Levy of Green Cess

3. Levy and collection of cess.

(1) There shall be levied and collected a cess for the purposes of this Act, on generation of electricity except on generation of renewable energy by the generating company at the generating station or at the captive generating plant or the stand by generating plant. (2) Such cess under sub-section (1) shall be levied and payable on the electricity generated in the State of Gujarat irrespective of the fact whether such electricity is consumed within the State or not. (3) Such cess under sub-section (1) shall be levied in such manner and at such rate not exceeding twenty paise per unit of the electricity generated as may be prescribed. - (4) The State Government may by notification in the Official Gazette, exempt from payment of the cess, the generating company having aggregate installed capacity of not more than one thousand kilowatts. (5) The cess levied under sub-section (1) shall be payable by the generating company. -

4. Crediting of Proceeds to Consolidated Fund of State.

- The proceeds of the cess, interest and penalty recovered under this Act shall first be credited to the Consolidated Fund of the State, and after deduction of the expenses of collection and recovery therefrom shall, under appropriation duly made by law in this behalf, be entered in and transferred to a separate fund called the Green Energy Fund, for being utilized exclusively for the purposes of this Act.

5. Establishment of Green Energy Fund.

(1) There shall be established a fund called "Green Energy Fund" for the purpose of this Act. (2) The Fund shall be under the control of the State Government and there shall be credited therein- (a) any sums of money paid under section 4; (b) the sums by way of any grant by the State Government.

6. Management of Fund.

(1) The Fund shall be utilised for - (a) promoting the generation of electricity through renewable energy, (b) purchase of non-conventional energy, and (c) taking initiatives for protecting environment in the State. (2) The State Government shall have the power to administer the Fund and shall take such decisions as may be required for the proper utilization of the Fund. (3) The State Government shall also have the power to allocate and disburse such sums from the Fund as it considers necessary to the concerned Departments responsible for achieving the objects of this Act.

Chapter III Registration

7. Registration.

(1) Whoever generates electricity in the State shall be required to apply for and obtain a registration certificate from the Collector of Green Cess: Provided that the collector may, subject to such conditions as may be prescribed, grant exemption from obtaining the registration to a person or to a class of persons having regard to the provisions of sub-section (4) of section 3. (2) The application for the registration shall be made in such form and within such period as may be prescribed. (3) On receipt of an application for registration under sub-section (2), the Collector on its satisfaction, may issue a certificate of registration in such form as may be prescribed.

Chapter IV Cess Authorities

8. Cess authorities.

(1) For carrying out the purpose of this Act, the State Government shall appoint a person to be the Collector of Green Cess for the whole of the State of Gujarat and such other officers and employees to assist the Collector as the State Government may think fit who shall exercise such powers and perform such duties as may be conferred or imposed on them by the Collector. (2) The State Government may by notification in the Official Gazette, appoint any persons as it thinks fit to be Inspectors for the purposes of this Act who shall exercise such powers and perform such duties as may be conferred or imposed on them by or under this Act within the limits of such area as the State Government may specify therein.

9. Powers and duties of Cess Authorities.

(1)The Collector or the Inspector may for the purposes of this Act-(i)require production for inspection of such books and records as may be necessary for ascertaining or verifying the amount of Cess leviable under this Act; -(ii)enter and search any premises where electricity is or is believed to be generated for the purpose of-(a)verifying the statements made in the books of account kept, and returns submitted, .(b)reading and getting tested the various meters and generator panels in the prescribed manner,(c)verifying the particulars required in connection with the levy of cess,(iii)exercise such other powers and perform such other duties as may be necessary for carrying out the purposes of this Act or the rules made thereunder.(2)All searches made under sub-section (1) shall be made in accordance with the provisions of the Code of Criminal Procedure, 1973,(2 of 1974.)

Chapter V

Books of Accounts, Returns and Assessment

10. Accounts.

(1)Each generating company shall install a meter for recording gross generation of electricity as provided in Central Electricity Authority (Installation and Operation of meters) Regulations, 2006 and same shall be maintained and operated in a manner as may be prescribed.(2)Each generating company liable to pay cess as per the provisions of this Act, shall keep and maintain books of account in the prescribed form and shall submit to the Collector, returns in such form and at such times as may be prescribed, showing the units of energy generated, the amount of cess payable and that paid, fuel used and such other details as may be prescribed.

11. Assessment.

(1)The amount of cess due from a generating company shall be assessed by the Collector in the manner as may be prescribed.(2)If the Collector is satisfied that the returns furnished by a generating company are correct and complete, he shall assess the amount of cess due from the generating company on the basis of such returns.(3)If the Collector is not satisfied that the returns furnished in respect of any period are correct and complete, he shall serve on such generating company a notice requiring it to produce or caused to be produced all evidences on which such generating company relies in support of his returns. The Collector shall after considering all the evidences which may be produced, assess the amount of cess due from the generating company.(4)If a generating company fails to respond to the notice within the time limit as stated in the notice issued under sub-section (3), the Collector shall assess, to the best of his judgment, the amount of cess due from it.

Chapter VI

Recovery

12. Recovery.

(1)Where a generating company, which is liable to pay cess in the time-limit as prescribed, does not pay such amount of cess within such time-limit, there shall be paid by such generating company, for the period commencing on the date of expiry of the aforesaid period and ending on the date of payment of the amount of cess, simple interest at the rate as may be prescribed, not exceeding eighteen per cent, per annum.(2)All sums payable as cess or interest under this Act, if not paid within the prescribed period shall be deemed to be in arrears, and thereupon the amount of cess along with amount of interest to be levied under this Act, shall be recoverable as an arrear of land revenue.(3)Where any generating company is liable to pay any amount on account of this cess, penalty or interest, and it pays amount less than amount due, the amount so paid shall be first applied towards the amount of interest, thereafter the balance, if any, towards penalty and thereafter the balance, if any, towards the amount of cess.

Chapter VII

Penalties

13. Penalty.

- If any generating company fails to obtain the registration certificate as required under section 7 shall on conviction be punished with fine which may extend to rupees one lakh per one Megawatt of the aggregate installed capacity of such generating company and shall also be liable to pay such cess alongwith interest referred to in section 12 for the generation of electricity as is otherwise payable.
