#### 1. Short title.

- These rules may be called the Maharashtra Land Revenue (Conversion of Use of Land and Non-agriculture Assessment) Rules, 1969.

#### 2. Definitions.

- In these rules, unless the context requires otherwise-(a)"Code" means the Maharashtra Land Revenue Code, 1966;(aa)[ "Conversion Tax" means the additional land revenue leviable under Section 47-A of the Code] [Inserted by G.N. of 15.12.1987.](b)"Section" means a section of the

1

Code;(c)"Planning Authority" means Planning Authority as defined in the Maharashtra Regional and Town Planning Act, 1966.

#### 3. Form of application for permission to convert use of land.

- Every application for permission for conversion of use of land from one purpose to another as provided in Section 44 shall be made in the form in Schedule I to the Collector. Where different portions of land included in the same survey number are to be converted for use for different non-agricultural purpose, the same should be clearly and separately shown in the firm.

#### 4. Conditions in which permission may be granted.

(1) Permission to convert the use of agricultural land for any non-agricultural purpose, or to change the use of land from one non-agricultural purpose to another non-agricultural purpose may be granted by the Collector after consulting the Planning Authority and such other authority as the State Government may, from time to time, direct subject to the provisions of any law for the time being in force and to the following among other conditions, that is to say-(a)the grant of permission shall be subject to the provisions of the Code and Rules made thereunder;(b)the land shall not be used for a purpose other than that for which permission is granted; (c) the applicant shall commence the non-agricultural use applied for within one year from the date of the order made by the Collector in that behalf; failing which, unless the said period is extended by the Collector from time to time, the permission granted shall be deemed to have lapsed; (d) the applicant shall be liable to pay such altered assessment as may be determined with reference to the altered use under Section 110, or as the case may be, Section 114;(dd)[ Where the land is situated in any of the area referred to in Section 47A and to which the provisions of the said Section 47A apply, the applicant shall be liable to pay the amount of conversion tax leviable under the said Section 47A within thirty days from the grant of permission for conversion.] [Added by G.N. of 15.12.1987.](e)where permission is granted for the construction of a structure to be used for any non-agricultural purpose such structure shall, if it is within the jurisdiction of a Planning Authority, be constructed in accordance with plan approved by the Planning Authority in that behalf, and in areas in which the provisions of Chapter III of the Bombay Highways Act, 1955, are not in force, be subject to the provisions of Schedule II; and if it is situated outside such jurisdiction, be constructed in accordance with the plans approved by the village panchayat, and to be subject to such provisions of Schedules II and III, as the Collector may determine in each case, regard being had to the sanctioned use of land; and the provisions of the development scheme or Zone Plan prepared in pursuance of the orders of the State Government and approved by the Collector or the Master Plan prepared for the purpose of clause (h) of Section 2 of the Urban Land (Ceiling and Regulation) Act, 1976 a due notice of which is given in the Official Gazette, and in the local newspaper having wide circulation in that area. Explanation. - For the purpose of this clause, the expression development scheme or Zone Plan or Master Plan prepared for the purpose of clause (h) of Section 2 of the Urban Land (Ceiling and Regulation) Act, 1976, shall mean and include a plan indicating the broad outline as to how the lands are proposed to be used.] [Added by G.N. of 15.12.1987.](f)any other reasonable conditions which the Collector may deem fit to impose regard being had to the sanctioned use of the land: Provided that, in hill stations and such other localities as the State Government may specify in his behalf, where there is no Regional Plan,

Development Plan or Town Planning Scheme, such permission may be granted on such conditions as are considered expedient regarding the style of the building, the period for construction and the observance of Municipal or sanitary regulations, in addition to the conditions aforesaid so far as they are applicable.(2)Such conditions shall be embodied in the sanad.

#### 5. Conditions where permission is deemed to have been granted.

- In cases where permission for change of use of land is deemed to have been granted under sub-section (3) of Section 44, such permission shall be subject to the conditions provided in Rule 4.

#### 6. Penalty for failure to intimate commencement of non-agricultural use.

- Subject to the maximum amount of penalty, of Rs. 500 prescribed by sub-section (5) of Section 44, the penalty for failure to inform the date on which the change of used for a commenced as required by sub-section (4) of that section shall, if the land is used for a residential purpose, be such amount as is not less than an amount equal to two times the non-agricultural assessment of the land for the period of default; and if the land is used for any other non-agricultural purpose be such amount not less than three times the non-agricultural assessment for the period aforesaid, as the Collector may in each case deem fit to impose.

#### 7. Grant of sanad.

- Where land is permitted to be used for non-agricultural purpose, then subject to the provisions of any law for the time being in force a sanad shall be granted to the holder thereof in the form in Schedule IV if the land is situated outside the jurisdiction of the Planning Authority, and in the form in Schedule V if the land is situated within the jurisdiction of the Planning Authority.

#### 8. Penalties for unauthorised non-agricultural use.

- If any land is used un-authorisedly in contravention of the provisions of Section 44, [\* \* \*] [Deleted by G.N. of 3.10.1972.] it shall be lawful for the Collector to require the holder thereof or any person claiming through or under him to stop such unauthorised use, pay the non-agricultural assessment on the land with reference to the altered use for the entire period of such unauthorised use, and such fine not more than [forty] [Substituted by G.N. of 3.10.1972.] times the non-agricultural assessment on the land leviable with reference to the unauthorised altered use under the provisions of the Code, as he may fix.

#### 9. Regularisation of unauthorised use.

- Where any land is used unauthorisedly in contravention of the provisions of Section 44, and the Collector is satisfied that had the holder applied for necessary permission under that section his application would not have ordinarily been rejected on any of the grounds specified in clause (c) of sub-section (2) of Section 44, the Collector may, if the holder so desires, and in areas falling within

the jurisdiction of a Planning Authority after consulting such Planning Authority, instead of taking action under Rule 8, regularise such unauthorised non-agricultural use, subject to the following terms and conditions, namely:-(i)[ that the holder shall pay the amount of conversion tax leviable under Section 47A within thirty days from the date of regularisation of un-authorised non-agricultural use and shall pay non-agricultural assessment on the land with reference to the altered use since the commencement of that use [if it is not already paid under Rule 8.] [Added by G.N. of 15.12.1987.](ii)that the holder shall pay such fine not exceeding forty times the non-agricultural assessment on the land with reference to the altered use, as the Collector may fix [if it is not already paid under Rule 8.] [Added by G.N. of 3.10.1972.](iii)that the holder shall abide by the conditions specified in Rule 4 so far as they are applicable, and such other conditions as the Collector may deem fit to impose.]

#### 10. Continuance of offending unauthorised construction.

- Where the unauthorised non-agricultural use cannot be regularised under Rule 9, and the Collector is satisfied that the demolition of the offending unauthorised construction is likely to cause heavy damage and serious inconvenience and hardship, he may, if the holder so desires, and in areas falling within the jurisdiction of Planning Authority, after consulting such Planning Authority, allow such construction to stand, with the sanction of the State Government, subject to conditions (i) and (ii) in preceding rule, and the additional conditions -(a)that the holder shall pay a composition fee not less that fifty per cent of the cost incurred on the offending unauthorised construction or forty times the non-agricultural assessment payable on the land with reference to the altered use, whichever is greater [and] [Added by G.N. of 16.6.1973.](b)that the holder shall agree in writing to demolish the offending unauthorised construction without claiming compensation if after reasonable period thereafter, he is asked to do so by the Collector, in the public interest, failing which the Collector shall do so at the holder's risk and costs:[Provided that, if the Collector having regard to the pecuniary condition of the holder is of opinion that undue hardship will be caused to the holder by the recovery of the amount of composition fee laid down in condition (a), and that the offending unauthorised construction was not constructed by the holder with the knowledge that it was unauthorised, the Collector may, with the sanction of the State Government, reduce the amount of composition fee payable by the holder under condition (a) to such extent as he may think fit.] [Substituted by G.N. of 15.12.1987.] [Explanation. [Added by G.N. of 15.12.1987.] - For the purposes of Rules 8,9 and 10 of these rules, the expression "forty times the non-agricultural assessment on the land" means forty times the non-agricultural assessment, only on that area of the land which is under unauthorised non-agricultural user.]

#### 11. On regulation sanad to be granted.

- When any unauthorised non-agricultural use is permitted to be continued under Rule 9 or 10, a sanad in the form in Schedule VI shall be granted to the holder.

### 11A. [ Intimation of date of commencement of non-agricultural or change of user of land for a bona fide industrial use. [Inserted by G.N. of 19.10.1994.]

(1)The person using the land for bona fide industrial use as provided in section 44-A shall give an intimation of the date on which such change of user of land has commenced and furnish other relevant information in the form in Schedule VI-A within thirty days from such date to the Tahsildar through the Village Officer and shall also endorse a copy thereof to the Collector. On receipt of such intimation the Tahsildar shall give an acknowledgement in token of its receipt.(2)It shall be lawful for the Collector or Tahsildar to get the information furnished in the form in Schedule VI-A verified, through the appropriate official agency and the land in question measured through the appropriate official agency at the cost of the holder.

#### 11B. Penalty for failure to give intimation under section 44-A.

- Subject to the maximum amount of penalty of Rs. ten thousand prescribed by sub-clause (i) of clause (a) of sub-section (3) of section 44-A, the penalty for failure to inform the date on which the change of user of land commenced and to furnish the other information as required by sub-section (2) of that section shall be such amount as is not less than twenty times the non-agricultural assessment for the period of default.

#### 11C. Grant of Sanad for the use of land for bona fide industrial use.

- Where land is used for a bona fide industrial use under section 44A, then subject to the provisions of any law for the time being in force a sanad shall be granted to the holder thereof in the form in Schedule VI-B as provided by sub-section (5) of that section]

#### 12. Non-agricultural assessment.

- Where land assessed to agriculture is used for non agricultural purpose or vice versa or being assessed to one non-agricultural purpose is used for another non-agricultural purpose, the assessment fixed upon the land so used shall be altered under sub-section (2) of Section 67 of the Code and such alteration shall be made by the Collector in accordance with the provisions of the Code and these rules.

#### 13. Capitalised assessment.

- For purpose of chapter vii of the Code, the term "Capitalised Assessment" means an amount equal to sixteen times the assessment on the land for the time being in force.

#### 14. Maintenance of statistics of sales, etc.

(1)The Collector shall maintain a record of all registered sales and leases, and or awards under the Land Acquisition Act, 1894, of non-agricultural lands in different blocks in an urban area in the forms in Schedules VII, VIII and IX, respectively.

### 15. [Full market value how determined. [Substituted by Act No. 54 of 2017, dated 1.9.2017]

- The full market value of non-agricultural lands in an urban area in a block shall be estimated on the basis of the land rates as determined and issued in the form of Annual Statement of Rate by the Chief Controlling Revenue Authority under the Bombay Stamp (Determination of True Market Value of Property) Rules 1995 framed under the Maharashtra Stamp Act, immediately preceding the year in which the standard rate of non-agricultural assessment is to be fixes.]

#### 16. Standard rate of non-agricultural assessment.

(1) For purpose of determining the standard rate of non-agricultural assessment, the Collector shall, on the basis of the full market value of plots, ascertained in accordance with the principles enunciated in the preceding rule, first estimate the full market value of non-agricultural land in each block separately for each of the [five years] [Substituted by G.N. of 15.12.1987.] immediately preceding the year in which the standard rate of non-agricultural assessment is to be fixed.(2)On the basis of the full market value determined for the preceding [five years] [Substituted by G.N. of 15.12.1987.] under sub-rule (1), the Collector shall estimate the full market value of land per square metre in each block.(3)The standard rate of non-agricultural assessment per square metre of land in each block shall be equal to [0.05 per cent] [Substituted by Act No. 54 of 2017, dated 1.9.2017] of the full market value estimated under sub-rule (2).(4)The Collector shall submit to the State Government for approval the standard rate determined under sub-rule (3) through the Commissioner of the Division. (5) The Statement Government may modify the Collector's proposal in respect of standard rate to such extent as it may deem fit.(6) The standard rate approved by the State Government shall be published in the Official Gazette and such standard rate shall come into force with effect from the commencement of the relevant guaranteed period as provided for in Section 113. The standard rate shall also be put up on the notice board in the officer of the Tahsildar.(7)The standard rate fixed under sub-rule (3) shall remain in force for the relevant guaranteed period and thereafter be liable to be revised under Section 113 of the Code.] [Substituted by Maharashtra 17 of 1993, section 27, (w.e.f. 1.8.1991).]

#### 17. Revision of standard rate.

- The standard rate of non-agricultural assessment shall be liable to revision at intervals of ten years, and the provisions of Rules 15 and 16 shall apply to such revision of standard rates as they apply to the fixation of standard rates.

#### 18. Fixation of non-agricultural assessment on individual plots.

- The actual assessment on individual plots in each block shall be fixed by the Collector on the basis of the standard rate for the time being in force in that block, having regard to the specific

non-agricultural purpose for which the land is used as provided in sub-section (1) of Section 114; subject to the reduction or increase of 25 per cent as provided in sub-section (3) thereof. In fixing such actual assessment, the amount of assessment shall be rounded off to the nearest multiple of ten, less than five paise being disregarded, and five paise and more being regarded as ten paise.

#### 19. Assessment leviable on land within compounds.

- Non-agricultural assessment in respect of land used for residential purpose shall be levied on that area of the land within a compound which is built upon according to any law for the time being in force.

#### 20. Reimposition of agricultural assessment.

(1)Except in cases where agricultural lands are transferred under the provisions of the relevant tenancy law for purposes of non-agricultural use, where any holding, which has been assessed, or of which the assessment has been altered for any non-agricultural use is used for agriculture only, the Collector may, on the application of the holder, withdraw the non-agricultural assessment, and impose either the old agricultural assessment, if any, if the settlement period has not expired; or may, in other cases, impose an agricultural assessment equivalent to that imposed on other similar agricultural lands in the vicinity of such holding.(2)Such agricultural assessment shall commence from the first day of the agricultural year next following and shall be subject to the same conditions as to periodical revision, and the same rules and provisions of law as if they had been imposed at the ordinary revenue settlement of the village in which the land is situated.

#### 21. Assessment under Section 68.

- Where land held or used for any non-agricultural purpose is assessed under the provisions of Section 68, such assessment shall be fixed and revised by the Collector  $[x \times x]$  [Deleted by G.N. of 16.6.1973.] in accordance with the provisions of Chapter VII of the Code and these rules.

#### 22. Exemption.

(1)For the purposes of clause (1) of Section 117, lands used by an agriculturist for extracting or canning fruit juice, gur making, oil pressing, cotton ginning or paddy husking or other similar purpose from the produce of his own fields shall be used for occupations subsidiary or ancillary to agriculture.(2)Lands used for hospitals, hostels, playgrounds, parks and garden, officer premises of local authorities and gymnasiums or for roads, paths and lanes set apart in layouts, for the benefit of all citizens without distinction of religion, race, sex, place of birth or any of them shall be exempt from the payment of non-agricultural assessment so long as they are used for any of the said purposes and for any of the said purposes and for no other purposes and yield no profit to private individuals or to any person.[(2-A) Land used for weekly Markets by Gram Panchayats shall be exempted from the payment of non-agricultural assessment, so long as it is used for that purpose.] [Sub-rule (2A) was inserted by G.N. No. NAA-4793/107798/CR-16/L-5, dated 30th August, 2006

(M.G.G. Part IV-B, page 1343).](3)In the case of building sites held by Co-operative Housing Societies or the Housing Board which are not built upon, no non-agricultural assessment shall be levied for the three years subsequent to the date on which possession of the lands was taken or till the date on which non-agricultural use of the land begins, whichever is late.

#### 23. Map showing non-agricultural areas.

(1)Each Collector shall maintain in his office and from time to time as required renew or bring up-to-date a map of his district upon which it shall be clearly shown by district colours or otherwise as may be convenient, the urban and non-urban areas in the district in accordance with clause (42) of Section 2 of the Code, the area classified as Class I and II villages in non-urban areas constituted under Section 111.(2)When an area is very small, or when its limits intersect a village in an intricate way, insets on a larger scale or a supplementary file of village maps shall be provided.(3)Whenever any area is brought under a different class or rate by a fresh order, the map shall be corrected and the authority for the change noted over the Collector's signature on the map.(4)Each Tahsildar shall similarly maintain a map of his taluka with similar supplements which shall be similarly corrected and endorsed by the Collector, at each change.(5)These maps shall be open to public inspection free of charge during all office hours.

[See Rule 4(1) (e)][(Building Regulations)] [Inserted by G.N. of 3.10.1972.]

#### Part I – General

1. Minimum open space - The open space shall ordinarily be two thirds of the plot; but it may be reduced to one-half, when the land is of a very high value or the buildings likely to be inhabited by poorer class of persons or in areas such as bazaars and central parts of towns which are already densely built over.

In computing the built up area of a plot, the area covered by a porch shall be excluded. [Explanation. [Substituted by G.N. of 3.10.1972.] - For the purpose of this regulation "poor class of persons"

means persons whose annual income does not exceed Rs. 4,200.]

- 2. Number of storeys. Ordinarily two storeys (ground and one upper floor) shall be permitted to be built over in an area where the minimum open space in one-half of the plot and three storeys (ground an two upper floors) in an area where the minimum open space is two-thirds of the plot.
- 3. Access to road. Buildings shall be allowed to be erected on the condition that the applicant provides for suitable access by an existing road or by a projected road.
- 4. Size and situation of building. Normally, every building to be built shall face the main road. In case of a chawl, it shall not measure more than 30.48 metres in any direction.
- 5. Distance from boundary of the plot. No building shall be erected within 3.05 metres of the perimeter or a plot; and 6.10 metres from the rear boundary of the plot.
- 6. Porch within open space. An unenclosed porch for parking vehicles open on three sides except for a parapet wall on one side and attached to the main building may be permitted in one of the open spaces of the plot excepting rear open space, subject to the following conditions:-
- (a)The porch shall be parallel to the main building and it shall not be more than one storey in height 3.66 metres in length and 3.05 metres in width;(b)A minimum open space of 1.52 metres shall be maintained between the porch and the plot boundary on that side.
- 7. Open space for more buildings. When there is more than one building in a plot, the same open space shall be required round each main building, as if each main building was in a separate plot:

Provided that, a ground floor, privy or a ground floor outhouse providing ancillary accommodation, such as, motor garage, servants quarters, kitchen and store-room appurtenant to the main building and detached there from, may be allowed to be erected in the rear of a plot at a distance of not less than 3.05 metres from the main building, subject to the condition of leaving 3.05 metres open margin from the rear boundary of the plot.

- 8. Plinth. In case of residential building, the plinth shall be at least 0.61 metre above the general level of the ground.
- 9. Dimensions of residential room. No side of a room used for a residential purpose shall be less than 3.05 metres long. One side of every such room shall abut on the surrounding open land throughout its length.
- 10. Construction of privies. Privies shall be at the side or rear of the main building, and shall not be less than 3.05 metres from it. They shall be screened from public view.
- 11. Construction of cess-pools etc. No cess-pools shall be allowed to be constructed, unless there exists an agency for clearing them regularly and property.

No cess-pool shall be used or made within 30.48 metres of any well. No khalkuwa or khalkoti shall be used for the reception of night soil.

- 12. Stables. No cattle shall be kept in any residential building. No stable or cattle shed shall be constructed within 3.05 metres of a residential building.
- 13. Building materials. All buildings shall be of pucca construction, and no easily combustible materials shall be used in their construction.
- 14. Construction of shops. Where shops are built, the space between the shop and the road boundary shall be of hard material, such as, murrum or metals, levelled, well rolled and consolidated.
- 15. Additions and alterations. No addition to, or alteration in, a building shall be carried out, without the previous written permission of the Collector.

#### Part II – Special provisions for plots over 0.4047 Hectare

- 16. Preparation of a layout. In cases where the land to be converted to non-agricultural use is larger than 0.4047 hectare in area, proper layout shall be prepared by the applicant in the following manner:-
- (1) The width of internal roads in the layout having length specified in column 1 below shall not be less than those specified against them in column 2:-
