U.P. Aadhaar (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2017(U.P. Act No. 8 of 2018)Statement of Objects and Reasons. - The correct identification of targeted beneficiaries for delivery of various subsidies, benefits, sendees, grants, wages and other social benefits schemes which are funded from the consolidated fund of the State of Uttar Pradesh is critical to the effective implementation of these programs. Such correct targeting of programs would facilitate complete coverage for certain categories of persons such as women, children, senior citizens, persons with disabilities, migrated, unskilled and unorganised workers and nomadic tribes, etc. A credible system to authenticate the identity of beneficiaries would further ensure that the subsidies, benefits and services reach to the intended beneficiaries.The Government of India has enacted the Aadhaar (Targeted Deliver)' of Financial and Other Subsidies, Benefits and services) Act, 2016 for delivery of various subsidies, benefits, services, grants, wages and other social benefit schemes which are funded from the Consolidated Fund of India. As per Section 57 of the said Act, it does not prevent the use of aadhaar number for establishing the identity of an individual for any purpose by the State Government. Accordingly, it is required to have State's own Act for linking the use of Aadhaar identification for delivery of various subsidies, benefits, services, grants, wages and other social benefit schemes which are funded from the Consolidated Fund of the State of Uttar Pradesh.In view of the above it has been decided to make a law to provide for. as a good governance measure, efficient, transparent, and targeted delivery of subsidies, benefits and services, the expenditure for which is incurred entirely from the Consolidated Fund of the State, to the individuals residing in the State of Uttar Pradesh using Aadhaar as a sole identifier, and for matters connected therewith and incidental thereto.The Uttar Pradesh Aadhaar (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Bill, 2017 is introduced accordingly.Received the assent of the Governor on January 5, 2018 and published in the U.P. Gazette, Extraordinary, Part I, Section (Ka) Dated 6th January, 2018, pp. 5-8, No. 12.(As passed by the Uttar Pradesh Legislature)An Act to provide for, as a good governance measure, efficient, transparent, and

targeted delivery of subsidies, benefits and services, the expenditure for which is incurred entirely from the Consolidated Fund of the State, to the individuals residing in the State of Uttar Pradesh using Aadhaar as a sole identifier, and for matters connected therewith and incidental thereto. It is hereby enacted in the Sixty-eighth Year of the Republic of India as follows-
