed terms, or in case of modification in schedule, and in the latter case, the party that will bear non-refundable part of short term open access charges.(j)The licensee shall ensure that there is no discrepancy or scope for dispute in the scheduling advised to the Regional Load Despatch Centre and in case of any discrepancy or ambiguity in the scheduling advice, the decision of the Regional Load Despatch Centre on the acceptance or otherwise of such advice shall be binding.(k)The licensee shall ensure that the buyer and the seller are, either grid connected entities or represent such entities, with special energy meters on their periphery and that the mechanism for Unscheduled Interchange accounting by the appropriate authority is in place.(I)The licensee shall not purchase electricity from the entities and the associates of such entities, defaulting in payment of Unscheduled Interchange charges, transmission charges, reactive energy charges, congestion charge and fee and charges for National Load Despatch Centre or Regional load Despatch Centre or the Unified Load Despatch and Communication Scheme or any other payment levied by the Commission or any of the State Commissions under the provisions of the Act or any regulation made thereunder, when so advised by the Commission.(m)The licensee shall regularly pay the licence for specified by the Commission from time to time.(n)The licensee shall not omit or neglect to undertake trading-activity.(o)The licensee shall not enter into any agreement for purchase or sale of electricity that may lead to abuse of his dominant position or enter into a combination which causes or is likely to cause an adverse effect on competition in electricity industry.(p)The licensee shall maintain up-to-date record of all the trading transactions undertaken by him, separately for bilateral transactions, inter-State as well as intra-State, and those through the power exchange.(q)The licensee shall make an appropriate application before the Commission for prior approval of the Commission whenever so required, in accordance with the Conduct of Business Regulations.(r)The licensee shall, subject to settlement of commercial terms in accordance with law, not omit sale of electricity to a consumer allowed open access by the concerned State Commission.

8. Accounts of the Licensee

(1)The licensee shall-(a)Keep the accounts of the business covered by the licence separate from any other business, whether licensed or otherwise.(b)maintain the statement of accounts in such form and containing such particulars as may be specified by the Commission and till such time these are specified by the Commission, the accounts shall be maintained in accordance with the Companies Act, 1956 (1 of 1956) as amended from time to time.(c)prepare on a consistent basis from such

records, accounting statements for each year comprising a Profit and Loss Account, a Balance Sheet and a statement of source and application of funds together with notes thereto and showing separately the amounts of any revenue, cost, asset, liability reserve or provision which has been either;(i)charged from or to any other business together with a description of the basis of that charge; or(ii)determined by apportionment or allocation between the various business activities together with a description of the basis of the apportionment or allocation.(d)provide in respect of the accounting statements prepared in accordance with foregoing clauses, a report by the Auditors in respect of each year, stating whether in their opinion the statements have been properly prepared and give a true and fair view of the revenue, costs, assets, and liabilities reserves reasonably attributable to the business to which the statements relate; and(e)submit to the Commission copies of the accounting statements and Auditor's report not later than nine months after the close of the year to which they relate and shall keep them posted in its website or any other authorized website for a period of at least two years thereafter.(2)Any person authorised by the Commission shall be entitled to inspect and verify the accounts of the licensee, and the licensee shall render all necessary assistance to such person.

9. Submission of Information

- The licensee shall-(a)supply such information, as may be called for by the Commission from time to time;(b)furnish monthly information in Forms IV-A, IV-B and IV-C appended to these regulations, separately in respect of inter-State trading, intra-State trading and trading through power exchange so as to reach the Commission before 10th of the succeeding month.Provided that the information sent to the Commission shall be posted on the website of the licensee or any other website, and such report shall be available on the website for not less than two years.(c)submit to the Commission copies of the Annual Reports including Directors' report, Auditors' report, Balance Sheet and Profit and Loss Account pertaining to inter-State trading segment of the business alongwith all the schedules and notes to the accounts, not later than nine months after the close of the year to which they relate and shall keep them posted in its website or in any authorised website for a period of at least two years thereafter.(d)report of the Commission the following events as soon as possible:(i)when the licensee or any of his associates, or partners, or promoters or Directors has been declared insolvent;(ii)when the licensee, or any of his associates, or partners, or promoters or Directors has been convicted of an offence involving moral turpitude, fraud, or any economic offence.(iii)When the licence of any of the associates, or partners, or promoters, Directors has been cancelled by the Commission.(iv)When the licensee, or any of his associates, or partners, or promoters or Directors has been found guilty for non-compliance of any of the provisions of the Act or the rules or the regulations made thereunder or an order made by the Appropriate Commission.

10. Standards of performance

(1)The Commission may, after consultation with the licensee specify the standards of performance of a licensee or a class of licensees.(2)Till such time tire standards of performance are specified under clause (1) the licensee shall furnish to the Commission the performance details for each year in the format prescribed in Form V, appended to these regulations by 30th April immediately following the year ending on 31st March.

11. Prudential Reporting

- The licensee shall, as soon as possible, report to the Commission-(a)any significant change in the circumstances which may affect his ability to meet the obligations under the Act, the Rules and the Regulations directives and orders issued by the Commission, the Grid Code, agreement or the licence;(b)any material breach of the provisions of the Act, the Rules and the Regulations, directives and orders issued by the Commission, the Grid Code, agreement or the licence; and(c)any major change in its shareholding pattern, ownership or management.

12. Amendment of Licence

(1)The terms and conditions of the licence may be modified by the Commission in public interest or on an application made by the licensee:Provided that before ordering any substantive alteration or modification in the licence, proposed to be made otherwise than on the application of the licensee, the Commission shall publish a notice in two such daily newspapers as it considers necessary with the following particulars, namely:-(a)name and address of the licensee;(b)alterations and modifications proposed to be made;(c)grounds for such alterations and modifications; and(d)inviting suggestions, if any, on the proposal for consideration of the Commission within the time specified in the notice.(2)The procedure specified in Regulation 6 shall mutatis mutandis be applicable in case the licensee makes an application for any substantive alteration of or modification to the terms and conditions of the licence:Provided that where the licensee has made an application under sub-Section (1) of Section 18 of the Act, proposing any substantive alteration and modifications in his licence, he shall publish a notice of such application in two daily newspapers having circulation in all the five regions, in addition to those published from Delhi, including one economic newspaper, in Form VI, with the following particulars, namely:-(a)name of the applicant;(b)category of the licence granted to him;(c)that an application for alteration and modifications has been made before the Commission;(d)details of alteration and modifications proposed in the application;(e)reasons for seeking such alterations and modifications;(f)a statement that the application made before the Commission has been posted on the website and can also be inspected in the office of the applicant;(g)a statement that any suggestion to the proposal for alteration and modifications made in the application may be submitted to the Secretary of the Commission within 30 days of publication of the notice.

13. Procedure for securing compliance of terms and conditions of licence.

(1)Where the Commission, on the basis of material in its possession is satisfied that the licensee is contravening, or is likely to contravene', the terms and conditions of licence, it shall serve a notice to the licensee narrating the terms and conditions of licence contravened or likely to be contravened by him to invite his objections or suggestions.(2)The notice may be served on him by delivering the same at the registered office or at the usual or his last known place of residence or business, either through registered post or speed post or by hand delivery through a messenger or publication in a newspaper where the Commission is satisfied that it is not reasonably practicable to serve the notice on the licensee through registered post or speed post or by hand delivery or in any other manner as considered appropriate by the Commission in the facts and circumstances of the case.(3)The

Commission shall publish a notice in two newspapers specifying the terms and conditions contravened or likely to be contravened by the licensee to bring the matters to the attention of persons affected or likely to be affected by such contraventions, to invite suggestions from such persons.(4)The licensee or the persons affected or likely to be affected by the contravention of the terms and conditions of the licence by the licensee may file their objections or suggestions within 30 days from the date of receipt of notice under clause (1) or publication of notice in the newspapers under clause (3), as the case may be.(5)The Commission shall on consideration of the objections and suggestions received as aforesaid, pass such order or give such directions as may be necessary to secure compliance of the terms and conditions of license.

14. Revocation of Licence.

- The Commission may revoke the licence, in any of the following circumstances, namely:-(a)Where the licensee in the opinion of the Commission, makes wilful and prolonged default in doing anything required of him by or under the Act, or the Rules or the Regulations;(b)Where the licensee breaches any of the terms and conditions of his licence, the breach of which is expressly declared by such licence to render it liable to revocation;(c)Where the licensee fails, within the period of fixed in this behalf by his licence, or any longer period which the Commission may allow therefor, to show to the satisfaction of the Commission, that he is in a position fully and efficiently to discharge the duties and obligations imposed on him by his licence;(d)Where in the opinion of ,the Commission the financial position of the licensee is such that he is unable to fully and efficiently discharge the duties and obligations imposed on him by his licence;(e)Where the licensee has neglected to undertake trading in electricity;(f)Where the licensee fails to meet the qualifications specified for making an application or incurs any of the disqualifications under these regulations;(g)Where the licensee fails to submit the information as required in accordance with the Regulations 9,10 and 11 or knowingly furnishes false and wrong information;Provided that the licence shall not be revoked except after an enquiry by the adjudicating officer appointed by the Commission under Section 143 of the Act in the j manner prescribed by the Central Government:Provided further that the Commission may, instead of revoking a licence under Clause (1) above, permit the licence to remain in force subject to such further terms and conditions as it thinks fit to impose, and any further terms and conditions so imposed shall be binding upon and be observed by the licensee and shall be of like : force and effect as if they were contained in the licence.(2)When the licensee makes an application for revocation of the licence and the Commission is satisfied that such revocation of licence shall not prejudicially affect the public interest, the Commission may revoke his licence, on such terms and conditions as it thinks fit.(3)The Commission shall serve a notice, of revocation upon the licensee and fix ; a date on which the revocation shall take effect.

15. Existing Licensee

(1)The existing licensee shall be re-classified as under, namely:-

Existing Category	Proposed Category
Category 'A'	Category III

Category 'B' and 'C' Category II

Category 'D', 'E' and 'F' Category I

(2)The existing licensees shall meet the net worth, current ratio and liquidity ratio criteria specified in these regulations within a period up to 31-3-2010.(3)The existing licensees shall pay the licence fees as may be specified by the Commission from time to time.Provided that the licence fee when revised, shall be payable by the existing licensees on pro rata basis from the date of such revision to the end of the year.

16. Communication

(1)Unless otherwise specified in these regulations, all communications relating to the licence shall be in writing and shall be delivered either in person to the addressee or his authorized agent, or sent by registered or speed post at the place of business of the addressee.(2)All communications shall be regarded to have been given by the sender and received by the addressee,(i)when delivered in person to the addressee or to his authorised agent;(ii)on expiry of 15 days from the date of sending by registered or speed post at the address of the addressee.

17. Power to relax.

- The Commission may in appropriate cases and for reasons to be recorded in writing relax any of the provisions of these regulations.

18. Repeal and Saving.

(1)Save as otherwise provided in these regulations the Central Electricity Regulatory Commission (Procedure, Terms and Conditions for grant of trading licence and other related matters) Regulations, 2004 shall stand repealed from the date of commencement of these regulations.(2)Notwithstanding such repeal, anything done or purported to have been done under the repealed regulations shall be deemed to have been done or purported to have been done under these regulations.Form-1Application form for grant of Licence for Inter-State Trading

1. Name of the applicant.
